Major Companies of The Far
East and Australasia 1991/92 J.
Carr 2012-12-06 This book
represents the eighth edition of
what has become an
established reference work,
MAJOR COMPANIES OF THE
Guide to the FAR EAST &
AUSTRALASIA. This volume
has been carefully researched
and updated since publication
of the previous arrangement of
the book edition, and provides
more company data on the

most important companies in
the region. The Information in
the This book has been
arranged in order to allow the
reader to book was submitted
mostly by the companies
themselves, find any entry
rapidly and accurately
completely free of charge. For
the second time, a third volume
has been added to the series,
covering major companies In
Company entries are listed
alphabetically within each
section; Australia and New
Zealand. In addition three
indexes are provided on
coloured paper at the back of
the book. The companies listed
have been selected on the
grounds of the size of their

sales volume or balance sheet or their The alphabetical index to companies throughout South East importance to the business environment of the country In Asia lists all companies having entries in the book irrespective which they are based. of their main country of operation. The book is updated and published every year Any company The alphabetical index to companies within each country of that considers it is eligible for Inclusion in the next edition of South East ASia lists companies by their country of operation.
