Con brio: Beginning Spanish, Third Edition with WileyPLUS Blackboard Card Premium Set María C. Lucas Murillo 2013-05-08

Guide to the Pianist's Repertoire, third edition Maurice Hinson 2001-05-22 "The Hinson" has been indispensable for performers, teachers, and students. Now updated and expanded, it's better than ever, with 120 more composers, expertly guiding pianists to solo literature and answering the vital questions: What's available? How difficult is it? What are its special features? How does one reach the publisher? The "new Hinson" includes solo compositions of nearly 2,000 composers, with biographical sketches of major composers. Every entry offers description, publisher, number of pages, performance time, style and characteristics, and level of difficulty. Extensively revised, this new edition is destined to become a trusted guide for years to come.

Sourcebook for Research in Music, Third Edition Allen Scott 2015-06-01 Since it was first published in 1993, the Sourcebook for Research in Music has become an invaluable resource in musical scholarship. The balance between depth of content and brevity of format makes it ideal for use as a textbook for students, a reference work for faculty and professional musicians, and as an aid for librarians. The introductory chapter includes a comprehensive list of bibliographical terms with definitions; bibliographic terms in German, French, and Italian; and the plan of the Library of Congress and the Dewey Decimal music classification systems. Integrating helpful commentary to instruct the reader on the scope and usefulness of specific items, this updated and expanded edition accounts for the rapid growth in new editions of standard works, in fields such as ethnomusicology, performance practice, women in music, popular music, education, business, and music technology. These enhancements to its already extensive bibliographies ensures that the Sourcebook will continue to be an indispensable reference for years to come.

The Piano in Chamber Ensemble, Third Edition Maurice Hinson 2021-07-27 In this expanded and updated edition, The Piano in Chamber Ensemble: An Annotated Guide features over 3200 compositions, from duos to octets, by more than 1600 composers. Maurice Hinson and Wesley Roberts catalog published works for piano with two or more instruments with information on performance level, length, individual movements, overall style, and publisher. Divided into sections according to the number and types of instruments involved, The Piano in Chamber Ensemble then subdivides entries according to the actual scoring. Keyboard, string, woodwind, brass, and percussion players and teachers will find a wealth of chamber works from all periods in this invaluable guide.

The Christian Union 1877

A Wayfaring Stranger Veronika Kusz 2020-01-21 On March 10, 1948, world-renowned composer and pianist Ernst von Dohnányi (1877–1960) embarked for the United States, leaving Europe for good. Only a few years earlier, the seventy-year-old Hungarian had been a triumphant, internationally admired musician and leading figure in Hungarian musical life. Fleeing a political smear campaign that sought to implicate him in intellectual collaboration with fascism, he reached American shores without a job or a home. A Wayfaring Stranger presents the final period in Dohnányi’s exceptional career and uses a range of previously unavailable material to reexamine commonly held beliefs about the musician and his unique oeuvre. Offering insights into his life as a teacher, pianist, and composer, the book also considers the difficulties of émigré life, the political charges made against him, and the compositional and aesthetic dilemmas faced by a conservative artist. To this rich biographical account, Veronika Kusz adds an in-depth examination of Dohnányi’s late works—in most cases the first analyses to appear in musicological literature. This corrective history provides never-before-seen photographs of the musician’s life in the United States and skillfully illustrates Dohnányi’s impact on European and American music and the culture of the time.
