Survey of Accounting Paul D. Kimmel 2019-12-12 Kimmel
Survey of Accounting, 2nd edition provides future business professionals with a practical introduction to financial and managerial accounting without the use of debits and credits. With its unique focus on building students' decision-making skills and emphasis on financial statements, Survey of Accounting provides students with the foundational accounting knowledge required to understand how these concepts are relevant to their everyday lives and future careers. Grounded in the Kimmel and Weygandt family of products, this new edition presents a fresh introduction to accounting through various practice opportunities, real-world industry examples, and discussions on cutting-edge topics to engage today's students.

Financial Accounting with International Financial Reporting Standards Jerry J. Weygandt 2018-07-18 While there is growing interest in IFRS within the US, interest outside the US has exploded. Weygandt's fourth edition of Financial Accounting: IFRS highlights the integration of more US GAAP rules, a desired feature as more foreign companies find the United States to be their largest market. The highly anticipated new edition retains each of the key features (e.g. TOC, writing style, pedagogy, robust EOC) on which users of Weygandt Financial have come to rely, while putting the focus on international companies/examples, discussing financial accounting principles and procedures within the context of IFRS, and providing EOC exercises and problems that present students with foreign currency examples instead of solely U.S. dollars.
