

In Company Simon Clarke

As recognized, adventure as with ease as experience roughly lesson, amusement, as well as settlement can be gotten by just checking out a book **In Company Simon Clarke** along with it is not directly done, you could admit even more a propos this life, on the world.

We give you this proper as well as simple artifice to get those all. We have the funds for In Company Simon Clarke and numerous books collections from fictions to scientific research in any way. among them is this In Company Simon Clarke that can be your partner.

Jonathan Strange and Mr Norrell Susanna Clarke 2010-06-05 In the Hugo-award winning, epic New York Times Bestseller and basis for the BBC miniseries, two men change England's history when they bring magic back into the world. In the midst of the Napoleonic Wars in 1806, most people believe magic to have long since disappeared from England - until the reclusive Mr. Norrell reveals his powers and becomes an overnight celebrity. Another practicing magician then emerges: the young and daring Jonathan Strange. He becomes Norrell's pupil, and the two join forces in the war against France. But Strange is increasingly drawn to the wild, most perilous forms of magic, and he soon risks sacrificing his partnership with Norrell and everything else he holds dear. Susanna Clarke's brilliant first novel is an utterly compelling epic tale of nineteenth-century England and the two magicians who, first as teacher and pupil and then as rivals, emerge to change its history.

Foreign Soil Maxine Beneba Clarke 2017-01-03 Collects short stories set in locations around the globe that feature the voices of the disenfranchised, the lost, and the mistreated.

BTEC First Award Engineering Student Book Simon Clarke 2012-10-02 BTEC First Award in Engineering Student Book - Our BTEC First in Engineering Award Book covers Units 1, 2, 5, 6 7 and 8 so learners have relevant and specific content to complete the new next generation Pearson BTEC First Award in Engineering for level 2 learners. If learners are studying other sizes of this qualification they might prefer our Full Edition*. - Provides all the underpinning knowledge and understanding needed at level 2 to help learners prepare for the course. - Activities in each unit provide support and guidance for learners, and can be used in the classroom or for independent work. - The new BTEC Assessment Zone guides learners through the challenges of both internal and external assessment with grading tips and support for external assessment. * From 2012, Pearson's BTEC First qualifications have been under re-development, so schools and colleges could be teaching the existing 2010 specification or the new next generation 2012-2013 specification. There are different Student Books to support each specification. If learners are unsure, they should check with their teacher or tutor. Units covered: 1: The Engineered World 2: Investigating an Engineered Product 5: Engineering Materials 6: Computer-aided Engineering 7: Machining Techniques 8: Electronic Circuit Design and Construction

The Vanished Birds Simon Jimenez 2020-01-14 A “highly imaginative and utterly exhilarating” (Thrillist) debut that is “the best of what science fiction can be: a thought-provoking, heartrending story about the choices that define our lives” (Kirkus Reviews, Best Debut Fiction and Best Science Fiction & Fantasy of the Year). FINALIST FOR THE LOCUS AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY TORDOTCOM AND KIRKUS REVIEWS A mysterious child lands in the care of a solitary woman, changing both of their lives forever. I expected many things from this trip. I did not expect a family. A ship captain, unfettered from time. A mute child, burdened with unimaginable power. A millennia-old woman, haunted by lifetimes of mistakes. In this captivating debut of connection across space and time, these outsiders will find in each other the things they lack: a place of love and belonging. A safe haven. A new beginning. But the past hungers for them, and when it catches up, it threatens to tear this makeshift family apart. Praise for *The Vanished Birds* “This is the most impressive debut of 2020.”—Locus “This extraordinary science fiction epic, which delves deep into the perils of failing to learn from one’s mistakes, is perfect for fans of big ideas and intimate reflections.”—Publishers Weekly (starred review) “A lyrical and moving narrative of space travel, found families, and lost loves set against an evocative space-opera background.”—Booklist (starred review) “*The Vanished Birds* finds an intimate heartbeat of longing in a saga of galactic progress and its crushing fallout. . . . A novel of vast scope that yet makes time for compassion, wonder, and poetry.”—Indra Das, author of *The Devourers*

Find Your Why Simon Sinek 2017-09-05 *Start With Why* has led millions of readers to rethink everything they do – in their personal lives, their careers and their organizations. Now *Find Your Why* picks up where *Start With Why* left off. It shows you how to apply Simon Sinek’s powerful insights so that you can find more inspiration at work -- and in turn inspire those around you. I believe fulfillment is a right and not a privilege. We are all entitled to wake up in the morning inspired to go to work, feel safe when we’re there and return home fulfilled at the end of the day. Achieving that fulfillment starts with understanding exactly WHY we do what we do. As *Start With Why* has spread around the world, countless readers have asked me the same question: How can I apply *Start With Why* to my career, team, company or nonprofit? Along with two of my colleagues, Peter Docker and David Mead, I created this hands-on, step-by-step guide to help you find your WHY. With detailed exercises, illustrations, and action steps for every stage of the process, *Find Your Why* can help you address many important concerns, including: * What if my WHY sounds just like my competitor's? * Can I have more than one WHY? * If my work doesn't match my WHY, what should I do? * What if my team can't agree on our WHY? Whether you've just started your first job, are leading a team, or are CEO of your own company, the exercises in this book will help guide you on a path to long-term success and fulfillment, for both you and your colleagues. Thank you for joining us as we work together to build a world in which more people start with WHY. Inspire on! -- Simon

In Company Simon Clarke 2009

IN COMPANY PRE INTERMEDIATE CLASS(CD 1📀) Simon Clarke 2003 Covers business topics such as networking, correspondence, hiring and firing, getting things done, office gossip and more.

Textile Design Simon Clarke 2011-04-06 This book offers students and those wishing to enter a career in textile design a basic grounding in its three main disciplinesprinted, woven, and mixed media. Using a wealth of imagery and case studies from designers and studios at work today, the book looks at the basic principles of design and production, and gives practical advice on creating a collection. Education and employment are also discussed, giving an insight into the industry and helpful adviceon finding a job.

Leading Learning Tom O'Donoghue 2009-10-16 The study of educational leadership makes little sense unless it is in relation to who the leaders are, how they are leading, what is being led, and with what effect. Based on the premise that learning is at the heart of leadership and that leaders themselves should be learners, the Leadership for Learning series explores the connections between educational leadership, policy, curriculum, human resources and accountability. Each book in the series approaches its subject matter through a three-fold structure of process, themes and impact. Series Editors - Clive Dimmock, Mark Brundrett and Les Bell The notion that school transformation is dependent on exceptional leaders is increasingly seen as unrealistic and unsustainable. Instead, the idea of distributed leadership, which promotes the view that all stakeholders have complementary leadership roles to play in enhancing student learning, is now being promoted as a more useful framework for understanding schools and how they might be changed. Subscribing to the notion of distributed leadership, O'Donoghue and Clarke identify two key groups: the ‘leaders of learning’ and the ‘leaders for learning’. The leaders of learning – and the focus of this book – are those working at the school level to improve the quality of learning in the classroom, such as teachers, principals, pupils and involved members of the local school community. The leaders for learning are the policy-makers and administrators whose support is crucial. The authors argue that in order to be effective leaders, both groups require an understanding of: Broad trends in contemporary leadership theory Recent views on learning theory The importance of teachers engaging continually in learning about their practice The significance of creating and sustaining schools as learning

organisations Forging links between leadership and learning The book’s examination of the shifting approaches to leading learning in contemporary schools is enriched by innovative examples drawn from a range of international contexts. Leading Learning will appeal to students involved in masters and doctoral courses relevant to the field and those undertaking programmes of school leadership preparation and development. It will also be of interest to academics working in the field of educational leadership and management.

School Leadership in Diverse Contexts Simon Clarke 2015-11-06 School Leadership in Diverse Contexts demonstrates the centrality of context to understanding school leadership. It offers varied portrayals of leadership in a diverse range of distinct settings. Each chapter highlights the prominence of context in understanding the realities of school leadership, focusing on issues and influences that school leaders face, strategies school leaders adopt to deal with the complexities of their work, and conceptualisations of school leadership relevant to the context. An impressive array of international experts examine this neglected area of research by considering school leadership in nine heterogeneous contexts, providing rich and varied portrayals of school leadership and suggesting ways in which the leadership may be enhanced. School Leadership in Diverse Contexts is an ideal book for undergraduate and postgraduate students, particularly those studying units in educational leadership, comparative education and educational policy. Similarly undergraduate and postgraduate students engaged with development studies, history, sociology, law, human geography will be attracted to this text.

Firmament Simon Clark 2022-01-27 A thin, invisible layer of air surrounds the Earth, sustaining all known life on the planet and creating the unique climates and weather patterns that make each part of the world different. In Firmament, atmospheric scientist and science communicator Simon Clark offers a rare and accessible tour of the ins and outs of the atmosphere and how we know what we know about it. From the workings of its different layers to why carbon dioxide is special, from pioneers like Pascal to the unsung heroes working in the field to help us understand climate change, Firmament introduces us to an oft-overlooked area of science and not only lays the ground work for us to better understand the debates surrounding the climate today, but also provides a glimpse of the future that is possible with this knowledge in hand.

Researching Beneath the Surface Simon Clarke 2018-02-10 This book offers an overview of the rapidly expanding field of Psycho-Social research. Drawing on aspects of discourse psychology, continental philosophy and anthropological and neuro-scientific understandings of the emotions, psycho-social studies has emerged as an embryonic new paradigm in the human sciences. Psycho-social studies uses psychoanalytic concepts and principles to illuminate core issues within the social sciences. The present volume contributes to the development of the new research methodologies in a number of ways. It is written largely from the point of view of practitioners who are also researchers. Although contributors draw largely upon object-relations traditions in psychoanalysis, other influences are also present, particularly from continental philosophy and the sociology of the emotions. It develops an approach to epistemology - how we know what we know, which is strongly informed by a living approach to psychoanalysis, not just as a theory but as a way of being in the world - that is as a stance.

[In Company, Pre-Intermediate](#) Helena Gomm 2009-01-01 The second edition Student's Books contain clearly defined topic and skills-based units, real-world tasks and more case studies, all which are instantly relevant to everyday business life development. The CD-ROM has an interactive glossary and class audio as MP3 downloads.

Abuse of Discretion Clarke D. Forsythe 2013-10-14 Based on 20 years of research, including an examination of the papers of eight of the nine Justices who voted in *Roe v. Wade* and *Doe v. Bolton*, *Abuse of Discretion* is a critical review of the behind-the-scenes deliberations that went into the Supreme Court's abortion decisions and how the mistakes made by the Justices in 1971-1973 have led to the turmoil we see today in legislation, politics, and public health. The first half of the book looks at the mistakes made by the Justices, based on the case files, the oral arguments, and the Justices’ papers. The second half of the book critically examines the unintended consequences of the abortion decisions in law, politics, and women’s health. Why do the abortion decisions remain so controversial after almost 40 years, despite more than 50,000,000 abortions, numerous presidential elections, and a complete turnover in the Justices? Why did such a sweeping decision—with such important consequences for public health, producing such prolonged political turmoil—come from the Supreme Court in 1973? Answering those questions is the aim of this book. The controversy over the abortion decisions has hardly subsided, and the reasons why are to be found in the Justices’ deliberations in 1971-1972 that resulted in the unprecedented decision they issued. Discuss Abuse of Discretion on Twitter using hashtag #AbuseOfDiscretion.

[King Blood](#) Simon Clark 2008-06-01 Warm Rick Kennedy feels pretty good. Tonight there's going to be the party of the summer. The brother he hasn't seen for years has just flown in, and this is the night Rick plans to do something about Kate Robinson -- the beautiful girl he just can't get out of his mind. In the pleasant village of Fairburn the evening air is warm...Warmer And this is the night that Rick encounters the mysterious stranger in the woods.Hot Soon he wakes to find 30,000 refugees choking the streets. People are running for their lives. Only there's nowhere to run.Hotter The ground heats up inexorably. Roads melt. Cities erupt into flame. Lakes boil. Pockets of natural gas explode like nuclear bombs and geysers of scalding water flood through whole communities.Burning Survivors search desperately for refuge in a landscape burning forever hotter beneath their feet. But they have yet to confront the Grey Men -- and the demons inside themselves...

Oakwing E. J. Clarke 2017-05-16 After Rowan is mysteriously transformed into a tiny fairy, she is thrust into a world of fairy clans and talking robins where, she discovers, her long-missing mother is also trapped.

Marx's Theory of Crisis Simon Clarke 2016-07-27 The theory of crisis has always played a central role within Marxism, and yet has been one of its weakest elements. Simon Clarke's important new book provides the first systematic account of Marx's own writings on crisis, examining the theory within the context of Marx's critique of political economy and of the dynamics of capitalism. The book concentrates on the scientific interpretation and evaluation of the theory of crisis, and will be of interest to mainstream economists, as well as to sociologists, political scientists and students of Marx and Marxism.

[Print: Fashion, Interiors, Art](#) Simon Clarke 2014-10-07 Printed textiles are an exciting and dynamic design area, with new mechanical and digital technologies opening up a wealth of creative possibilities for designers. Witty, hyperreal, and luxurious print designs are being used by fashion designers and in interiors, while artists are harnessing the technology in their work to stunning effect. This showcase of the best printed textiles from around the world is divided into three key areas: fashion, interiors, and art. In fashion and clothing, the book features innovative printed textile designs in haute couture, prêt-a-porter, and accessories from companies such as Prada, Issey Miyake, Hermès, and Vivienne Westwood. The interiors chapter shows surfaces and interior products such as wallpaper, upholstered furniture, fabric hangings, and floor coverings, and features a wide range of designers from Marimekko in Finland to Anna Glover in the UK. Fine-art prints and experimental work from international artists and designers such as Cristian Zuzunaga and Liberty Art Fabrics are represented in the final section.

Blind Date Wendy Clarke 2021-10-29 When Mel is set up on a blind date by her best friends Chris and Simon, she’s as anxious as any woman would be. Her divorce came as such a shock and she’d been feeling lost and lonely, but that didn’t mean she was desperate to date again. It was a terrible day at work that made her say yes: it could be a bit of fun, a distraction at least. What did she have to lose? When Mel meets Malik, she knows instantly that they could have more than just a fling. She tells him her deepest, darkest secrets and it doesn’t make him run away. He makes her feel wanted for the first time in years, and when she wakes up in his bed in the early hours she feels completely content. Until she notices that he’s no longer lying beside her. She’s tangled up in his sheets alone in his bedroom and she can’t remember how she got there. And then she hears the metallic scrape of a key in the door and realises that Malik

has locked her in. Is her dream man going to turn into her worst nightmare? Thrilling and gripping until the final page, *Blind Date* is a dark and unsettling story about deception and how much we can trust the people we love. For fans of *Gone Girl*, *The Girl on the Train* and anything by Lisa Jewell. What readers are saying about *Blind Date*: ‘I LOVED THIS PHENOMENAL, GRIPPING BOOK. I raced through it, it consumed me in its pages... A shocking conclusion which left me gobsmacked... HOOKS YOU FROM THE START. LOVED IT! LOVED IT! LOVED IT!’ Goodreads reviewer, 5 stars ‘I COULD NOT PUT THIS BOOK DOWN, I didn’t even realise I hadn’t eaten because I was too busy reading this book... It was gripping, it was tense, fast-paced and full of twists, it was so unpredictable.’ Goodreads reviewer, 5 stars ‘Thrilling... I kept reading long into the night to find out how it ended! The twists are AMAZING!!’ Goodreads reviewer, 5 stars ‘I absolutely love this book and couldn’t wait to find out what happened. I must’ve read it in three hours straight.’ Goodreads reviewer, 5 stars ‘Totally absorbing... A totally mind-twisting thriller which had me on the edge of my seat... Creepy, tense and full of twists and turns... Literally had me missing a heartbeat... My eyes were on stalks reading the last couple of pages.’ Rubie Reads, 5 stars ‘I ended up reading late into the night to finish... Made the hairs on the back of my neck stand on end... Kept me guessing and on my toes throughout.’ Netgalley reviewer, 5 stars

Swimming at Night Lucy Clarke 2014-04-08 Katie’s world is shattered by the news that her headstrong and bohemian younger sister, Mia, has been found dead at the bottom of a cliff in Bali. The authorities say that Mia jumped—that her death was a suicide. Although they’d hardly spoken to each other since Mia suddenly left on an around-the-world trip six months earlier, Katie refuses to accept that her sister would have taken her own life. Distraught that they never made peace, Katie leaves her orderly, sheltered life in London behind and embarks on a journey to find out the truth. With only the entries of Mia’s travel journal as her guide, Katie retraces the last few months of her sister’s life, and—page by page, country by country—begins to uncover the mystery surrounding her death. . . . Weaving together the exotic settings and suspenseful twists of Alex Garland’s *The Beach* with a powerful tale of familial love in the spirit of Rosamund Lupton’s *Sister*, *Swimming at Night* is a fast-paced, accomplished, and gripping debut novel of secrets, loss, and forgiveness.

Managing People Simon Birkenhead 2021-11-11 Becoming a manager is not a progression in your career, it's a move into an entirely new job, one that requires a unique set of skills. One-dimensional Marxism Simon Clarke 1980

The Infinite Game Simon Sinek 2019-10-15 From the New York Times bestselling author of *Start With Why* and *Leaders Eat Last*, a bold framework for leadership in today’s ever-changing world. How do we win a game that has no end? Finite games, like football or chess, have known players, fixed rules and a clear endpoint. The winners and losers are easily identified. Infinite games, games with no finish line, like business or politics, or life itself, have players who come and go. The rules of an infinite game are changeable while infinite games have no defined endpoint. There are no winners or losers—only ahead and behind. The question is, how do we play to succeed in the game we’re in? In this revelatory new book, Simon Sinek offers a framework for leading with an infinite mindset. On one hand, none of us can resist the fleeting thrills of a promotion earned or a tournament won, yet these rewards fade quickly. In pursuit of a Just Cause, we will commit to a vision of a future world so appealing that we will build it week after week, month after month, year after year. Although we do not know the exact form this world will take, working toward it gives our work and our life meaning. Leaders who embrace an infinite mindset build stronger, more innovative, more inspiring organizations. Ultimately, they are the ones who lead us into the future.

Blood Crazy Simon Clark 2014-10-28 It is a quiet, uneventful Saturday in Doncaster. Nick Aten, and his best friend Steve Price – troubled seventeen year olds – spend it as usual hanging around the sleepy town, eating fast food and planning their revenge on Tug Slatter, a local bully and their arch-enemy. But by Sunday, Tug Slatter becomes the last of their worries because somehow overnight civilization is in ruins. Adults have become murderously insane – literally. They’re infected with an uncontrollable urge to kill the young. Including their own children. As Nick and Steve try to escape the deadly town covered with the mutilated bodies of kids, a group of blood-thirsty adults ambushes them. Just a day before they were caring parents and concerned teachers, today they are savages destroying the future generation. Will Nick and Steve manage to escape? Is their hope that outside the Doncaster borders the world is 'normal' just a childish dream? *Blood Crazy*, first published in 1995, is a gripping, apocalyptic horror from Simon Clark.

A Fairy's Courage E. J. Clarke 2018-05-15 “A thoughtfully crafted sequel.” —School Library Journal Rowan’s epic adventures continue in this stunning sequel to E.J. Clarke’s magical novel, *Oakwing*. Being a fairy is a lot more dangerous than you think... Ever since Rowan was transformed into a fairy, her life has been filled with perilous adventures. And when her mom is kidnapped by an evil fairy called *Vulpes* and his army of foxes, Rowan sets off on her most dangerous mission yet. With the help of her fairy friends—plus a tiger released from London Zoo!—she’s sure she can rescue her mom and save the fairy realms. But *Vulpes* is cunning and sly. And he’s luring Rowan right into a trap.

The Development of Capitalism in Russia Simon Clarke 2007-01-24 This book provides a broad and comprehensive survey of the development of capitalism in Russia from the collapse of the Soviet economic system to the present, and includes the results of substantial new research on the current state

of a wide range of Russian enterprises. Simon Clarke – a well-known authority in this area: surveys the old Soviet system charts the progress through the early post-Soviet period, when neo-liberal theorists’ ‘shock therapy’ did not lead to the immediate development of a capitalist market economy, and traditional enterprises became hugely loss-making considers the crisis of 1998, and its effects, which included the curtailment of speculation, and growing investment in the old industrial sector, which in turn put the new small and medium sized enterprises under increasing pressure discusses the wider theoretical implications of the Russian experience for other transitional economies.

Cultural Diversity, Mental Health and Psychiatry Suman Fernando 2004-03-01 Cultural Diversity, Mental Health and Psychiatry explores how and why black and minority ethnic communities have little confidence in mental health services.

The Key Man Simon Clark 2021-07-06 **LONGLISTED FOR THE FINANCIAL TIMES & MCKINSEY BUSINESS BOOK OF THE YEAR ONE OF THE ECONOMIST'S BEST BOOKS OF 2021** In this compelling story of lies, greed and tarnished idealism, two Wall Street Journal reporters investigate a man who Bill Gates, Western governments, and other investors entrusted with billions of dollars to make profits and end poverty, but who now stands accused of masterminding one of the biggest, most brazen financial frauds ever. Arif Naqvi was charismatic, inspiring, and self-made—all the qualities of a successful business leader. The founder of Abraaj, a Dubai-based private-equity firm, Naqvi was the Key Man to the global elite searching for impact investments to make money and do good. He persuaded politicians he could help stabilize the Middle East after 9/11 by providing jobs and guided executives to opportunities in cities they struggled to find on the map. Bill Gates helped him start a \$1 billion fund to improve healthcare in poor countries and the UN and Interpol appointed him to boards. As Pope Francis blessed a move to harness capitalism for the good of the poor, Naqvi won the support of Obama’s administration and investors, who compared him to Tom Cruise in *Mission: Impossible*. In 2018, Simon Clark and Will Louch were contacted by an anonymous whistleblower who said Naqvi had swindled investors out of hundreds of millions of dollars and offered bribes to sustain his billionaire lifestyle. Digging into the claims, Clark and Louch uncovered hundreds of documents and exposed the wrongdoing. In April 2019—months after their exposé broke—Naqvi was arrested on charges of fraud and racketeering, and faces up to 291 years in jail. Populated by a cast of larger-than-life characters and moving across Asia, Africa, Europe and America, *The Key Man* is the story of how the global elite was duped by a capitalist fairytale. Clark and Louch shine a light on efforts to clean up global capital flows even as opaque private equity firms amass trillions of dollars and offshore tax havens cast a veil of secrecy which prevents regulators, investors and citizens from understanding what’s really going on in the finance industry.

The State Debate Simon Clarke 2016-07-27 The 1990s promise to be a period of rapid political change, as old political boundaries dissolve and new political forces emerge. These changes throw into question our understanding of capitalism and socialism, of the character of the nation state, and of the relationship between the economy and the state. However, these changes are only the culmination of developments which have been unfolding over the past two decades. This book includes a comprehensive introductory survey, which sets the contributions collected here within the context of the wider debate.

Marx, Marginalism and Modern Sociology Simon Clarke 1982

Capote Gerald Clarke 2013-04-25 The national bestselling biography and the basis for the film *Capote* starring Philip Seymour Hoffman in an Academy Award-winning turn. One of the strongest fiction writers of his generation, Truman Capote became a literary star while still in his teens. His most phenomenal successes include *Breakfast at Tiffany’s*, *In Cold Blood*, and *Other Voices, Other Rooms*. Even while his literary achievements were setting the standards that other fiction and nonfiction writers would follow for generations, Capote descended into a spiral of self-destruction and despair. This biography by Gerald Clarke was first published in 1988—just four years after Capote’s death. In it, Clarke paints a vivid behind-the-scenes picture of the author’s life—based on hundreds of hours of in-depth interviews with the man himself and the people close to him. From the glittering heights of notoriety and parties with the rich and famous to his later struggles with addiction, Capote emerges as a richly multidimensional person—both brilliant and flawed. “A book of extraordinary substance, a study rich in intelligence and compassion . . . To read Capote is to have the sense that someone has put together all the important pieces of this consummate artist’s life, has given everything its due emphasis, and comprehended its ultimate meaning.” —Bruce Bawer, *The Wall Street Journal* “Mesmerising . . . [Capote] reads as if it had been written alongside his life, rather than after it.” —Molly Haskell, *The New York Times Book Review*

Artists in the Archive Paul Clarke 2018-06-13 *Artists in the Archive* explores the agency and materiality of the archival document through a stunning collection of critical writings and original artworks. It examines the politics and philosophy behind re-using remains, historicising this artistic practice and considering the breadth of ways in which archival materials inform, inflect and influence new works. Taking a fresh look at the relationships between insider know-how and outsider knowledge, *Artists in the Archive* opens a vital dialogue between a global range of artists and scholars. It seeks to trouble the distinction between artistic practice and scholarly research, offering disciplinary perspectives from experimental theatre, performance art, choreography and dance, to visual art making, archiving and curating.
