How We Live Our Yoga Valerie Jeremijenko 2020-09-08 How We Live Our Yoga collects fourteen frank, moving, and thoughtful personal essays by passionate yoga practitioners on why they began to practice, what it has brought to their lives, how their relationship to yoga changes and evolves, and more. Judith Lasater looks at the unexpected relationship between yoga and parenting. Award-winning poet Stanley Plumly ponders the connection between his Quaker upbringing, his writing, and his yoga practice. The well-known Sanskritist Vyaas Houston tells the story of his first guru and their difficult relationship. And philosopher and conceptual artist Adrian Piper comes out as a yogic celibate.

The Making of a Yoga Master Suhas Tambe 2012 The Yoga Sutras of Patanjali were compiled in 300 BCE, predating all other religions of this world. To this day they form the basis of all yogic philosophy, despite the fact that their reference to the asanas (or physical postures), associated with hatha yoga practice at studios throughout the U.S. and all other the world, are mentioned

only rarely. Instead, the Sutras (the word means "thread") are a series of wise aphorisms meant to serve as transformational instruction. They design a way of thinking, a method of practice, a type of relationship to life and others, and practical guidance in both meditation and action. Their goal is union of the individual with God, or atman, which is the ultimate goal of all forms of yoga. Suhas Tambe was introduced to the study and life of yoga through his Indian spiritual master in 1993. The Sutras were integral to this initiation, and he is now a scholar, teacher and long-term practitioner of their esoteric wisdom. He is also the first Westerner to reveal his teacher's knowledge of these sutras' hidden sequence. From the time of Patanjali onward, Tambe claims, the scrambling of the sequence of sutras was a respected tradition. Such deliberate confusion was done with a view to preserving the sanctity of these precious teachings. Since interpretation of any sutra must bear reference to and consistency with the previous and the following sutra, proper sequence becomes a critical factor, a fundamental to the use of this time-honoured scripture. The key

to the real sequence of Yoga Sutra was handed down verbally by the guru only to the eligible disciple. Far more than an instruction manual, this book is also about one seeker's progression. The author, who began his search entrenched in materialism (he was an accountant with an MBA working in IT), was "transformed" into a devoted practitioner. This path thoroughly changed his life's priorities, evolved his purpose and dissolved old habits in a way that will be inspiring to many. "Yoga not just entered my life", he writes, "but now, it is my life". The clear progressive stages of transformation through yoga are documented here. as nowhere else. This new sequence unfolds a practical road-map for knowing and practising the elevation of the seeker's awareness -- from the physical, to the astral, and to finally to the mental levels-and designates observable milestones to determine one's progress on the path. It marries the philosophy of Yoga with clear "how-to" instruction.

Journey to Joyful

Attachment-Based Yoga & Meditation for Trauma Recovery: Simple, Safe, and Effective Practices for Therapy

Deirdre Fay 2017-04-11 A practical but far-reaching look at a variety of mind-body techniques for working with trauma clients. This book offers an unprecedented, attachment-informed translation of yogic philosophy to body-based trauma treatment. The result is both erudite and accessible, emphasizing ready-to-implement skills and approaches that are as groundbreaking as they are effective. Organized around key trauma issues and symptoms, this book offers clinicians a practical but far-reaching look at mind-body skills and techniques for helping trauma clients access their individual wisdom, develop secure internal attachment, and find the path home to

the Self.

My Body Is A Temple Christina Sell 2011-12-13 With the freshness of a memoir, author and yoga teacher Christina Sell draws upon her first visit to an extraordinary temple in southern India to present basic principles of yoga. Beyond the ordinary aims of yoga as a means of stretching and strengthening, or even for being happier or more centered, *My Body is a Temple* is an instruction manual for dedicating oneself to a life of the spirit, in and through the vehicle of the human body. The body as a temple is a common metaphor within many spiritual traditions. In this book, Christina Sell delves into the "how" and "why" of this widely accepted comparison. *My Body Is a Temple* will encourage readers to listen to and honor the body; and to enter more fully into their everyday lives to see that each activity contains a Divine blueprint for success. It will help any yoga student to reclaim the raw materials and energy, always already present, to build his or her body as a temple-to provide refuge and sanctuary for themselves and inspiration for others. While the author's tradition is that of Anusara Yoga, a strongly heart-centered approach, the book is written for any hatha yoga aspirant or practitioner. Her commitment is to traditional yogic practices and ideals, without being rigid. *My Body Is a Temple* is a vital and realistic treatment about the process of human change and transformation. Beyond Fitness ... Yoga is a Means of Self-Honoring and Spiritual Transformation This book will be well-used by both students and teachers of yoga. It should be included in all yoga and fitness centers and in popular library collections.

Living the Simply Luxurious Life

Shannon Ables 2018-10-07 What can you uniquely give the world? We often

sell ourselves short with self-limiting beliefs, but most of us would be amazed and delighted to know that we do have something special - our distinctive passions and talents - to offer. And what if I told you that what you have to give will also enable you to live a life of true contentment? How is that possible? It happens when you embrace and curate your own simply luxurious life. We tend to not realize the capacity of our full potential and settle for what society has deemed acceptable. However, each of us has a unique journey to travel if only we would find the courage, paired with key skills we can develop, to step forward. This book will help you along the deeper journey to discovering your best self as you begin to trust your intuition and listen to your curiosity. You will learn how to: - Recognize your innate strengths - Acquire the skills needed to nurture your best self - Identify and navigate past societal limitations often placed upon women - Strengthen your brand both personally and professionally - Build a supportive and healthy community - Cultivate effortless style - Enhance your everyday meals with seasonal fare - Live with less, so that you can live more fully - Understand how to make a successful fresh start - Establish and mastermind your financial security - Experience great pleasure and joy in relationships - Always strive for quality over quantity in every arena of your life Living simply luxuriously is a choice: to think critically, to live courageously, and to savor the everyday as much as the grand occasions. As you learn to live well in your everyday, you will elevate your experience and recognize what is working for you and what is not. With this knowledge, you let go of the unnecessary, thus simplifying your

life and removing the complexity. Choices become easier, life has more flavor, and you begin to feel deeply satisfying true contentment. The cultivation of a unique simply luxurious life is an extraordinary daily journey that each of us can master, leading us to our fullest potential.

My Yoga Journal Hey Beautiful

2019-06-05 You are beautiful. Yoga is a form of self-respect. This three-month journal will allow you to set your goals, establish the steps to reaching them, Track your progress and document your feelings when success is reached. ** state your intentions - write it down - make it your mantra** How did you feel before? ** What did you do? ** How did you feel after? All these are important moments in your journey. They deserve to be documented. And each page features a beautiful mandala. Feel free to decorate it with all the colors your feeling convey.

Yoga Mind Suzan Colón 2018-02-27

Suzan Colon, yoga teacher and former senior editor at O, The Oprah Magazine, digs deep into the spiritual philosophy behind yoga and distills thirty essential components to enrich your practice and revolutionize your life from the inside out. We live in an increasingly stressful world, and we know about the hazardous effects stress can have on our health. But meditating and mindfulness can sometimes seem elusive, unattainable, and impossible to fit into our busy days. Even the word "yoga" usually makes many people think of complicated, twisty poses—but that's not everything. In its complete sense, yoga is a collection of life lessons for wellness and well-being and a spiritual technology from

ancient times that is now more relevant, and necessary, than ever. In *Yoga Mind*, Suzan Colon shares thirty essential components to increase self-awareness and inner balance to use throughout your day—in traffic, on the train, at your job, and home. She outlines how we can use yoga to cultivate resilience in challenging times, reduce stress, and enrich our relationships with family, work, and ourselves. This guide contains a 30-day program designed to create subtle yet powerful shifts in awareness and attitude that lead to real, lasting change. Whether you're a hardcore yogi or a beginner to the practice, *Yoga Mind* can help you unite your body, mind, and heart to become your best self and cultivate lasting happiness in your life.

Join the fitness revolution and become a fit witness for Christ!

Series of Lessons in Raja Yoga Yogi Ramacharaka 2007-12-01 Followers of the early-20th-century "New Age" philosophy of New Thought believed they could learn the secrets of mind over matter, and one of their most influential teachers—enormously popular writer and editor William Walker Atkinson, writing pseudonymously here—revealed to them, in this 1906 work, the teachings of Raja Yoga. His lessons cover: . the ego's mental tools . the expansion of the self . mental control . the cultivation of attention . the cultivation of perception . subconscious character building . and much more. See also *Series of Lessons in Gnani Yoga*, also available from Cosimo. American writer WILLIAM WALKER ATKINSON (1862-1932) was editor of the popular magazine *New Thought* from 1901 to 1905, and editor of the journal *Advanced Thought* from 1916 to 1919. He authored dozens of *New Thought* books under numerous pseudonyms, some of which are likely still unknown today, including "Yogi Ramacharaka" and "Theron Q. Dumont."
Finding More on the Mat Michelle Marchildon 2015-05-11 Practicing yoga is an invitation to live up to our

potential as human beings. So our mat becomes a catalyst for transformation. When we assume a yoga pose, it is not necessarily the shape of the body that counts. Rather, it is a chance to create an offering of the highest intention in our hearts. Practicing becomes our path, as we grow not just older, but better, wiser and stronger. We become so much more, both for ourselves and for those we love, every time we surrender to something greater, like Grace. Grace is in many ways reflective of the attitude we bring to the mat. It is the difference between a yoga practice that leaves you radically transformed and an exercise class. It's the difference between feeling full of hope and potential, or feeling like a schmuck. Our attitude creates the distinction between growing better, wiser and stronger on the mat, or afraid that we're going to die every time we bend over. "In the beginning," the author explains, "I did not know that I needed Grace. After all, I had gone through the better part of my life without anything nearly looking like Grace. You should see me dance or sing. Oh my God! A goose suffering an epileptic attack would describe my attempts at being graceful. I would never be mistaken for a soul sister. "Then one day on my mat, struggling for the millionth time to touch my toes, I gave up. I said, 'To hell with it.' And that's when it happened. The tension in my body released and I lowered down another six inches toward the floor. I got so excited I almost pulled a hamstring. All the years I had been practicing yoga I thought what I needed to touch my toes and to get better in general was more effort. But in fact, I needed more Grace." Living with ease is Grace. Living with forgiveness and acceptance is Grace. Taking the good with the bad is Grace. Saying "yes"

first, rather than "no," is Grace. Trying new experiences with a light heart is Grace. Knowing that we are filled with forgiveness just because we were born is Grace. You will need equal parts of redemption and emancipation to find transformation, which is not easy. "Today," the author explains, "I am stronger and more vibrant than ever before. I hauled my tired old ass out of a steep depression to live a better life. I hope to make the second half of my life my best achievement yet. The journey begins with Grace."

Women Challenge The Lie Regina Sara Ryan 2017-02-02 This book invites women of all ages into a conversation that challenges the pervasive lie of "never good enough." This common subtext of modern life undermines a woman's appreciation of her own inherent beauty and goodness. The authors recommend 8 Radical Moves that women can make, alone or ideally in the good company of other women, to take on this challenge, to deepen this conversation. The Moves are radical because they aim directly at the center of a woman's being, the inner space of her true nature, her basic goodness, rather than because they require any extreme actions. Nonetheless, the conviction that "never good enough" is a lie requires more than lip service. The authors guide readers in identifying the courage, strength and love they already possess, but habitually deny, to embrace and live by this conviction of self respect, day to day in mind, body and heart. They further encourage women to make this stand with and in the presence of other women to increase everybody's likelihood for success. Regina Sara Ryan, author of numerous books in wellness, women's studies and spirituality (Wellness Workbook; Woman Awake; Igniting the Inner Life) is an elder in her seventies. Shinay

Tredeau, a yoga teacher, lifestyle coach, dancer and emerging writer is a “millennial” in her twenties. Together, they bring to this warm and personal treatment a synergy of years of experience in contemplative spiritual practice and dynamic body discipline. Their message is addressed to their sisters, mothers, friends and students, of all ages; to any who suffer from the dis-ease of self-hatred in some form. Each of the 8 Radical Moves provides a slightly different access to clearer self-understanding, leading to self-compassion. For some, the Move to “Inhabit Your Body” will be key to claiming (or reclaiming) a more loving relationship with themselves. For others, the Move called “Learn to Fly” will be just the encouragement needed to refine a spiritual search. Other topics include: • the danger of comparisons with other women • the need to face dark emotions, with compassion • the power of friendship in the quest for self-acceptance • the use of journal writing to articulate developing truth • gratitude as a way of life. This straightforward and challenging narrative is filled with dozens of personal stories, making it ideal for women’s groups and book clubs to study and practice.

Yoga Book Stephen Sturgess 2004 Yoga. Holy Yoga Brooke Boon 2009-06-27 People often equate yoga with Eastern religion, but Brooke Boon sees it as an exercise style that Christians can use to generate patience, strength, and deeper worship. Author and yoga instructor Brooke Boon combines her passion for Christianity with her commitment to health to introduce yoga as a physical and spiritual discipline that strengthens the body and the soul. Clear explanations and photographs make yoga accessible for any reader, and Brooke offers customized routines for readers

struggling with specific issues, such as weight loss and anxiety. Through it all Brooke uses scriptural references to help reinforce the idea that by taking care of our bodies we can also take care of our faith.

Yoga Wisdom at Work Maren S. Showkeir 2013-05-06 Everyone knows that yoga helps reduce stress and increase the body’s flexibility and strength. But the poses are only one part of a larger philosophy offering profound insights for confronting the complexities of daily life. Yoga can help you remain centered, compassionate, positive, and sane every hour of the day—especially those between nine and five. This unprecedented guide shows how practicing the full range of yogic concepts—the traditional “Eight Limbs of Yoga”—leads to a productive, creative, and energizing work environment and features examples from professions like law enforcement, teaching, banking, filmmaking, medicine, and many more. But beyond that, this book is an invitation to use all of yoga’s teachings to cultivate the spark of the divine that dwells within each of us. The Enhanced Edition includes six videos (9 minutes) and seven audios (21 minutes). The videos include personal stories about the benefits of practicing yoga at work, a method to help honor non-lying and non-violence, and three breath control techniques. The audios feature meditations to help release negativity, increase energy, calm the mind, tap into one’s own essence, and be fully present at work, as well as specific suggestions for living out the yogic precepts of contentment and surrendering to a higher purpose in the workplace.

Bodies Arising Nicole Schnackenberg 2020-01-31 Do you struggle with your body image? Are you walking beside someone who does? Are you suffering

on account of dieting, disordered eating, over-exercising, compulsively seeking cosmetic surgery or obsessively resisting the ageing process? Psychologist and Psychotherapist Nicole Schnackenberg delves into how your identity may come to be pinned on to your physical appearance, and what you can do about it. Bodies Arising offers a series of meditations and reflections to support you on your journey of moving beyond food and body image struggles. It is an invitation to remember that your true Self is not the physical body and offers many tools for moving towards a love of every aspect of your being. Includes foreword by Sunday Times bestselling author, Theresa Cheung.

Body Mindful Yoga Robert Butera
2018-11-08 Deepen Your Relationship with Your Body Transform negative words, thoughts, and beliefs into personal empowerment with the unique approach found in Body Mindful Yoga. Combining insightful Yoga philosophies and simple Yoga practices with the power of language to improve body image, this book's inspiring guidance will empower you to move through the world with an attitude that radiates self-confidence. Open your eyes to how words affect your body image using four Body Mindful steps: Listen, Learn, Love, and Live. These steps lead to amazing insights through practical techniques, hands-on exercises, and yoga practices. The latter two steps encourage active practice as you improve your inner dialogue and your interactions with others. You will also learn how to apply the teachings and yoga practices of this book to your daily life and continue your personal Body Mindful Yoga journey.

Crosswind John Rajanayakam 2022-03-02

John Rajanayakam looks back on a spiritual journey that led him to understand weighty spiritual issues and seeks to transfer his knowledge to his only daughter, Nandita, in *Crosswind*. The author provides a practical resource that his daughter and her husband—and any parent, family member, or friend of a child—can look to when faced with challenges. As a “runbook,” the author shares what happened in his home church in Columbus, Indiana, in 2012. The church’s members embarked on a forty-day journey of focused prayer for children inside and outside the church. The process was simple: A wall of prayer was created near the altar and the names of children were written on it. Volunteers took turns praying at the wall, guided by the six Cs that were determined to be the most important principles: commitment, choices, challenges/sufferings, companions, character, and calling. As a church body, the members prayed for more than 350 children—and God performed amazing miracles. Children experienced healing, restored relationships, and other significant blessings. Steeped in Scripture, this book will serve the author’s daughter and son-in-law well, as well as any parent, family member, teacher, or mentor who wants to raise children strong in faith.

The Yoga Book Stephen Sturgess 2013-06-06 This title explains the true meaning of yoga and demonstrates the practices and postures of Ashtanga Yoga that should enable the reader to achieve mastery over the mind and body and can eventually lead to self-realization.

Raja Yoga Yogi Ramacharaka 2014-03-11 "Raja Yoga" is devoted to the development of the latent powers in Man the gaining of the control of the mental faculties by the Will the attainment of the mastery of the lower self the development of the mind to the end that the soul may be aided in its unfoldment. Much that the Western World has been attracted to in late years under the name of "Mental Science" and similar terms, really comes under the head of "Raja Yoga." This form of Yoga recognizes the wonderful power of the trained mind and will, and the marvelous results that may be gained by the training of the same, and its application by concentration, and intelligent direction. It teaches

that not only may the mind be directed outward, influencing outside objects and things, but that it may also be turned inward, and concentrated upon the particular subject before us, to the end that much hidden knowledge may be unfolded and uncovered. Many of the great inventors are really practicing "Raja Yoga" unconsciously, in this inward application of it, while many leaders in the world of affairs are making use of its outward, concentrated application in their management of affairs. This book consists of twelve lessons of which students have told us that they have found it necessary to read and study each lesson carefully, in order to absorb the varied information contained within its pages.

Yoga Journal 2002-07 For more than 30 years, Yoga Journal has been helping readers achieve the balance and well-being they seek in their everyday lives. The Yoga Plate Tamal Dodge 2019-09-24

"The Yoga Plate brings us compassion and living right for our families, our planet and our animals—a beautiful offering for good all around." —Julie Piatt and Rich Roll, bestselling authors, wellness leaders, chefs, and podcast hosts Discover 108 nourishing and delicious vegan recipes in the first modern cookbook to marry yoga's principle of ahimsa with nutrition. We take a lot of care when it comes to choosing the proper clothing for yoga, the right accessories, the best studio—but primary to these considerations is an often overlooked yet vital component of practice: our diet. How we eat might be the most important aspect of an effective practice. How we eat is a huge component to the practice because it represents how we treat and nourish ourselves. By changing the way we eat physically and consciously, we can put ourselves on the path to greater well-being. In *The Yoga Plate*, LA-based yoga power couple Tamal and Victoria Dodge introduce readers to the philosophy of yoga as it is reflected in our eating choices. The 108 recipes are designed according to the concept of ahimsa, or non-harm. "Consciously or not, we can cause a lot of harm with our eating habits," explain the authors. "Living with ahimsa means we try to cause the least harm possible to all living creatures." Each recipe takes you through your daily practice of yoga, starting with "Morning Meditations," where you'll find smoothies and breakfasts to fuel and power you through the day; "A Plate Full of Prana," with snacks, soups, and salads to revitalize your system; "A Bowl Full of Yin," with recipes to help cultivate a centered mood; and "Sweet Savasana" for restorative and beneficial dessert options. A well-

rounded yoga practice includes a conscious approach to the things we eat. With *The Yoga Plate*, readers can make each meal a sacred activity to support both our practice and well-being.

Journey to Joyful Dashama Konah Gordon 2011-03-15 "Heartfelt personal anecdotes, easy to understand explanations of yoga philosophy, and enlivening exercises help readers to access the "expansive openness of love within" and eliminate addiction, tame stress, enhance their well-being and sensuality, and realize their true goals in life"--Provided by publisher.

Flow The Rev. Susan W. Springer 2022-03-22 A guide that shows that yoga and Christian faith can be harmonious. As church membership nationwide continues to decline, the number of yoga practitioners continues to steadily increase. What's at the meeting place where the trajectories cross? What can the church learn from the popular success of yoga, and is it problematic to offer yoga in the church? How can churches offer yoga in a way that observes, appreciates, and builds upon the commonalities but which does not conflate the two traditions, each of which has its own integrity? Making the decision to offer yoga in the church requires humility: a confession that Episcopalians—and even Christians—do not hold the exclusive pathway to communion with the divine.

Developing a Yoga Home Practice Alison Leighton 2021-10-21 This book is ideal for all yoga teachers and trainees looking to create a consistent and personal home yoga practice. Whether you're newly qualified and looking for ways to establish a home practice routine, or have been teaching for a long time and are in need of fresh inspiration, this book is packed with tried-and-

tested advice. Alison Leighton and Joe Taft provide logical and practical guidance in how to successfully use a home environment as an effective platform for teaching. They also show how a deep engagement with your own practice can nurture understanding, creativity and intelligence to the benefit of your students. This book also coaches teachers and trainees to engage in rejuvenating exercises in order to avoid the burnout well-known to many yoga teachers.

A Series of Lessons in Raja Yoga

William Walker Atkinson 2022-05-28

A Series of Lessons in Raja Yoga is a book by William Walker Atkinson. It presents Eastern ways of meditation coupled with asanas; yoga poses for the physical well-being of the body.

Yoga from the Inside Out

Christina Sell 2013-10-23 Are you ready to practice yoga with all the heart and soul that it originally had? Recently a roundtable of America's top yoga teachers agreed that those who fail to understand the true spirit of yoga, using it only for striving, was the greatest challenge faced by the practice today. What is the cost to women using yoga to try and achieve an ideal? What are the benefits of embracing heart-centered yoga and self-acceptance? How can you return yoga to its original spirit?

A Deeper Yoga

Christina Sell 2019-06-01 Christina Sell knows the difference between a surface buzz in the yoga business (for a better, more beautiful "ME"), and its roots as an ancient practice of ethical life and spiritual transformation. With over twenty-five years "on the mat," her voice of courage and sanity has never stopped urging yoga students and teachers alike to take a deeper dive: to confront media hype about body-image and the promise of any quick-fix in favor of a lifelong commitment to wholeness and freedom. This book

is both an epitome of that call, and a practical guide to ongoing self-discovery. As the author of two previous books: *Yoga From the Inside Out* (2003) and *My Body Is a Temple* (2013), Christina Sell holds an international reputation as a gifted and compassionate teacher and trainer of yoga. As a former gymnast who dealt with eating disorders and addictions in her early years, Christina knows how to redirect thoughts and habits of negative body image toward spiritual practice and inner-awakening. *A Deeper Yoga* is for any practitioner or teacher who wants tools and support in finding a loving, expanded relationship with his or her body, mind, emotions and spirit. Her book is for anyone on the path of yoga. Newer yoga students will benefit from the compassionate explanations of the inner journey and find direction in building a stronger foundation of practice. Experienced yoga practitioners will find a refreshing and honest exploration of both the hype and the heart of the work. Teachers of all traditions will benefit from the ongoing reminder that yoga is not only for the body, but for transformation of consciousness and spiritual unfolding. This is a book for the long haul! *A Deeper Yoga* is uniquely aimed at practitioners who initially found help from yoga, but who are now experiencing impatience, discouragement or even disillusionment. It leads the reader to yoga's more esoteric teachings, using language without jargon or unnecessary details. The tone is compassionate, yet strong and authoritative?inviting us to empower our own deeper knowing, yet without watering down the traditional teachings. Topics of body image, self-hatred, eating disorders, addiction and emotional imbalance are considered throughout. Christina

skillfully dismantles the illusions and early conditionings that lead to unrealistic norms of perfection and empower a media-driven standard of beauty. A Deeper Yoga offers an alternative view of genuine beauty.

Meditations on Intention and Being

Rolf Gates 2015 Yoga has never been more popular. Throughout the United States, people are turning to this ancient practice as a response to the pressures of today's hectic world. In *Meditations on Intention and Being*, acclaimed yoga teacher Rolf Gates draws on twenty years of teaching experience to explore and explain how to take the mindfulness of yoga off the mat and integrate it into every aspect of life. Presented in the form of 365 inspirational daily reflections, Gates helps readers-- from experienced yogis to novices seeking a little tranquility--to fundamentally reconsider their relationships with their minds, bodies, and the universe around them

through self-reflection. Over the course of seven chapters, he explores Effortlessness, Nonviolence, The Spirit of Practice, Mindfulness, Compassion and Loving-kindness, Equanimity and Joy, and Intention and Being, giving readers the tools they need to effect positive changes in their lives.

Lessons in Raja Yoga Yogi Ramacharaka 2009-05-01 'Yogi Ramacharaka' was the pen name of William Walker Atkinson, an American attorney, businessman, and author who was instrumental in introducing the concepts of yoga to the West in the nineteenth century. "Raja" yoga is the branch of the practice that addresses the nature of the mind, and imparts techniques to help better manage and control one's mind through meditation and other methods. Yoga enthusiasts and those interested in the spread of Eastern spiritual practices in the West will appreciate this detailed take on the subject.
