How to Do Great Work Without Being an Asshole Paul Woods

2019-03-12 It's long been an accepted, almost celebrated, fact of the creative industries that long hours, chaotic workflows, and egotistical colleagues are just

the price you pay to produce great work. In fact, this toxic culture is the enemy of creativity, and with greater accountability and transparency in the industry?—?and more choice for young talent?—?than ever before, this unsustainable

way of doing business is a ticking time bomb. This is a straight-talking, fun read for all creatives: Director or junior, at an agency or client-side, working in design, advertising, publishing, fashion, or film. Packed with anecdotes, self-analysis flowcharts (are YOU the asshole?!), exercises and action plans for better working practices. Simple strategies can easily be implemented to create a happier, more productive team and?—?importantly?—?

BETTER WORK!.

Presentation Zen Garr Reynolds
2009-04-15 FOREWORD BY
GUY KAWASAKI Presentation designer and internationally acclaimed communications expert Garr Reynolds, creator of the most popular Web site on presentation design and delivery on the Net — presentationzen.com — shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about

making presentations with PowerPoint or Keynote. Presentation Zen challenges the conventional wisdom of making "slide presentations" in today's world and encourages you to think differently and more creatively about the preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business.

Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations.

Keep Going Austin Kleon
2019-04-02 The world is crazy. Creative work is hard. And nothing is getting any easier! In his previous books—Steal Like an Artist and Show Your Work!, New York Times bestsellers with over a million copies in print combined—Austin Kleon gave readers the key to unlock their creativity and then showed

them how to share it. Now he completes his trilogy with his most inspiring work yet. *Keep Going* gives the reader life-changing, illustrated advice and encouragement on how to stay creative, focused, and true to yourself in the face of personal burnout or external distractions. Here is how to *Build a Bliss Station*—a place or fixed period where you can disconnect from the world. How to see that *Every Day Is Groundhog Day*—yesterday’s over, tomorrow may never come, so just do what you can do today. How to *Forget the Noun, Do the Verb*—stop worrying about being a “painter” and just paint. Keep working. Keep playing. Keep searching. Keep giving. Keep living. Keep *Going*. It’s exactly the message all of us need, at exactly the right time.

The Steal Like an Artist Journal
Austin Kleon 2015-10-06 From the New York Times bestselling author of *Steal Like an Artist* and

Show Your Work! comes an interactive journal and all-in-one logbook to get your creative juices flowing, and keep a record of your ideas and discoveries. *The Steal Like an Artist Journal* is the next step in your artistic journey. It combines Austin Kleon’s unique and compelling ideas with the physical quality that makes journals like Moleskines so enormously popular. Page after page of ideas, prompts, quotes, and exercises are like a daily course in creativity. There are lists to fill in—*Ten Things I Want to Learn*, *Ten Things I Probably Think About More Than the Average Person*. Challenges to take. Illustrated creative exercises—*Make a Mixtape* (for someone who doesn’t know you) and *Fill in the Speech Balloons*. Pro and con charts—*What Excites You?/What Drains You?* The journal has an elastic band for place-marking and a special pocket in the back—a “swipe file”

to store bits and pieces of inspiration. Because if you want to steal like an artist, you need a place to keep your loot.

The Daily Show (The Book)

Chris Smith 2016-11-22 NEW YORK TIMES BESTSELLER

The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host.

For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including

Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now,

for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Future-proof Yourself Nikki Bush 2021-07-01 When last did you get lost? We rarely do in the era of Google Maps and Waze, but satellite navigation systems are of no use when disruption turns our lives upside down. When swirling mists of uncertainty block our view of the future, we might question our ability to cope. But with awareness, determination and practise we can improve our competence, build our resilience and confidence, and gain a sense of control, even when everything feels out of control. Whether your life has been disrupted by death, divorce, disease, Covid-19 lockdown,

working from home, moving town, starting a new job, or any of a host of other disruptive events that can either make or break you, this book will guide you to the best possible outcome. Disruption is never comfortable, but regardless of whether it is positive or negative, it is a catalyst for change. *Future-proof Yourself* provides simple but effective lessons and frameworks to help you future-proof yourself to win at both work and life. Dip into chapters on disruption, remote working, resilience, teamwork, leadership and family, and learn how to remain focused, utilise pressure and create a recipe for personal success. A distillation of Nikki Bush's professional insights as a human-potential and parenting expert, this book is a must-read for anyone looking to harness their courage and curiosity to build a rewarding, fulfilling future for themselves no matter what life throws at them.

The Present Spencer Johnson, M.D. 2007-12-18 Another Spencer Johnson #1 Bestseller #1 New York Times Business #1 Wall Street Journal #1 BusinessWeek From the Author of *Who Moved My Cheese?* Dr. Spencer Johnson's stories of timeless, simple truths have changed the work and lives of millions of readers around the world. Now comes an insightful new tale of inspiration and practical guidance for these turbulent times. *Good Things Happen To Those Who Open The Present The Gift That Makes Your Work And Life Better Each Day!* For over two decades, Spencer Johnson has been inspiring and entertaining millions with his simple yet insightful stories of work and life that speak directly to the heart and soul. *The Present* is an engaging story of a young man's journey to adulthood, and his search for *The Present*, a mysterious and elusive gift he first hears about from a great old

man. *The Present*, according to the old man, is "the best present a person can receive." Later, when the young boy becomes a young man, disillusioned with his work and his life, he returns to ask the old man, once again, to help him find *The Present*. The old man responds, "Only you have the power to find *The Present* for yourself." So the young man embarks on a tireless search for this magical gift that holds the secret to his personal happiness and business success. It is only after the young man has searched high and low and given up his relentless pursuit that he relaxes and discovers *The Present*—and all of the promises it offers. *The Present* will help you focus on what will make you happier and more successful in your work and in your personal life, today! Like the young man, you may find that it is the best gift you can give yourself.

you a better salesman, a better executive._x000D_ Help you to handle complaints, avoid arguments, keep your human contacts smooth and pleasant._x000D_ Make you a better speaker, a more entertaining conversationalist._x000D_ Make the principles of psychology easy for you to apply in your daily contacts._x000D_ Help you to arouse enthusiasm among your associates._x000D_ Dale Carnegie (1888-1955) was an American writer and lecturer and the developer of famous courses in self-improvement, salesmanship, corporate training, public speaking, and interpersonal skills. Born into poverty on a farm in Missouri, he was the author of *How to Win Friends and Influence People* (1936), a massive bestseller that remains popular today._x000D_ [The Power of Us](#) Jay Van Bavel
2021-09-07 If you're like most people, you probably believe that

your identity is stable. But in fact, your identity is constantly changing - often outside your conscious awareness and sometimes even against your wishes - to reflect the interests of the groups of which you're a part. And that fluid identity has a powerful influence over your feelings, beliefs, and behaviours. In *THE POWER OF US*, psychologists Packer and Van Bavel integrate their own cutting-edge research in psychology, neuroscience and economics to explain what identity really is and show how to harness its dynamic nature to:

- Increase our productivity -
- Improve physical and psychological health -
- Overcome our individual prejudice -
- Unlock our altruism -
- Break the political gridlock -
- Galvanize others to solve controversial global problems

Along the way, they explain such seemingly unrelated phenomenon as why men cry at football games but not

funerals, why the history of slavery in U.S. counties is one of the best predictors of current day racism, and why Canada keeps a national reserve of maple syrup. Packed with fascinating insights, vivid case studies, and pioneering research, *THE POWER OF US* will change the way you understand yourself - and those around you - forever.

The World Book Encyclopedia
2002 An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Factfulness Hans Rosling
2018-04-03 INSTANT NEW YORK TIMES BESTSELLER
“One of the most important books I’ve ever read—an indispensable guide to thinking clearly about the world.” – Bill Gates
“Hans Rosling tells the story of ‘the secret silent miracle of human progress’ as only he can. But *Factfulness* does much more than that. It also explains why progress is so often secret and

silent and teaches readers how to see it clearly.” —Melinda Gates

"Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." -

Former U.S. President Barack Obama

Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world’s population live in poverty; why the world’s population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time

collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don’t know what we don’t know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn’t mean there aren’t real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an

urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. ---
“This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn't enough. But I hope this book will be.” Hans Rosling, February 2017.

Anything You Want Derek Sivers 2015-09-15 You can follow the beaten path and call yourself an entrepreneur or you can blaze your own trail and really be one. When Derek Sivers started CD Baby, he wasn't planning on building a major business. He was a successful independent musician who just wanted to sell his CDs online. When no one would help him do it, he set out on his own and built an online

store from scratch. He started in 1998 by helping his friends sell their CDs. In 2000, he hired his first employee. Eight years later, he sold CD Baby for \$22 million. Sivers didn't need a business plan, and neither do you. You don't need to think big; in fact, it's better if you don't. Start with what you have, care about your customers more than yourself, and run your business like you don't need the money.

Show Your Work! Austin Kleon 2014-03-06 A guide to self-promotion explains how to become more known by letting other artists glean inspiration from one's original work, sharing illustrations, quotes and stories that demonstrate key strategies in generosity-based self-promotion. By the best
Book of Ideas Radim Malinic 2018-09-07

Evil Plans Hugh MacLeod 2011-02-17 The acclaimed author of Ignore Everybody is back with more irreverent wisdom,

wit, and original cartoons. "It has never been easier to make a great living doing what you love. But to make it happen, first you need an EVIL PLAN. Everybody needs to get away from lousy bosses, from boring, dead-end jobs that they hate, and ACTUALLY start doing something they love, something that matters. Life is short." -Hugh MacLeod

Freud once said that in order to be truly happy people need two things: the capacity to work and the capacity to love. Evil Plans is about being able to do both at the same time. The sometimes unfortunate side effect is that others will hate you for it. MacLeod's insights are brash, wise, and often funny.

Steal Like an Artist Austin Kleon
2012-02-28 You don't need to be a genius, you just need to be yourself. That's the message from Austin Kleon, a young writer and artist who knows that creativity is everywhere, creativity is for everyone. A

manifesto for the digital age, *Steal Like an Artist* is a guide whose positive message, graphic look and illustrations, exercises, and examples will put readers directly in touch with their artistic side. When Mr. Kleon was asked to address college students in upstate New York, he shaped his speech around the ten things he wished someone had told him when he was starting out. The talk went viral, and its author dug deeper into his own ideas to create *Steal Like an Artist*, the book. The result is inspiring, hip, original, practical, and entertaining. And filled with new truths about creativity: Nothing is original, so embrace influence, collect ideas, and remix and re-imagine to discover your own path. Follow your interests wherever they take you. Stay smart, stay out of debt, and risk being boring—the creative you will need to make room to be wild and daring in your imagination.

Rework Jason Fried 2010

"Rework" shows you a better, faster, easier way to succeed in business. You'll learn how to be more productive, how to get exposure without breaking the bank, and tons more counterintuitive ideas that will inspire and provoke you.

Good to Great James Charles

Collins 2001 Can a good company become a great one and, if so, how? After a five-year research project, Collins concludes that good to great can and does happen. In this book, he uncovers the underlying variables that enable any type of organization to

Resonate Nancy Duarte

2013-07-02 Reveals the underlying story form of all great presentations that will not only create impact, but will move people to action Presentations are meant to inform, inspire, and persuade audiences. So why then do so many audiences leave feeling like they've wasted their time? All too often, presentations

don't resonate with the audience and move them to transformative action. Just as the author's first book helped presenters become visual communicators, Resonate helps you make a strong connection with your audience and lead them to purposeful action. The author's approach is simple: building a presentation today is a bit like writing a documentary. Using this approach, you'll convey your content with passion, persuasion, and impact. Author has a proven track record, including having created the slides in Al Gore's Oscar-winning An Inconvenient Truth Focuses on content development methodologies that are not only fundamental but will move people to action Upends the usual paradigm by making the audience the hero and the presenter the mentor Shows how to use story techniques of conflict and resolution Presentations don't have to be boring ordeals. You

can make them fun, exciting, and full of meaning. Leave your audiences energized and ready to take action with Resonate.

I Am Safe. I Am Good. I Am Loved. Lola Carlile Ph D

2016-11-04 Imagine a class of disenchanted, turned-off teens, mostly males. Then imagine those same students feeling poorly about themselves - feeling they are dumb because they have not been told it takes time to learn a second language.

Imagine adults passing through their lives and finally one sticks around to show them they are loved. They are safe. They are good. Just imagine.

Show Your Work! Austin Kleon

2014-03-06 In his New York Times bestseller *Steal Like an Artist*, Austin Kleon showed readers how to unlock their creativity by “stealing” from the community of other movers and shakers. Now, in an even more forward-thinking and necessary book, he shows how to take that

critical next step on a creative journey—getting known. *Show Your Work!* is about why generosity trumps genius. It’s about getting findable, about using the network instead of wasting time “networking.” It’s not self-promotion, it’s self-discovery—let others into your process, then let them steal from you. Filled with illustrations, quotes, stories, and examples, *Show Your Work!* offers ten transformative rules for being open, generous, brave, productive. In chapters such as *You Don’t Have to Be a Genius*; *Share Something Small Every Day*; and *Stick Around*, Kleon creates a user’s manual for embracing the communal nature of creativity— what he calls the “ecology of talent.” From broader life lessons about work (you can’t find your voice if you don’t use it) to the etiquette of sharing—and the dangers of oversharing—to the practicalities of Internet life (build a good

domain name; give credit when credit is due), it's an inspiring manifesto for succeeding as any kind of artist or entrepreneur in the digital age.

The Five Love Languages Gary Chapman 2016-06-30 In *The 5 Love Languages*, you will discover the secret that has transformed millions of relationships worldwide.

Whether your relationship is flourishing or failing, Dr. Gary Chapman's proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner starting today.

Big Magic Elizabeth Gilbert 2015-09-22 The instant #1 NEW YORK TIMES Bestseller "A must read for anyone hoping to live a creative life... I dare you not to be inspired to be brave, to be free, and to be curious."

—PopSugar From the worldwide bestselling author of *Eat Pray Love* and *City of Girls*: the path to the vibrant, fulfilling life

you've dreamed of. Readers of all ages and walks of life have drawn inspiration and empowerment from Elizabeth Gilbert's books for years. Now this beloved author digs deep into her own generative process to share her wisdom and unique perspective about creativity. With profound empathy and radiant generosity, she offers potent insights into the mysterious nature of inspiration. She asks us to embrace our curiosity and let go of needless suffering. She shows us how to tackle what we most love, and how to face down what we most fear. She discusses the attitudes, approaches, and habits we need in order to live our most creative lives. Balancing between soulful spirituality and cheerful pragmatism, Gilbert encourages us to uncover the "strange jewels" that are hidden within each of us. Whether we are looking to write a book, make art, find new ways to address

challenges in our work, embark on a dream long deferred, or simply infuse our everyday lives with more mindfulness and passion, Big Magic cracks open a world of wonder and joy.

Betcha Didn't Know That! Leon Castner 2007-01-01

Ghost of a Rose Steven K. Craig 2012-11-27 Includes the booklet Narcissism "The Killer of Love" What could drive an individual who is emotionally strong and highly successful, with a hearty appetite for life, to suddenly lose all desire to live? What could possibly strip a religious person of all belief in God with the blink of an eye? Those vital questions are

about to be answered. A Beautifully Disturbing Saga of Love and Survival. Within the throes of a madly passionate romance is the most ghastly soul rape and mind crime conceivable. The Great American "Psychopathic" Love Story exists in a world where nothing is real as perceived. Beneath the surface of what seems to be a fairy tale romance is the outline for what may very well be the perfect murder, and if you are naive enough to think it can't happen to you, you're wrong... dead wrong. Steven lives a life that most can only dream of. At a young age, he achieved fame in the music industry with the now iconic heavy metal band Slayer, and later as a world-renowned airbrush artist. He has everything that a man could want, except for what he desires most, which is, true love. A handsome, successful, charming man that lives and breathes romance, but has been unable to find the one

woman that can captivate his heart. One glorious afternoon, Ashley stumbles into his life, and she is everything that he's hoped for and dreamed of. Their story begins as a passionate, tender, and erotic tale of two people falling in love. Together they seem to have the love that dreams are made of and fairy tales are written about. But do they really? Sometimes when it seems too good to be true, the love of your life may not be the person you think they are. On the surface, Steven and Ashley are the quintessential portrait of an enchanted romance, but underneath an illusion of ideal love is a transparent layer of lies, manipulation, and deceit. Unknowingly, Steven has become trapped in the lethal world of a pathological psychopath. Be prepared to have every one of your emotions assaulted by this unique true story. You will laugh, feel the passion and intense love, you'll

get angry, experience excruciating pain, and yes, there will be tears. Live the story as the author experienced it. A memoir that is insanity in the raw, and just when you think it is all over, it begins again before leading to a shocking ending that will not soon be forgotten. Ghost of a Rose is the first romance of its kind. Without any knowledge of its existence, the author documented from the beginning to end of his relationship with a pathological narcissist. The media has incorrectly portrayed Narcissistic Personality Disorder long enough. This is the true nature of the beast, and as melodramatic it may seem at times, this is what a victim experiences when having the life sucked out of him or her by an emotional vampire. You'll witness first hand the idealization "honeymoon" stage, the gaslighting phase, the abandonment, the torment, confusion, awakening, and

healing as it all took place. Through the eyes of the author, you'll bear witness to a man systematically destroyed by a narcissist until his life is left in ruin. 'Dynamic personal stylized writing. Brilliant! A death to birth with a delivery that is painful as bloody hell.' - Becky Joyce Reed "This book saved my life!" - Debbie Perez Newspaper Blackout Austin Kleon 2014-03-18 Poet and cartoonist Austin Kleon has discovered a new way to read between the lines. Armed with a daily newspaper and a permanent marker, he constructs through deconstruction—eliminating the words he doesn't need to create a new art form: Newspaper Blackout poetry. Highly original, Kleon's verse ranges from provocative to lighthearted, and from moving to hysterically funny, and undoubtedly entertaining. The latest creations in a long history of "found art,"

Newspaper Blackout will challenge you to find new meaning in the familiar and inspiration from the mundane. Newspaper Blackout contains original poems by Austin Kleon, as well as submissions from readers of Kleon's popular online blog and a handy appendix on how to create your own blackout poetry.

Paint Mojo - A Mixed-Media

Workshop Tracy Verdugo

2019-07-16 Break free of your comfort zone, sharpen your perception, and find happiness in play. Paint Mojo is not about replicating particular techniques; it is about play and spontaneity.

Tracy Verdugo gives encouragement to overcome fear of doing something wrong in painting. There are no mistakes--only opportunities to grow.

Incorporating various media (including pastels, acrylic paints, ink, collage and more), this book is filled with exercises, self exploration and practical

techniques. They include creation of a personal symbols library, using a grid to break down composition, and drawing on life experiences as prompts. In addition to Tracy's art, 15 talented contributors--Erin Faith Allen, Seth Apter, Orly Avineri, Lisa Sonara Bearn, Jessica Brogan, Juliette Crane, Kecia Deveney, Louise Gale, Jess Greene, e'Layne Koenigsberg, Laurie Mika, Peter Perez, Jesse Reno, Mary Beth Shaw, Roxanne Evans Stout, and Judy Wise--share lessons, exercises, tips and inspiration.

It's Okay to Cry Altovise Pelzer

2016-03-10 Your tears are strength! The world has conditioned us to believe that tears are equivalent to being a coward or allowing fear to consume us. That is far from the truth. Yes, our tears display our current level of emotion like fear, anger or frustration but that does not equate to weakness. Have you ever noticed the feeling of relief after crying or

how we can laugh so hard that tears form in our eyes. Our tears are a reminder that we are human but it should also give us a deeper connection with Jesus, who in human form cried after the death of his friend Lazarus. Stop allowing the world to dictate where your strength comes from! "He gives strength to the weary and increases the power of the weak" Isaiah 40:29 Today is your day to..... * Stop fighting the tears * Find power in your tears * Become a shoulder for someone fighting back tears * Realize that God sees your tears

Entrepreneur Dave O'Brian 2016-12-27 ** (Free "5 Life-Changing Habits You Can Begin Today" Inside) Consistently ranked among the world's wealthiest people, Buffett is known for his frugality, calculated financial practices, and philanthropy. In this book Condon does what she does best—bring bold and colorful flair to smart, creative, down-to-earth advice and inspiration.

The Rubber Brain Sue Morris
2018-07-30 Failed an exam, bungled an interview, screwed up a relationship, broken your diet, or stuffed up at work? Your brain is the key to getting back on track. Change your life for the better. Learn how to 'rubberise' your brain, making it more flexible and resilient. Deal with challenges in an optimal way, and 'bounce' back from adversity. Your brain controls your

conscious thoughts and behaviours, like deciding whether to study or party, or whether to get two scoops of gelato or six. And when you find yourself doing things that you wish you hadn't done (like all that gelato), it's likely your brain has indulged in what psychological scientists call suboptimal thinking. Essentially, your brain doesn't always deliver the kind of thinking that leads to desired positive outcomes, such as maintaining supportive friendships, and doing well in your work, studies and social life. But you and your brain can do better. In this book, five leading psychological educators show you simple tools derived from solid science covering everything from positive psychology to goal setting, from mindfulness to CBT, and from emotional regulation to moral reasoning, to optimise your thinking. Using a model they have developed over years of study and application

you can discover how resilience and psychological flexibility combine to allow you to choose ways of thinking in response to different situations that will produce the best outcome for you for that situation. Read this book and learn how to optimally tackle issues of motivation, stress, time-management, and relationship maintenance. Your mind will be clearer and your life better.

Old In Art School Nell Irvin Painter 2018-06-19 A finalist for the National Book Critics Circle Award, this memoir of one woman's later in life career change is "a smart, funny and compelling case for going after your heart's desires, no matter your age" (Essence). Following her retirement from Princeton University, celebrated historian Dr. Nell Irvin Painter surprised everyone in her life by returning to school—in her sixties—to earn a BFA and MFA in painting. In *Old in Art School*, she travels from her beloved

Newark to the prestigious Rhode Island School of Design; finds meaning in the artists she loves, even as she comes to understand how they may be undervalued; and struggles with the unstable balance between the pursuit of art and the inevitable, sometimes painful demands of a life fully lived. How are women and artists seen and judged by their age, looks, and race? What does it mean when someone says, "You will never be an artist"? Who defines what an artist is and all that goes with such an identity, and how are these ideas tied to our shared conceptions of beauty, value, and difference? Bringing to bear incisive insights from two careers, Painter weaves a frank, funny, and often surprising tale of her move from academia to art in this "glorious achievement—bighearted and critical, insightful and entertaining. This book is a cup of courage for everyone who wants to change their lives" (Tayari

Jones, author of *An American Marriage*).

The Office of Historical

Corrections Danielle Evans

2020-11-10 WINNER OF THE 2021 JOYCE CAROL OATES PRIZE NAMED A BEST BOOK OF 2020 BY O MAGAZINE, THE NEW YORKER, THE WASHINGTON POST, REAL SIMPLE, THE GUARDIAN, AND MORE FINALIST FOR: THE STORY PRIZE, THE L.A. TIMES BOOK PRIZE, THE ASPEN WORDS LITERARY PRIZE, THE CHAUTAUQUA PRIZE “Sublime short stories of race, grief, and belonging . . . an extraordinary new collection . . .”

—The New Yorker “Evans’s new stories present rich plots reflecting on race relations, grief, and love . . .” —The New York Times Book Review, Editor’s Choice “Danielle Evans demonstrates, once again, that she is the finest short story writer working today.” —Roxane Gay, The New York

Times—bestselling author of *Difficult Women* and *Bad Feminist* The award-winning author of *Before You Suffocate Your Own Fool Self* brings her signature voice and insight to the subjects of race, grief, apology, and American history. Danielle Evans is widely acclaimed for her blisteringly smart voice and X-ray insights into complex human relationships. With *The Office of Historical Corrections*, Evans zooms in on particular moments and relationships in her characters’ lives in a way that allows them to speak to larger issues of race, culture, and history. She introduces us to Black and multiracial characters who are experiencing the universal confusions of lust and love, and getting walloped by grief—all while exploring how history haunts us, personally and collectively. Ultimately, she provokes us to think about the truths of American history—about who gets to tell

them, and the cost of setting the record straight. In “Boys Go to Jupiter,” a white college student tries to reinvent herself after a photo of her in a Confederate-flag bikini goes viral. In “Richard of York Gave Battle in Vain,” a photojournalist is forced to confront her own losses while attending an old friend’s unexpectedly dramatic wedding. And in the eye-opening title novella, a black scholar from Washington, DC, is drawn into a complex historical mystery that spans generations and puts her job, her love life, and her oldest friendship at risk.

Greenlights Matthew

McConaughey 2020-10-20 #1

NEW YORK TIMES

BESTSELLER • Discover the life-changing memoir that has inspired millions of readers through the Academy Award®-winning actor’s unflinching honesty, unconventional wisdom, and lessons learned the hard way

about living with greater satisfaction. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE GUARDIAN “McConaughey’s book invites us to grapple with the lessons of his life as he did—and to see that the point was never to win, but to understand.”—Mark Manson, author of *The Subtle Art of Not Giving a F*ck* I’ve been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers,

prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges—how to get relative with the inevitable—you can enjoy a state of success I call “catching greenlights.” So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and

laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights—and to realizing that the yellows and reds eventually turn green too. Good luck.

The Progress Principle Teresa Amabile 2011-07-19 What really sets the best managers above the rest? It's their power to build a cadre of employees who have great inner work lives—consistently positive emotions; strong motivation; and favorable perceptions of the organization, their work, and their colleagues. The worst managers undermine inner work life, often unwittingly. As Teresa Amabile and Steven Kramer explain in The Progress Principle, seemingly mundane workday events can make or break employees' inner work lives. But it's forward momentum in meaningful work—progress—that creates the best inner work lives. Through rigorous analysis of nearly 12,000

diary entries provided by 238 employees in 7 companies, the authors explain how managers can foster progress and enhance inner work life every day. The book shows how to remove obstacles to progress, including meaningless tasks and toxic relationships. It also explains how to activate two forces that enable progress: (1) catalysts—events that directly facilitate project work, such as clear goals and autonomy—and (2) nourishers—interpersonal events that uplift workers, including encouragement and demonstrations of respect and collegiality. Brimming with honest examples from the companies studied, *The Progress Principle* equips aspiring and seasoned leaders alike with the insights they need to maximize their people's performance.

Show Your Work Jane Bozarth
2014-04-22 Organizations struggle to capture tacit knowledge. Workers struggle to find answers

and information across organizational databases and boundaries and silos. New comfort with social sharing, combined with the proliferation of new social tools, offer easy, useful means of sharing not just what we do but how we get things done. For the organization this supports productivity, improves performance, encourages reflective practice, speeds communication, and helps to surface challenges, bottlenecks, and that elusive tacit knowledge. For the worker it illuminates strengths, talents, struggles, and the reality of how days are spent. For the coworker or colleague it solves a problem, saves time, or builds on existing knowledge. And for management it helps to capture who does what, and how, and otherwise makes visible so much of what is presently opaque. What does showing work mean? It is an image, video, blog post, or use of another tool, or just talking to describe

how you solved a problem, show how you fixed the machine, tell how you achieved the workaround, explain how you overcame objections to close the deal, drew the solution to the workflow problem, or photographed the steps you took as you learned to complete a new task. Some of the most effective examples of showing work offer someone explaining how/why they failed, and how they fixed it. Show Your Work offers dozens of examples of individuals and groups showing their work to the benefit of their organizations, their industries, and themselves. Show Your Work offers dozens of real examples of showing work, supported with tips for how to help it happen, how leaders can lead by showing their own work, and how L&D can extend its reach by showing its own work and helping others show theirs.

Summary of "The 5-Second Rule"

by [Mel Robbins](#) - Free book by [QuickRead.com](#) QuickRead Want more free books like this?

Download our app for free at <https://www.QuickRead.com/App> and get access to hundreds of free book and audiobook summaries. The easy-to-follow guide to learning how to awaken your inner passions and become influential at work, step out of your comfort zone, and control your emotions to help with addictions and depression.

Description The 5-second rule is the opportunity to bring change in your life by teaching you one simple thing: HOW to change. By counting backward from five, you will learn how to wake up your inner genius, leader, rock star, athlete, artist, or whatever passion you have inside. Full of real-life testimonies of people who used this rule in unique ways to take charge of their lives, you can adopt this technique as well to change the trajectory of your life. Use the

technique in a variety of ways: become influential at work, step out of your comfort zone, become more effective at networking, self-monitor as well as control your emotions and help with addictions and depressions. Similar to Nike's tagline "Just Do It!" which refers to what you need to do, the 5-second rule tells you how to do it. By using the word "just," Nike acknowledges that we all struggle with pushing ourselves to be better and that we are not alone in this struggle. It acknowledges that we all need a push sometimes to get started, and by using the 5-second rule

Meg Robbins helps give you that push!
