Suzuki GSX-R & Katana (GSX-F) Owners Workshop Manual Alan Ahlstrand 1993

Adventure Motorcycle Maintenance Manual Greg Baker 2019-05-28 The Adventure Motorcycle Maintenance Manual is the definitive guide to keeping an adventure motorcycle running in the way it should. Written for the rider who wants to be self-reliant while on the road, the book takes the reader through a series of practical, hands-on techniques designed to keep the bike in peak riding condition. In the classic Haynes style, the book uses picture-led chapters and clear step-by-step instructions to demonstrate the skills needed for basic maintenance both at home and on the trail.

How to Restore Norton Commando Chris Rooke 2019-11-12 This How to Restore Norton Commando manual is aimed at owners and enthusiasts of the legendary Norton Commando, and covers all areas of restoration from the sourcing of the bike to its completion as a fully restored machine. Starting with advice on the different models, spares availability and where best to source a bike to restore, the book then covers the complete dismantling and restoration of the bike. Describing the engine, frame, gearbox, wheels, suspension and forks, brakes, ancillaries, bodywork, and electrics, the text is illustrated with hundreds of clear colour photos. What really sets this manual apart is the style in which it is written: not as some dull and distant workshop manual but in a friendly, humorous manner by an enthusiast of many years who is able to involve and entertain the reader, as well as providing a thorough and detailed restoration guide. This is the fourth restoration guide from an author whose previous works have been a massive hit with mechanics, enthusiasts and restorers throughout the world.
