It will not waste your time. put up with me, the e-book will agreed way of being you other concern to read. Just invest tiny epoch to gate this on-line revelation **The Promised Land From Joshua To The First Leaders Of Israel Awesome Adventure Bible Stories** as well as review them wherever you are now.

Joshua and the Promised Land Russell M. Stendal 2016-12-24 A Commentary - Joshua 1-11 Joshua and the Promised Land is an insightful analysis of the conditions required for God's people to cross the Jordan River, enter the Promised Land, and win their battles. The types and figures from the book of Joshua are key foreshadows of what is required for us to enter into the fullness of our God-given inheritance and blessing today. About the Author Russell Stendal, a former hostage of Colombian rebels, is a lifelong missionary to that same group in the jungles of Colombia. He is an influential friend to military and government leaders in Colombia, Cuba, Mexico, Venezuela, and the United States. Russell's ministry shares the gospel via twelve radio stations, hundreds of thousands of Bibles, books, and movies distributed through airplane parachute drops, and numerous speaking engagements for groups of leaders, prisoners, and individuals. Russell goes wherever the Lord leads, whether it's to speak with a president or to go deep into the jungle to help an individual in trouble. He has witnessed thousands commit their lives to Christ. *Joshua in the Promised Land* Miriam Chaikin 1982 Retells the Biblical story of Joshua who, in succeeding Moses as the leader of the Israelites, masterminded the conquest of Canaan, the Promised Land. **The David Story: A Translation with Commentary of 1 and 2 Samuel** Robert Alter 2009-10-21 "A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, The David Story is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Fierce Faith Alli Worthington 2018-01-23 Stop the cycle of worry and stress with Fierce Faith, which offers real strategies, biblical truths, and woman-to-woman encouragement for coping with life's big fears and little everyday worries. Sometimes Jesus's call to "fear not" seems like the hardest instruction to follow. Some days you faultlessly juggle everything that is your life--kids, husband, house, job, church, friendships, school, pets, appointments, and on and on. Other days the very thought of which ball you're going to drop puts your anxiety level through the roof. You're afraid you're forgetting something. And you are: God's advice to fear not. Popular podcaster and author of The Year of Living Happy Alli Worthington knows all about the ways a woman can be hard on herself. She shares her own fear struggles with humor and honesty--while offering real strategies for coping with life's big worries as well as those little everyday worries. Alli uses biblical wisdom and practical insight to help you: Identify fear-based thinking. Overcome the big and little worries in life. Learn a simple trick to stop the anxiety spiral. Live a more confident, less worried life. Grab a cup of coffee and sit down for some encouragement from a friend. Alli's no-nonsense, wise advice will lighten your heart and help you cut through the daily clutter of fear and worry to reconnect with your own fierce faith.

The Tony Evans Bible Commentary Tony Evans 2019-10-01 Tony Evans is one of the most influential church leaders of our time and has been studying and preaching the Gospel for over 50 years. He is senior pastor of Oak Cliff Bible Fellowship in Dallas, TX and founder of The Urban Alternative, a ministry which promotes a kingdom agenda philosophy designed to enable people to live all of life underneath the comprehensive rule of God. The Tony Evans Bible Commentary includes an introduction to each Bible book followed by passage-by-passage exposition of the entire Bible by Dr. Tony Evans. In addition, there is a special front matter section with introductory resources. The insights in this commentary will help explain God's Word in a fresh way. Applying these truths will empower readers to have transformed lives that then transfer the values of the kingdom of God to others. The Tony Evans Bible Commentary features the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-changing message and to share it with others.

War, Memory, and National Identity in the Hebrew Bible Jacob L. Wright 2020-07-23 The Hebrew Bible is permeated with depictions of military conflicts that have profoundly shaped the way many think about war. Why does war occupy so much space in the Bible? In this book, Jacob Wright offers a fresh and fascinating response to this question: War pervades the Bible not because ancient Israel was governed by religious factors (such as "holy war") or because this people, along with its neighbors in the ancient Near East, was especially bellicose. The reason is rather that the Bible is fundamentally a project of constructing a new national identity for Israel, one that can both transcend deep divisions within the population and withstand military conquest by imperial armies. Drawing on the intriguing interdisciplinary research on war commemoration, Wright shows how biblical authors, like the architects of national identities from more recent times, constructed a new and influential notion of peoplehood in direct relation to memories of war, both real and imagined. This book is also available as Open Access on Cambridge Core.

Joshua in the Promised Land Miriam Chaikin 1990-10 Retells the Biblical story of Joshua who, in succeeding Moses as the leader of the Israelites, masterminded the conquest of Canaan, the Promised Land.

Journey to the Promised Land Carol Greene 1995 A retelling in verse of how God led the Israelites through the desert into the land of Canaan.

Courageous Faith Amy Craighead 1918-09-07 So often we ask the questions, "What is my purpose? Why am I here, walking this earth?" Not only are we are created to worship and be in relationship with God, our Creator, we have ground to claim, just like the Israelites. Claiming our earthly promised land (our purpose) is intricately woven into who we are, our relationship with the Lord, and His will. It's easy to think our purpose is something big, grandiose, and far off. In reality, it's probably a lot closer than you realize. Where has God called you? What has He already placed in your path and on your heart? As we study the Book of Joshua together, we explore what your promised land looks like-that purpose. Through Joshua's experiences, obedience, and relationship with the Lord, we learn what it takes to identify and claim your ground. Diving deep into God's Word, life tools will be presented as we apply them to our own life and circumstances. Throughout this journey we consider what it means to authentically live from a place where our identity is based on who we are as God's creation in Christ, rather than what we do. You may know the Bible story of the walls of Jericho tumbling down, but Joshua's journey with the Israelites is so much deeper. Faith is an action word, and Joshua's life is filled with deep faith and courageous obedience as he lived out the promises of God. Join me as we explore the Book of Joshua. Each step of the journey will allow our faith to take root deep into your heart, resulting in a close walk with the Lord and claimed ground. *Oxford Bibliographies* Ilan Stavans "An emerging field of study that explores the Hispanic minority in the United States, Latino Studies is enriched by an interdisciplinary perspective. Historians, sociologists, anthropologists, political scientists, demographers, linguists, as well as religion, ethnicity, and culture scholars, among others, bring a varied, multifaceted approach to the understanding of a people whose roots are all over the Americas and whose permanent home is north of the Rio Grande. Oxford Bibliographies in Latino Studies offers an authoritative, trustworthy, and up-to-date intellectual map to this ever-changing discipline."--Editorial page.

Joshua in the Promised Land Miriam Chaikin 1982 Retells the Biblical story of Joshua who, in succeeding Moses as the leader of the Israelites, masterminded the conquest of Canaan, the Promised Land.

Joshua and the promised land Roy H. May 1968

Desert - The Promised Land Anne de Graaf 2015-01-26 Volume 5 portrays the books of Numbers and Deuteronomy, as well as the first four chapters of Joshua. The stories, told in chronological order, cover the rest of the journey to Canaan, Moses' surrender of leadership to Joshua and crossing the River Jordan.

[A Promised Land](#) Barack Obama 2020-11-17 A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD NOMINEE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Jennifer Szalai, The New York Times • NPR • The Guardian • Marie Claire In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. A Promised Land is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of "hope and change," and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.

The New Moody Atlas of the Bible Barry J. Beitzel 2009-10-01 The Moody Atlas of Bible Lands integrates the geography of Bible lands with the teachings of the Bible. Its one hundred thousand words provide useful commentary for more than ninety detailed maps of Palestine, the Mediterranean, the Near East, the Sinai, and Turkey. Learn of God's protection and guidance by following Israel's forty-year sojourn in the wilderness. Appreciate the results of the Great Commission to 'teach all nations' by seeing the scope of Paul's three missionary journeys. Dr. Barry Beitzel has blended the topographical and historical in multi-colored maps that accurately reflect evangelical Christianity. Pages of timeless information aid in sermon preparation and in personal Bible study. The Moody Atlas of Bible Lands is an invaluable asset to Sunday school teachers and to seminary and Bible college students. Text and unique maps make this one of the most useful and accurate atlases available today.

The Joshua Generation Rachel Havrelock 2022-03-29 "The Joshua Generation examines the book of Joshua's many lives, from its relationship to ancient political forms to the present Israeli Occupation. Its scope encompasses the nationalist celebrations and the stringent critiques of the biblical volume along with their impacts on political discourse and lived space"--

Study Joshua Jason Dexter 2020-03-02 The book of Joshua marks a transition for the Israelites. They have been slaves in Egypt for four hundred years. During this time in captivity they have been praying for deliverance and looking forward to the time when they can return back to the Promised Land, promised to Abraham and his descendants hundreds of years before. Now they are the doorstep. But it will not be as easy as they may have anticipated. Battles within and without lay in store...The Study and Obey Bible study series helps you to navigate through the passages either for personal or group study. Our goal is not only to help you understand the rich principles found in Joshua, but most importantly know how to live out. Our easy to follow Joshua study contains: - 15 passage by passage lessons to take you or your group through Joshua one section at a time.- Discussion questions for each passage to stimulate critical thinking and group discovery of the important principles.- Thematic and relevant cross-references to save your time flipping through the Bible while having related verses at your finger-tips.- Hundreds of teaching points and observations to help you understand the text in a deep, but practical way. Emphasis is placed on obedience throughout.- Over 60 practical applications designed to show how Joshua is relevant to our lives today and encourage obedience in response to the text.If you have been spending (or wasting) a lot of time trying to find study materials for this book, our Study Joshua E-book can help. The lessons are designed for everyday believers rather than for academic scholars. We hope you will enjoy the fifteen lessons inside as you draw close to God and help others to know Him better

זלג פליסקין Zelig Pliskin 1975

Deuteronomy Joshua James David Malm 2016-05-29 The fifth book of Moses makes clear that possession of the physical promised land by Israel is absolutely dependent on Israel following and living by every Word of God. This is an analogy that entry into the spiritual Promised Land of Eternal Life is also absolutely dependent on our zealously following and dedicatedly living by every Word of God. The Canaanites were used by God as an example of the total destruction of sin and unrepentant sinners; and The book of Joshua reveals that it is only by a passionate zeal to fearlessly follow the Word of God; that we, through the power of God, can overcome wickedness and sin to inherit the spiritual Promised Land of eternal life.

The Second Media Age Mark Poster 2018-03-08 This book examines the implications of new communication technologies in the light of the most recent work in social and cultural theory and argues that new developments in electronic media, such as the Internet and Virtual Reality, justify the designation of a "second media age".

God Promises - God Delivers Harry Underwood 2005-02-17 This book is a Bible study of the first twelve chapters of the Book of Joshua. It is an attempt to understand the Word of God in the context of the history of the Jewish people and to apply an understanding of the Word of God to the practice of the Christian life in the twenty-first century. The study is focused upon understanding portions of the character of God, love and wrath, and how they are consistent throughout human history. The Book of Joshua completes the redemption of Israel that was begun in the Book of Exodus. The two books taken together provide a continuum of history of the Jewish people. Exodus is the book of redemption of the people of Israel out of Egypt and Joshua is the book of redemption of the people of Israel into the Promised Land.

The Skeletons in God's Closet Joshua Ryan Butler 2014-10-21 How can a loving God send people to hell? Isn't it arrogant to believe Jesus is the only way to God? What is up with holy war in the Old Testament? Many of us fear God has some skeletons in the closet. Hell, judgment, and holy war are hot topics for the Christian faith that have a way of igniting fierce debate far and wide. These hard questions leave many wondering whether God is really good and can truly be trusted. The Skeletons in God's Closet confronts our popular caricatures of these difficult topics with the beauty and power of the real thing. Josh Butler reveals that these subjects are consistent with, rather than contradictory to, the goodness of God. He explores Scripture to reveal the plotlines that make sense of these tough topics in light of God's goodness. From fresh angles, Josh deals powerfully with such difficult passages as: The Lake of Fire Lazarus and the Rich Man The Slaughter of Canaanites in the Old Testament Ultimately, The Skeletons in God's Close uses our toughest questions to provoke paradigm shifts in how we understand our faith as a whole. It pulls the "skeletons out of God's closet" to reveal they were never really skeletons at all.

Crash Course in Jewish History Ken Spiro 2010 From Abraham and the birth of monotheism to the Holocaust and the creations of modern Israel — the Jewish people's progress through time violates all the laws of human history. For centuries, some of the greatest minds have come to appreciate the profound impact that this tiny nation has had on humanity and have tried to unlock the great mystery that the Jewish story presents, asking: How did this people survive against all the odds? Crash Course in Jewish History

explores the 3,800 years of Jewish existence while answering the great question: Why have the Jewish people been so unique and influential yet so relentlessly hated and persecuted? This volume is not only comprehensive and readable; it is also entertaining and enlightening. Historian and author Rabbi Ken Spiro takes the reader on a fascinating and informative journey through time, highlighting the key lessons of Jewish and world history, and most importantly, the profound relevance that the past holds for the future of both the Jewish people and humanity. Novices and scholars alike will find this book to be thought-provoking and insightful — a valuable guide to understanding the challenges we face in the 21st century.

The Great Apostasy James Edward Talmage 1909 *The Great Apostasy: Considered in the Light of Scriptural and Secular History* by James Talmage Edward, first published in 1909, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

The Promised Land 2000-07-14 *The Awesome Adventure Bible Stories Series* is a library of biblical stories from the Old and New Testaments, highlighting people and events and placing a special emphasis on the life of Christ. A short narrative of the action, along with the biblical text and an application section encourage children to focus not only on "who" and "what," but "why" and "how" the lessons learned by men and women of the Bible can be applied to our lives today. Even more, every page comes alive with magnificent color illustrations, reprints of classical religious art, actual color photographs of the places and people of the Holy Land today, and marginal notes describing the locations, names, and customs in detail. This wonderful series makes an excellent assortment of bedtime stories and would be most fitting for family devotions.

Joshua Michael Hattin 2015-01-13 *The Book of Joshua* enumerates the great challenges faced by the ancient Israelites as they enter and settle their promised land, a lengthy process that ultimately takes hundreds of years. Exhausted from their forty-year journey in the desert, the people must overcome earlier failures, confront hostile coalitions on the battlefield, struggle with the inimical cultural values pervasive in Canaan, and make the difficult transition from a nomadic to a settled way of life. Difficult as this may sound, there is yet one burning issue that overshadows the whole enterprise: What are the hallmarks of successful leadership? In *Joshua: The Challenge of the Promised Land*, Michael Hattin brings to life the biblical Book of Joshua, highlighting how the many complex issues faced by the people as they fought to possess their new land mirror and shed light on today's reality. Hattin approaches the text as literary narrative, considering it from the perspectives of rabbinic midrash, medieval commentary

Promised Land American Bible Society 2001-06-01 Illustrated story of the conquest of Palestine containing the Contemporary English Version text, and poems.

New Testament Interpretation I. Howard Marshall 2006-10-01 These eighteen pieces have been commissioned to provide a succinct yet comprehensive guide to the best of recent evangelical thinking about how the New Testament is to be interpreted, so that it may speak most clearly to today's world. The need for such a handbook can be felt more keenly as on the one side a secularized world dismisses the biblical faith as outmoded, unworkable, and unsatisfying; and, on the other, numerous Christian communities, committed to taking that faith with ultimate seriousness, are driven by controversies about how to read and understand the Bible. Following the editor's introduction, in which I. Howard Marshall examines a familiar New Testament passage in order to exemplify the problems and rewards that await the careful interpreter, the essays are arranged under four headings, beginning with overviews of the history of New Testament study and the role of the interpreter's presuppositions in this enterprise; then going on to discuss the various critical tools, the methods of exegesis, and the application of the New Testament to the faith and life of the contemporary reader. An annotated bibliography concludes the presentation. Because the issues involved here have too often been ignored in many quarters, more than one approach to or opinion about a given matter may surface in these essays; yet, undergirding this diversity is the author's shared conviction, as conservative evangelicals with a high regard for the authority of Holy Scripture, that we are called upon to study the Bible with the full use of our minds. As the editor writes, The passages which we interpret must be the means through which God speaks to men and women today. Our belief in the inspiration of the Bible is thus a testimony that New Testament exegesis is not just a problem; it is a real possibility. God can and does speak to men through even the most ignorant of expositors of his Word. At the same time he calls us on to devote ourselves to his Word and use every resource to make its message the more clear.

Reconceiving Infertility Candida R. Moss 2015-08-21 In the Book of Genesis, the first words God speaks to humanity are "Be fruitful and multiply." From ancient times to today, these words have been understood as a divine command to procreate. Fertility is viewed as a sign of blessedness and moral uprightness, while infertility is associated with sin and moral failing. *Reconceiving Infertility* explores traditional interpretations such as these, providing a more complete picture of how procreation and childlessness are depicted in the Bible. Closely examining texts and themes from both the Hebrew Bible and the New Testament, Candida Moss and Joel Baden offer vital new perspectives on infertility and the social experiences of the infertile in the biblical tradition. They begin with perhaps the most famous stories of infertility in the Bible—those of the patriarchs Sarah, Rebekah, and Rachel—and show how the divine injunction in Genesis is both a blessing and a curse. Moss and Baden go on to discuss the metaphorical

treatments of Israel as a "barren mother," the conception of Jesus, Paul's writings on family and reproduction, and more. They reveal how biblical views on procreation and infertility, and the ancient contexts from which they emerged, were more diverse than we think. *Reconceiving Infertility* demonstrates that the Bible speaks in many voices about infertility, and lays a biblical foundation for a more supportive religious environment for those suffering from infertility today.

Sinners in the Hands of an Angry God Jonathan Edwards 2019-08-15 Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

The Book of Joshua Marten Woudstra 1981-03-27 This premier commentary series enjoys a worldwide readership of scholars, pastors, priests, rabbis, and serious Bible students. They eagerly consult in high-quality volumes to inform their preaching, teaching and academic research, and they warmly welcome each newly published volume as they would an encounter with a stimulating new friend. Through the rigorous yet reverent study contained in these commentary volumes, readers hear afresh the voice of the living God speaking his powerful word.

Joshua In The Promised Land Miriam Chaikin 1990-10-01 Retells the Biblical story of Joshua who, in succeeding Moses as the leader of the Israelites, masterminded the conquest of Canaan, the Promised Land.

Hope for Hurting Singles Jack Zavada 2017-09-11 *Hope for Hurting Singles* gives you real weapons in your fight against depression, fear, and bitterness. Author Jack Zavada has been a single adult Christian for more than 40 years. He knows what it's like to deal with loneliness. He's gone through the anger and frustration of unanswered prayer. Through trial and error, Jack has learned what works and what doesn't, and now he shares it all with you. Since 2005, Jack's popular web site, www.inspiration-for-singles.com, has helped singles in over 150 countries. His advice is down-to-earth and solidly biblical. *Hope for Hurting Singles* is not like the typical pep talk from a married pastor or counselor who has forgotten how hard it is to live alone. You'll find fresh insights into the problems every unmarried person goes through behind closed doors. *Hope for Hurting Singles* will make you eager to get up in the morning, renewing your spirit for a joy-filled life. If you're bone-tired of the struggle with singleness, this is the book for you.

Joshua in the promised land Miriam Chaikin 1982 Retells the Biblical story of Joshua who, in succeeding Moses as the leader of the Israelites, masterminded the conquest of Canaan, the Promised Land.

Joshua in the Promised Land Miriam Chaikin 1982 Retells the Biblical story of Joshua who, in succeeding Moses as the leader of the Israelites, masterminded the conquest of Canaan, the Promised Land.

The Promised Land Chris Nicholson 2015-01-31 *The Joshua Model* describes a picture for the workings of the innermost part of the human being that we call the heart. As part of this it describes what processes happen as an individual meets their God through Christ and therefore provides a framework for understanding Christian salvation. Unusually, the Joshua model is not derived, as one might expect, from the New Testament but from the life of Joshua recorded in the Old Testament as he led the tribe of Israel into their place of rest; 'the Promised Land'. The 'Joshua Model' thus outlines a simple framework for understanding the Faith from its internal experience to its outworking in the surrounding society. It should therefore prove useful to both those just starting their faith-walk with Christ as well as those further on in that journey, ministers and counsellors included. Also given here within the Joshua model is the 'Jericho Model', a framework for dealing with spiritual 'strongholds'; areas of behaviour in Christian's lives where 'God's best' is not yet seen. Written by a former natural scientist and geologist, the book brings some surprising insights into the geography and geology of the Promised Land that point to an amazing level of divine design. In tying history, geography and an understanding of human nature together, a level of unity and coherency is ultimately revealed that is unforced and simply 'there' in scripture right under the nose of the reader. The book should therefore encourage faith in Christ.

The First Book of Moses, Called Genesis 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.
