Renoir: An Intimate Biography Barbara Ehrlich White 2017-11-07 A major new biography of this enduringly popular artist by the world's foremost scholar of his life and work Expertly researched and beautifully written by the world's leading authority on Auguste Renoir's life and work, Renoir fully reveals this most intriguing of Impressionist artists. The narrative is interspersed with more than 1,100 extracts from letters by, to, and about Renoir, 452 of which come from unpublished letters. Renoir became hugely popular despite great obstacles: thirty years of poverty followed by thirty years of progressive paralysis of his fingers. Despite these hardships, much of his work is optimistic, even joyful. Close friends who contributed money, contacts, and companionship enabled him to overcome these challenges to create more than 4,000 paintings. Renoir had intimate relationships with fellow artists (Caillebotte, Cézanne, Monet, and Morisot), with his dealers (Durand-Ruel, Bernheim, and Vollard) and with his models (Lise, Aline, Gabrielle, and Dédée). Barbara Ehrlich White's lifetime of research informs this fascinating biography that challenges common misconceptions surrounding Renoir's reputation. Since 1961 White has studied more than 3,000 letters relating to Renoir and gained unique insight into his personality and character. Renoir provides an unparalleled and intimate portrait of this complex artist through images of his own iconic paintings, his own words, and the words of his contemporaries. "Barbara White is a biographer of courage, seriousness and unrelenting honesty. She has read and dissected about 3,000 letters about Renoir written by him, his friends, his family, as well as the newspapers of the day. Practically every member of the Renoir family has entrusted their personal documents to her - a pledge of trust totally deserved. Whenever I am asked a question about Auguste, I write to Barbara to ask her opinion or call on her knowledge, since she has become an indisputable reference for me. She is always careful and verifies facts and contexts by every route possible. The Renoir family, and Auguste himself, are very lucky that Barbara is so passionate about her subject, and I feel personally lucky to know her. I thank her from the bottom of my heart for this work of a lifetime - a magnificent success. I am very pleased that her book has been edited by the quality editors at Thames & Hudson, as it will remain a point of reference for many generations to come." - Sophie Renoir (great-granddaughter of Auguste Renoir, granddaughter of his eldest son Pierre, and daughter of Renoir's grandson Claude Renoir, Jr.), June 7, 2017

Art in the Frick Collection Frick Collection 1996 Overwhelmingly, visitors agree that The Frick Collection in New York City is one of their favorite museums in the world. The elegant Fifth Avenue mansion, built in 1914 for Mr. and Mrs. Henry Clay Frick, houses a unique assemblage of some of the choicest art to be found anywhere. In this book, Charles Ryskamp - the Director of The Frick Collection - introduces the reader to the world of Henry Clay Frick, to the evolution of his collection, as well as to the historical and aesthetic framework within which The Frick Collection attained its eminence. Then, in separate sections devoted to paintings, sculpture, and the decorative arts, written by the curatorial staff, the pages of Art in The Frick Collection offer vibrant reproductions of the famous works, with information on every piece illustrated and magnificent views of the richly furnished room where they are installed. As Sir John Pope-Hennessy has observed: "In The Frick Collection, alone of the great museums of the world, paintings and sculpture of comparable quality are shown side by side". Paintings by Rembrandt, Vermeer, Memling, Velazquez, Constable, and Renoir hang next to some of the finest of Renaissance bronzes, marble portrait busts by such sculptors as Verrocchio and Houdon, and eighteenth-century terracotta figures. Furniture of wood and marble, gilt bronze and porcelain - including pieces made for Marie-Antoinette - match these in importance. Readers will enjoy browsing through this selection of the treasures to be seen in the house built by Mr. Frick, offered here in the most extensive one-volume survey to be published on the renowned Collection.

British Hymn Books for Children, 1800-1900 Dr Alisa Clapp-Itnyre 2016-01-28 Examining nineteenth-century British hymns for children, Alisa Clapp-Itnyre argues that the unique qualities of children's hymnody created a space for children's empowerment. Unlike other literature of the era, hymn books were often compilations of many writers' hymns, presenting the discerning child with a multitude of perspectives on religion and childhood. In addition, the agency afforded children as singers meant that they were actively engaged with the text, music, and pictures of their hymnals. Clapp-Itnyre charts the history of children's hymn-book publications from early to late nineteenth century, considering major denominational movements, the importance of musical tonality as it affected the popularity of hymns to both adults and children, and children's reformation of adult society provided by such genres as missionary and temperance hymns. While hymn books appear to distinguish 'the child' from 'the adult', intricate issues of theology and poetry - typically kept within the domain of adulthood - were purposely conveyed to those of younger years and comprehension. Ultimately, Clapp-Itnyre shows how children's hymns complicate our understanding of the child-adult binary traditionally seen to be a hallmark of Victorian society. Intersecting with major aesthetic movements of the period, from the peaking of Victorian hymnody to the Golden Age of Illustration, children's hymn books require scholarly attention to deepen our understanding of the complex aesthetic network for children and adults. Informed by extensive archival research, *British Hymn Books for Children, 1800-1900* brings this understudied genre of Victorian culture to critical light.

The Collected Essays and Criticism, Volume 3 Clement Greenberg 1995-06 "No American art critic has been more influential than Clement Greenberg. The high priest of 'formalism,' he set in motion an approach to art that has remained prevalent for nearly half a century. . . . In much the same way that Jackson Pollock elevated American painting to international

renown, Mr. Greenberg is the first American art critic whose work can be put on the shelf next to Roger Fry, Charles Baudelaire and other great European critics."--Deborah Soloman, New York Times "His work was so much a part of the dynamics of American culture between, roughly, the end of World War II and the mid-Sixties that it can't be ignored. No American art critic has produced a more imposing body of work: arrogant, clear, and forceful, a permanent rebuke to the jargon and obscurantism that bedeviled art criticism in his time and still does now."--Robert Hughes, New York Review of Books

Renoir, My Father Jean Renoir 1962 In this delightful memoir, Jean Renoir, the director of such masterpieces of the cinema as "Grand Illusion" and "The Rules of the Game," tells the life story of his father, Pierre-Auguste Renoir, the great Impressionist painter. Recounting Pierre-Auguste's extraordinary career, beginning as a painter of fans and porcelain, recording the rules of thumb by which he worked, and capturing his unpretentious and wonderfully engaging talk and personality, Jean Renoir's book is both a wonderful double portrait of father and son and, in the words of the distinguished art historian John Golding, it " remains the best account of Renoir, and, furthermore, among the most beautiful and moving biographies we have." Includes 12 pages of color plates and 18 pages of black and white images.

Picturing Children MarilynR. Brown 2017-07-05 The representation of children in modern European visual culture has often been marginalized by Art History as sentimental and trivial. For this reason the subject of childhood in relation to art and its production has largely been ignored. Confronting this dismissal, this unique collection of essays raises new and unexpected issues about the formation of childhood identity in the nineteenth century and makes a significant contribution to the development of inter-disciplinary studies within this area. Through a range of stimulating and insightful case studies, the book charts the development of the Romantic ideal of childhood, starting with Rousseau's Emile, and attends to its visual, social and psychological transformations during the historical period from which Freud's psychoanalytic theories eventually emerged. Foremost scholars such as Anne Higonnet, Carol Mavor, Susan Casteras and Linda A. Pollock uncover the means by which children became an important conduit for prevailing social anxieties and demonstrate that the apparently ?timeless? images of them that proliferated at the time should be understood as complex cultural documents. Over 50 illustrations enhance this rich and fascinating volume.

Pierre-Auguste Renoir Barbara Somerville 2008-09 Pierre-Auguste Renoir once wrote to a friend, "Although we don't eat every day, I'm still quite cheerful." Like many painters, Renoir was always happy with a paintbrush in his hand. He was a productive Impressionist artist, creating more than 7,000 paintings, drawings, and sculptures during his lifetime. He had no interest in fame, just in painting beautiful pictures. "Why shouldn't art be pretty?" he asked. "There are enough unpleasant things in the world."

Revisiting Renoir, Manet and Degas Lyutsiya Staub 2019-12-16 This work analyses the relationship between visual art and contemporary art fiction by addressing the problem of the ekphrastic re-presentation and re-interpretation of an Impressionist figure painting through its composition, selected details of the painting and allusion to specific techniques used in the process of creating the masterpiece based on the examples of the following novels: Luncheon of the Boating Party (LOTBP) by Susan Vreeland (2007), Mademoiselle Victorine (MV) by Debra Finerman (2007), With Violets (WV) by Elizabeth Robards (2008), Dancing for Degas (DFD) by Kathryn Wagner (2010) and The Painted Girls (TPG) by Cathy Marie Buchanan (2013).

The Impressionists at Leisure Pamela Todd 2007 Draws on diaries, letters, memoirs, and the author's own observations to offer insight into how Impressionist masters reflected the civilization and sensuality of the nineteenth century, in a volume of paintings, photographs, and other ephemera that also evaluates the contributions of Impressionists and Impressionist-inspired artists from other countries.

Once Upon a Picture Sally Swain 2007 Looks at the art of Renoir, Klee, Van Gogh, and Rousseau and imagines what the characters want to do in the painting, why they behave in a specific way, or why the landscaping is presented in a particular fashion.

Peaceful Places: Washington, D.C. Judy Colbert 2012-04-10 Native Washingtonians Judy Colbert and Denis Collins have grown up and lived amid some of the most exciting sightseeing in the country--in their own grand urban backyard. They share this knowledge in *Peaceful Places: Washington, DC*. Now readers can enjoy the sights without being elbow-to-elbow

with visitors from around the country and the world. Their diverse peaceful "finds" unfold in 12 categories of tranquil spots: Day Trips & Overnights, Enchanting Walks, Historic Sites, Museums & Galleries, Outdoor Habitats, Parks and Gardens, Quiet Tables, Reading Rooms, Scenic Vistas, Shops & Services, Spiritual Enclaves, and Urban Surprises. Readers will find places that please the senses of smell, touch, hearing, sight, and taste. In addition to the beautifully written site descriptions, the concise entries also include vital information such as locations for the nearest Metro stations or local parking facilities, admission charges (and any free times), and operating hours. Plus, the authors provide a "peacefulness rating" based on three criteria: always peaceful, usually quite tranquil, or peaceful during the times or seasons specified in the peaceful place entry description. The entries are arranged three ways: alphabetically by name; by category (see all 12 listed above); and by area (keyed to the guidebook's maps). That is so readers can pick a quiet spot according to interest, mood, and location. Although most of the attractions are in the downtown, National Mall, and northwest sections of Washington, many escapes are located beyond those perimeters and on into Northern Virginia and Suburban Maryland. *Peaceful Places: Washington, DC* is not a coffee-table book. It's one to keep in the car, the briefcase, the backpack, or the purse. Whether the reader is a native, who has lived in D.C. long enough to be considered a native, or is a visitor with only a few hours between business meetings or a hectic tourist schedule, this book will be a treasured asset.
