The Life-Changing Magic of Tidying Up - Marie Kondo 2014-10-14

#1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series *Tidying Up* with Marie Kondo: the original guide to decluttering your home once and for all. ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

The Night Watchman - Louise Erdrich 2020-03-03

WINNER OF THE 2021 PULITZER PRIZE FOR FICTION NEW YORK TIMES BESTSELLER WASHINGTON POST, AMAZON, NPR, CBS SUNDAY MORNING, KIRKUS, CHICAGO PUBLIC LIBRARY, AND GOOD HOUSEKEEPING BEST BOOK OF 2020 Based on the extraordinary life of National Book Award-winning author Louise Erdrich's grandfather who worked as a night watchman and carried the fight against Native dispossession from rural North Dakota all the way to Washington, D.C., this powerful novel explores themes of love and death with lightness and gravity and unfolds with the elegant prose, sly humor, and depth of feeling of a master craftsman. Thomas Wazhashk is the night watchman at the jewel bearing plant, the first factory located near the Turtle Mountain Reservation in rural North Dakota. He is also a Chippewa Council member who is trying to understand the consequences of a new "emancipation" bill on its way to the floor of the United States Congress. It is 1953 and he and the other council members know the bill isn't about freedom; Congress is fed up with Indians. The bill is a "termination" that threatens the rights of Native Americans to their land and their very identity. How can the government abandon treaties made in good faith with Native Americans "for as long as the grasses shall grow, and the rivers run"? Since graduating high school, Pixie Paranteau has insisted that everyone call her Patrice. Unlike most of the girls on the reservation, Patrice, the class valedictorian, has no desire to wear herself down with a husband and kids. She makes jewel bearings at the plant, a job that barely pays her enough to support her mother and brother. Patrice's shameful alcoholic father returns home sporadically to terrorize his wife and children and bully her for money. But Patrice needs every penny to follow her beloved older sister, Vera, who moved to the big city of Minneapolis. Vera may have disappeared; she hasn't been in touch in months, and is rumored to have had a baby. Determined to find Vera and her child, Patrice makes a fateful trip to Minnesota that introduces her to unexpected forms of exploitation and violence, and endangers her life. Thomas and Patrice live in this impoverished reservation community along with young Chippewa boxer Wood Mountain and his mother Juggie Blue, her niece and Patrice's best friend Valentine, and Stack Barnes, the white high school math teacher and boxing coach who is hopelessly in love with Patrice. In *The Night Watchman*, Louise Erdrich creates a fictional world populated with memorable characters who are forced to grapple with the worst and best impulses of human nature. Illuminating the loves and lives, the desires and ambitions of these characters with compassion, wit, and intelligence, *The Night Watchman* is a majestic work of fiction from this revered cultural treasure.

American Quilts in the Modern Age, 1870-1940 - Marin F. Hanson 2009-04

Pulitzer Prize-winning historian Laurel Thatcher Ulrich has remarked, "Much of the social history of early America has been lost to us precisely because women were expected to use needles rather than pens." This book, part of the multivolume series of the International Quilt Study Center collections, recovers a swath of that lost history and shows us some of America's treasured material culture as it was pieced and stitched into place. *American Quilts in the Modern Age, 1870-1940* examines the period's quilts from both an artistic and a historical perspective. From pieced block to Crazy style to Colonial Revival examples, as well as one-of-a-kind creations, the full array of style and design appears in this book covering seven decades of quilting. The contributing authors provide critical information regarding the modern and anti-modern tensions that persisted throughout this era of America's coming of age, from the Civil War to World War II. They also address the textile technology and cultural context of the times in which the quilts were created, with an eye to the role that industrialization and modernization played in the evolution of techniques, materials, and designs. With full-color photographs of over 587 quilts, *American Quilts in the Modern Age, 1870-1940* offers a new visual and tactile understanding of American culture and society, bridging the transition from traditional folk culture to the age of mass production and consumption.

The Checker Board Book Six: Yellow Band - Nedler Palaz 2016-08-24

In the late 1880's, Dave Smith finds work at a freight line in a remote mining town as he pursues the reason why renegade Cheyenne chief, Yellow Band, is stealing assay rock samples; and why vindictive Sheriff Gus Tern turns the entire town against him. One of the surprising finds is none other than Andee Piper who now teaches at a local School for Girls. Five years earlier, Dave encounters the teenage irrepressible tom-boy, finds she is now all grown up, and regards Dave in an entire different manner, renewing her efforts toward captivating him. Floyd Wilkins also has notions of exclusive intentions on Andee which soon creates a clash. Maxwell Perkins, a successful mine owner and operator, also sees Andee's unique personality as fascinating. This creates a three way conflict is one which Dave would sooner evade than confront. A near fatal Indian holdup while Dave is driving the freight run points toward his being set up to take the blame for the incident. Instead he tracks the bunch, and after a shootout recovers the wagon. He captures the prize, renegade Chief Yellow Band who does not remain captive long. In a later attack, Dave stands off the horde long enough to survive. Dave pursues the fleeing attackers into the mountains on a rigorous track. Joined by Floyd Wilkins, who grimly rescues Dave from his own folly, the two man hunt becomes a trial of wits against wily Yellow Band. Unable to identify who has been paying off Yellow Band, Dave investigates the gold mines owners and slowly begins to unravel the devious plot to high-grade a mine. Now immersed in identifying the devious scheming behind a killer's organization, Dave doggedly pursues leads that eventually strike pay-dirt. The climax requires all of Dave's grit, honesty, and resolute determination to stay alive.
