[An Alaskan Adventure](#) - Alan R. Adaschik

2014-02

Alan Adaschik's dream was to visit Alaska; America's last frontier and a place which abounds with wildlife and unspoiled wilderness. Upon retirement, Al and his wife Gayle sold everything and bought a thirty-seven foot Damon Intruder motor home to make his dream a reality. "An Alaskan Adventure" is a narrative about Al and Gayle's trip which highlights the places they visited and the wonderful things they experienced along the way. "An Alaskan Adventure" commences in Indiana following a visit with Al's relatives who live there. After negotiating the traffic jams of Chicago, Al and Gayle traveled I-94 across the northern Great Plains visiting Minnesota, North Dakota, and Montana along the way. Heading north, they visited Glacier National Park and continued on to tour Yoho, Banff, and Jasper national parks in Canada. Afterwards, Al & Gayle picked up the Alaskan Highway which took them to a realization of Al's dream. The remainder of the

book is about Al & Gayle's travels around the Great Alaskan Triangle, a circuit of 900 miles defined by the cities of Tok, Fairbanks, and Anchorage. While negotiating this triangle, Al and Gayle's primary goals were to find gold in one of the many streams they crossed and to also find a Woolly Mammoth frozen in a glacier. Toward this end, they took side trips to the White Mountains National Recreation Area, Denali National Park, The Top of the World Highway, and the towns of Homer and Chicken. "An Alaskan Adventure" is not just a book about touring Alaska. Al is an environmentalist and a theme evident throughout the book is that the beauty we find around us is fleeting and that if we, as a species, continue to over-populate our world, what we see and value so highly is sure to go away.

The Lost Tree Of Life - Don Johnson

2014-01-04

Welcome to Beaver Village Pit in Alaska, where botanist Kenai Cranston searches for extinct plants within the frozen tundra of The Last Frontier. During his research Cranston discovers seeds from the Garden Of Eden's Tree Of Life. The tree's seeds are stolen and the fight for the fruit is the beginning of what could become World War III. The Lost Tree takes an intensely personal look at a wide range of human relationships and personality extremes. Characters run from outrageously callous to the extremely tender. The story chronicles senseless human greed mixed with the humor of trying to obtain excessive wealth. Great care is shown in closely tracking mankind's history, while suggesting possible earthly and heavenly mechanisms, which could have been used in generating that history. The Lost Tree Of Life is

a fictional account of what may have been going on behind the scenes during some of mankind's most amazing history.

Out of the Box: a Memoir of an Adoptee -

Patricia Bauer Collins RN 2021-11-16

After years of childhood curiosity, a woman adopted as an infant decides to find her birth mother. It took her years to finally decide to hire a "Search Angel." She got her call only three days later—but she found out that her birth parents had already passed on. However, her birth mother's husband was a joyful fount of information and treated her like his own lost daughter. In *Out of the Box: A Memoir of an Adoptee*, author Patricia Bauer Collins shares her journey to discover her birth parents, as she faces new challenges yet undergoes a great deal of emotional growth. Patricia shares actual letters between her birth mother, Shirley, and Shirley's mother and grandmother regarding "Shirley's problem" when she was just twelve years old. Patricia also tells the story of how she

was able to connect with her half-siblings and other relatives—something more exciting than she had ever imagined—even traveling to her Spanish ancestors' 1842 family adobe outside Santa Barbara. For Patricia, connecting with her origins and with her past made her realize that her ancestors were far more important to her than she had thought. Not only did she discover more about her history and the talents and skills she shared with them; she also discovered more about herself, being rewarded along the way with an astounding epiphany of connection.

Life Is a Road, Ride It Hard! - Daniel Meyer
2005-08

"That would have been unnerving enough, but the shape of the thing convinced me it moved with a purpose. What I saw, just for a moment, was a dragon. Born of lightning and fire, it flew into the air, writhed in the pleasure of its freedom, and screamed in ecstasy as it flew toward me " 10,158 miles. Incredible thunderstorms, raging forest fires, dense smoke,

hail, sleet, cops, a half-a-dozen paramedics, bears, and even a dragon or two you know the usual stuff. Ride the Alaskan Highway all the way there and back again. It's 4365 miles each way, Dallas to Fairbanks

The Ghost Moths - Harry Farthing 2021-02-09
Whilst searching a windswept mountainside for the fabled ghost moth fungus, a young Tibetan boy unearths a mysterious relic. Moments later the People's Liberation Army of China marches into his isolated village in the valley below and begins to dismantle an ancient way of life. As the brutal oppression grows, the boy's precious find becomes first a symbol of hope for the villagers then a tool of survival for a people and a religion. It must be preserved at all costs. Sixty years later, mountain guide Neil Quinn is wrapping up his last climb of the season on the highest mountain in Tibet when a transport shortage leaves him stuck in an empty base camp. An earthquake sets off a chain of mysterious events that directly connect the

English climber to the ongoing tragedies of a troubled land where the Chinese authorities strive still for complete control. Unsure of precisely what he witnessed yet determined to protect its truth, Quinn returns to Kathmandu and enlists the help of a famous historian of the Himalayas, an erstwhile American journalist, and a cast of locals as enigmatic as that ancient city—each with their own reasons for joining his quest. Manipulation and murder dog their every step as they strive to piece together a complex puzzle from Tibet's tortured past while navigating the treacherous present.

U.S. National Forest Campground Guide, Alaska Region - Fred Dow 2010-04-30

Whether you camp in a tent or a recreational vehicle (RV), there are campgrounds in U.S. national forests to satisfy the needs of most campers. The U.S. National Forest Campground Guide, Alaska Region (Alaska), describes 20 developed campgrounds in 2 National Forests located in the state of Alaska. All of the

campgrounds were personally visited and researched by the authors of this Guide. There are more than 50 items of information for each campground, narrative descriptions (including authors' anecdotes), maps displaying the relative location of the campgrounds, and quick look-up tables to help in the selection of a campground. In addition, there are sidebars throughout the Guide containing useful information about camping, the forests, things to do, and the authors' experiences.

Cruising Toward Love - Christi Barth 2016-11-15
Linnea Larson is willing to do anything to keep

her family's Minneapolis dinner theatre from going under. Anything, that is, besides accepting a date from the Hollywood hunk hired to inject a dose of star power into their production of Guys & Dolls. It's a toss up whether his greatest claim to fame is playing a superhero on screen, or a super stud off screen. Neither fact convinces her he's got what it takes to share her stage. Luke Powell has fame, fortune, and an endless string of women, but also a lingering dissatisfaction with his picture perfect life. Looking for a change, he escapes to his theatrical roots. What he finds are wary cast mates, a nervous best friend convinced the show will ruin Luke's career, and an adorable costar who stubbornly refuses to go out with him. Suddenly singing and dancing aren't the only challenges he'll tackle over the summer. Despite Luke dragging her into his daily paparazzi nightmare, Linnea can't deny her mounting attraction to his irresistible charm. And even if she's crazy enough to chance getting involved, their fling would have a

guaranteed expiration date. He's headed back to Hollywood at the end of the run, and she's tied to her family's theatre. Why risk the inevitable heartbreak? Their job is to act like they're in love, but will they decide it's worth the leap to fall in love for real?

Alaska by Motorcycle - Are You Sure You Know What You Are Doing? - Airborne Andy 2013-03-02

11,260 miles, 25 days, 5 bears, 4 tires, 3 close encounters, 2 oil changes, 2x out of gas, 1 crash, 1 fire, 1 blizzard, 1 dog fight, 1 thousand mile day, and 1 conversation with God! "Alaska by

Motorcycle - are you sure you know what you are doing?" is the story of one man's experience braving the unknown on a motorcycle journey into the remote regions of the Yukon, the Northwest Territories, and Alaska. With many years of motorcycling experience but new to long distance Adventure Touring, the author embarks on an unforgettable journey that revitalizes him physically and emotionally. The wilderness, the elements, the solitude, and the sheer distance take their toll as a rookie overland motorcyclist develops into a seasoned Adventure Rider. The experience also has an astonishing impact on the authors' future as it opens the door to a whole new world of exciting possibilities. "Alaska by Motorcycle - are you sure you know what you are doing?" is a Motorcyclist's travel log, of an incredible journey that strengthens his body, stirs his soul, and changes his destiny.

Adventure Guide Alaska Highway - Ed Readicker-Henderson 2006

The most detailed, up-to-date guide to traveling the highway, from BC through the Yukon and Alaska to Prudhoe Bay. Fairbanks, Anchorage, Dawson City, Skagway, Denali National Park, Valdez--these are just some of the destinations covered. Also included are details on alternate highways, such as the Stewart-Cassiar, the Yellowhead, Top-of-the-World, the Richardson and Glenn Highways. The authors talk about where to find wildlife and how to get the best photos; they share their knowledge about the most coveted camping areas; they tell you which historic sites you should take in. An entire chapter is dedicated to the Alaska Marine Highway, a ferry service that serves as a lifeline to Alaska's coastal towns. 30+ maps, color photos.

Leslie's Illustrated Weekly Newspaper - 1915

[Women Pilots of Alaska](#) - Sandi Sumner
2005-01-06

Since the time of its inception, the field of

aviation has rapidly grown in both importance and popularity. The acceptance and recognition of women's participation and achievements in this activity, however, did not develop with nearly the same speed. The first biographical history of women pilots in Alaska, this work explores the challenges faced by women of Alaska as they pursued roles in aviation--something that had long been considered part of "the men's world". Beginning in 1927 with Marvel Crosson and reaching to the present day, 37 adventurous and personal tales are offered, including that of an ultralight flyer, the first woman to become U.S. Aerobatic Champion, a parachute jumper, the first woman to fly in a small airplane over the North Pole and an Iditarod dog musher. Questions about why these women chose to fly; where they learned; when they soloed; what it meant to them to become a pilot; what challenges they faced in such a non-traditional role; and why they chose the skies of Alaska are addressed as these intriguing stories

are told.

Alaska - Bob Devine 2009

All the travel experts agree--consumers want more and different experiences from travel than

they did in the past. They want to deeply understand their destination before they go, feel a meaningful connection to the place while there, and return home feeling enriched and ready to share their experiences with others. With these trends in mind, and the results of extensive, proprietary market research, National Geographic Traveler has been enhanced with engaging new features and a contemporary redesign. Each guide begins with an introduction that enables the traveler to sample a bit of the culture, history, and attractions before they go and plan the trip based on their own interests and length of stay. Travelers can immerse themselves in active, in-country "Experiences" and "Off-the-Beaten-Path Excursions" they won't find anywhere else, like visiting a family in a South African township or learning to cook Maori cuisine with a renowned New Zealand chef. Other new features, such as "Insider Tips" from National Geographic photographers, writers, and experts, as well as

"Not-To-Be-Missed" lists ensure that each person's visit will be one-of-a-kind and memorable. To make the most of these and all the other great new features, the guides' design has been simplified, opened up, and enhanced with easy-to-read tinted sections. Gorgeous color photographs, high-quality maps, and the popular walking and driving tours are still highlights of our crisp, new look. To complete the update, our new covers boast a striking, single image of the destination, along with the clear National Geographic branding that signifies quality, trust, and all the best in travel. With more than a century of travel expertise, new content, and a new look, National Geographic Traveler is the right guide at the right time--poised to meet the changing needs of today's traveler better than ever and better than anyone. Alaska is America's last frontier. Get the latest on native arts, bear watching, dog sledding, gold panning, and more. [American Motorcyclist](#) - 1995-02-17

The Savvy Guide to Motorcycles - Shirley Duglin Kennedy 2005

Presents a history of motorcycles, how they work, how to become street legal, the best types of motorcycles to buy, and more.

The Adventurous Motorcyclist's Guide to Alaska - Lee Klancher 2011-11

Put one of the most knowledgeable motorcycle tour guides in Alaska in your pocket with this witty, fun book that brings to life the best roads and off-beat destinations in the state. The content focuses on the Alaska dirt and paved highways, but also includes the Canadian highways of interest as well as the Alaska Highway from Dawson Creek, British Columbia

to Delta Junction, Alaska.

[A Question of Innocence](#) - DeNise Woodbury
2014-12-22

Everyone has a family history, those little stories that include grandma's recipes for chocolate pie and the sad truth that Aunt Helen embezzled the church building fund. That is everyone but Annabelle Bruster. She has no family recipes or funny stories. Instead she has a momma, daddy, brother, and a secret. Her fiance, Marc Hutchens, has a family tree that stretches back generations. When he finally asks the fateful question of "where are you from," she decides it's time to finally uncover the answers. But you should always be careful what you ask for. Instead of rich relatives and sweet memories she finds mystery and murder. Sometimes the past is best left behind, especially when there is a question of guilt and innocence. Can Annabelle let go of what she learns to navigate a new path with Marc or will the past destroy her future?
Murder, She Wrote: The Ghost and Mrs.

Fletcher - Jessica Fletcher 2016-09-06

Now in paperback in the USA Today bestselling series—Jessica Fletcher cleans house to catch a killer who hasn't got a ghost of a chance.

UNREAL ESTATE Jessica's friend, Eve Simpson, has recently taken on the task of selling one of Cabot Cove's oldest properties—the Spencer Percy House. Its current occupant, Cliff Cooper, is convinced he's about to die and wants the house sold so he can give the proceeds to his grandson. But Eve's got quite a challenge on her hands. Not only is the building in deplorable physical condition, it is also rumored to be haunted. When Cliff's deadly premonition becomes a reality, some people aren't sure he died of natural causes. Now, as Jessica tries to get to the bottom of Cliff Cooper's death, a medium hired by Eve attempts to rid the house of the alleged apparition. But if Jessica isn't careful, she may be the one who joins the ranks of the dearly departed.

Alaska Highway - Ed Readicker-Henderson

20012-06-15

The most comprehensive and enjoyable guide to traveling the highway, from British Columbia up to Prudhoe Bay. Covers Fairbanks, Anchorage, Denali National Park, Valdez and much more.

Filled with inside tips on where to see wildlife, the sites you shouldn't miss, the best places to camp. You'll also find information on sidetrips along alternate highways: the Top-of-the-World, the Haines, the Stewart-Cassiar, the South Klondike, the Richardson and the Glen. A one-stop resource for Alaska-bound travelers.

Includes a detailed chapter on the Alaska Marine Highway, the ferry system that is one of the best ways to see and reach otherwise inaccessible areas. While the Milepost will give you every pullout and scenic view on the highway, this book is great reading about what to do, and what to see on your way. The information is very accurate and interesting. In this book, when you look up a certain place you end up reading on and on.--Amazon.com customer I recently rode

my motorcycle up the Alaska Highway and space was pretty limited. I photocopied pages out of various other books, but brought this one along intact. It stayed in my tankbag every day, was brought out at every meal, and was pored over in hotel rooms at night. I'm also a writer, and my Adventure Guide to the Alaska Highway became my de facto notebook on the trip--post-it notes of every color peek out from its pages; notes line the margins. There are a finite number of places to stop along the Alaska Highway; most guidebooks will give you pretty much all of them. What makes this one different is its tone. The authors obviously enjoy both the road and writing about it. Personal anecdotes are lightly sprinkled into the text, giving the impression that yes, the authors know what they're talking about. I learned little bits of history about the areas I rode through; not so much that it weighed down the book, but just enough to pique my interest and send me scampering to the library once I got back. Also, the book is laid

out very well. The font is easy on the eyes; bold section headers made it easy to find what I was looking for, even while balancing the book on my tankbag after pulling to the side of some gravelly road in the middle of nowhere.--Carolyn Boyce, reader If you think you'll ever want to plan a trip either by car or motorcycle to the great state of Alaska, this book is a must-have. Not only does it provide everything you could ever ask for, it comes in a small package that packs away nicely.-- Big D (reader) I took this book with the AAA guidebook on my trip to Alaska, read the AAA intro on the plane there and read only this book for the rest of the trip. We traveled more than 2,000 miles on the Alaska Highway. This book has been a great companion and guide book wherever we go. I even did some more reading on the plane back home because the writing was interesting. It may be partly because Alaska is such an interesting subject; but the book is definitely fun to read.--Amazon.com customer

Lois on the Loose - Lois Pryce 2007-03-20

Traces the author's Pacific Coast motorcycle trek from Alaska to the far end of Argentina, a journey during which she shared whimsical misadventures with a series of fellow bikers, bribed her way through Central America, and spent a night in a Mexican brothel. 20,000 first printing.

Downhills Don't Come Free - Jerry Holl
2017-06-27

Biking from Alaska to Mexico solo is hard enough. But when you throw in bad weather, flat tires, hair-raising roadways, and unpredictable

grizzly bears, only a fool would keep going. Fortunately, Jerry Holl was just the fool for this particular two-wheeled odyssey. Coming off a lifetime of corporate positions, he wasn't exactly prepared—his most trusted companion on the trip was a bike he didn't know how to fix. But inexperience and lack of a concrete plan didn't stop him. For fifty-one days, Holl pedaled his way across two countries, encountering everything weird and wondrous North America had to offer. *Downhills Don't Come Free* takes you through the ups and downs (literal and figurative) of Holl's ride. By turns amusing and reflective, self-deprecating and self-assured, it chronicles every aspect of the journey, from the breathtaking vastness of the Alaskan-Canadian wilderness to the fortitude, generosity, and eccentricity of the people he met along the way.

Motorcycle Dream Ride - David Mixson

Colby and Me - H. L. Wegley 2009-11-12

Colby and Me is a collection of true adventure stories drawn from the extraordinary lives of two best friends who believe that they grew up in the finest place at the greatest time ever to be kids in southern Oregon during the 1950s and early 1960s. By the time H.L. was six years old, he and Colby had become best buddies who shared a love of the outdoors as well as all things that exploded, burned, or shot. H.L. shares both humorous and heartfelt stories as he chronicles many of their hair-raising adventures beginning in the little country church where Colby's shameless hound, Pal, entered one Sunday

morning and walked the aisle seemingly to receive his penance but in reality, just wanting to sit next to his beloved master. In a time when kids were free to simply be kids, H.L. details how the boys explored mountaintop limestone caves, built a rocket that went awry, and viewed a meteorite that they were sure indicated the arrival of aliens. The amusing tales of two rambunctious boys in Colby and Me highlight a time in history when children learned valuable life lessons simply by experiencing one amazing adventure after another.

Trapline Chatter - Nancy Becker 2020-04-15

A story of love, loss, family and discovery — a story of life on a trapline in the Far North. “Bob Harte was well-known to those of us in the trapping community long before he became an international celebrity as a star of the Last Alaskans TV program. Bob was born to live a remote lifestyle and found his slice of heaven in the remote region of northeast Alaska. Nancy's book offers a perspective on their life together in

the wilderness. Readers will gain a new understanding of what it's like to live in one of the most isolated places on earth. The lifestyle is simple and challenging, but very rewarding.” — Randy Zarnke - President of the Alaska Trappers Association

Insiders' Guide® to Anchorage and Southcentral Alaska - Deb Vanasse 2009-07-15

From breathtaking mountains to untamed coastlines, Insider's Guide to Anchorage and Southcentral Alaska features Prince William Sound, the Kenai Peninsula, Anchorage, and Denali National Park.

The Milepost - Kris Valencia 2007-03-01

Saigon to Singers Glen - Jim Bowman
2017-02-24

On a global yet intimate scale, this thoughtful memoir invites you to explore a life well lived. Get to know Jim Bowman: he grew up in a conservative Mennonite farm family in the Shenandoah Valley of Virginia, came of age in

the war-torn streets of Saigon, and has since lived a life of adventures across the globe, from the farming communities of Indonesia to the cosmopolitan city of Nairobi, Kenya and back to Virginia. In constellations of stories and philosophical musings, Bowman traces the transformation of his worldview. In his childhood, being faithful was mostly about following the rules of the church. His time in Vietnam as a conscientious objector and in Indonesia as an agricultural development worker expanded his perceptions of culture and ethics. Back in Virginia, the death of his son dealt a mighty challenge to the faith on which he had long relied. The raw grief and violent upheaval of his foundational beliefs led to a series of questions and new answers as he learned how to find peace again. Throughout the journey, Bowman's tone is humble, honest, and always open to the experiences of others. Reflect on your own understanding of life in this changing, increasingly connected twenty-first century by

reading about one exemplary life.

Secondhand Heart - Joyce Livingston

2012-09-01

A bout of rheumatic fever left Rosalinda "Sammy" Samuels in need of a new heart. Three years ago she received it-and her vagabond sister's three children to raise. On a rare day to herself, Sammy meets Ted and dares to wonder if he could be The One...until she learns of his distaste of children...and transplants. Ted Benay lost his sister in a car accident, but his parents gave away her heart. The loss has haunted Ted ever since. Because of her death, Ted questions God. Now he's opened his apartment to his brother's unruly, disrespectful family, and Ted's pretty sure he never wants such a thing for himself. When he meets Sammy, though, his deepest convictions and opinions are challenged. Can it be for the better? Sammy's new heart gives her a second chance at life. But has it also stolen her only chance of love?

What Are the Chances? - Bill Berwick

2010-12-01

Bill, who had endured enough of his mundane nine-to-five existence, was looking for a change. Sharon thought she had it all, until she met Bill. The unlikely meeting of these two adventure seekers led to a thrilling journey through sixtythree countries on six continents around the world. Their amazing ride of a lifetime covered 103,000 miles on two motorcycles and culminated in a surprise ending to their incredible two-year odyssey. The couple withstood days of pouring rain, cold that numbed their extremities, heat that boiled the oil in their engines, and intense periods of fear and uncertainty. Facing the unknown each day of their lives, they encountered a charging elephant in Tanzania, were nearly drowned in the Zambezi River, survived heatstroke, thieves and an active volcano. However, their discoveries about each other and the world around them led to the ultimate achievements: freedom, romance, and the fulfillment of lifelong

dreams. Bill and Sharon lived in Pennsylvania before setting off on their round-the-world adventure. Bill owned a bicycle shop in Ephrata for eleven years and started riding motorcycles when he was sixteen, taking his first major motorcycle trip to Alaska in 1973 astride a Triumph Daytona. Sharon is a former third grade teacher and owner of a professional pet sitting business. The travel bug bit her early in life; she was born in Germany and lived in twenty-three places before she was the age of thirty. She bought her first motorcycle at age fifty and began her trip around the world one year later. Sharon and Bill sold all their belongings, their homes and businesses to finance their trip; then wandered aimlessly when they arrived back in the United States two years later, wondering what to do next. They ended up in North Carolina where they now live with four cats and five motorcycles.

TEA-21 Reauthorization - United States. Congress. Senate. Committee on Environment

and Public Works 2004

Betrayed - Nick Haskins 2019-03-30

Sixteen years ago, William Majors Sr. made his young son, Billy, a promise that he would always take care of him after his mother died. He vowed to raise his son into a man he would someday be proud of. William also vowed not to take another wife until Billy was all grown up, so he opted to live as a single man. That all changed the day Jennifer Payne walked into his life. Her seductive body and stunning beauty instantaneously captures William . . . and Billy. When Billy secretly deceives William – seemingly overnight – Jennifer finds herself trapped in a dangerous love trio with both Father and son. When she chooses one over the other, a deadly line of betrayal will be crossed that will shake The Majors' forever . . .

Victory—Motorcycle Tales from Around the World - Mark D. Vickers 2019-01-28

About this book: VICTORY - MOTORCYCLE TALES FROM AROUND THE WORLD is much more than just a book about Victory Motorcycles. Whilst these great motorcycles serve as the thread to hold the theme together, this is a collection of stories from motorcycle enthusiasts around the world, from amazing adventures to everyday memories, from thought-

provoking reflections to the humorous. Some are written in the form of personal diary entries and include details of visits to friends and relatives, unmissable tourist spots, favourite restaurants, weather and road conditions, thus enabling the reader to lose themselves in the story as if they are present on every twist and turn. Other stories are polished essays to convey the feeling of people met and places visited. From the USA to Argentina, Alaska to New Zealand, Taiwan to Indonesia, and many more places around the world, whilst the various writers in this book share a passion for Victory Motorcycles, there is something for everyone. Anyone with an interest in motorcycling, or indeed more generally in travel, will enjoy this book.
