A Kirkus 2018 Best Book of the Year! Shakespeare in Love meets Philippa Gregory in this witty and thrilling story of star-crossed assassins in Elizabeth England, perfect for fans of My Lady Jane and The Gentleman's Guide to Vice and Virtue! When Lady Katherine's father is killed for being an illegally practicing Catholic, she discovers treason wasn't the only secret he's been hiding -- he was also involved in a murder plot against the reigning Queen Elizabeth I. With nothing left to lose, Katherine disguises herself as a boy and travels to London to fulfill her father's mission, and

to take it one step further -- kill the queen herself. Katherine's opportunity comes in the form of William Shakespeare's newest play, which is to be performed in front of Her Majesty. But what she doesn't know is that the play is not just a play. It's a plot to root out insurrectionists and destroy the rebellion once and for all. The mastermind behind this ruse is Toby Ellis, a young spy for the queen with secrets of his own. When Toby and Katherine are cast opposite each other as the play's leads, they find themselves inexplicably drawn to one another. But the closer they grow, the more precarious their positions become. And soon they learn that star-crossed love, mistaken identity, and betrayal are far more dangerous off the stage than on.

son and daughter in the close-knit community of ex-pats on Grand Cayman Island, an idyllic place for children to grow up. Their firstborn, Sally, has always listened to her heart, deciding at age four that she would rather be called Clover and then, a few years later, falling in love with her best friend, James. But the comforting embrace of island life can become claustrophobic for adults, especially when they are faced with difficult situations. At the same time that Clover falls in love with James, Amanda realizes that she has fallen out of love with David . . . and that she is interested in someone else. While Amanda tries to navigate the new path her heart is leading her down, Clover finds, much to her dismay, that James seems to be growing away from her. And when they leave the island for boarding school—James to England and Clover to Scotland—she feels she may have lost him for good. As Clover moves on to university, seldom seeing James but always carrying him

in her heart, she finds herself torn between a desire to go forward with her life and the old feelings that she just can't shed. Through the lives of Clover and James, and Amanda and David, acclaimed storyteller Alexander McCall Smith tells a tale full of love and heartbreak, humor and melancholy, that beautifully demonstrates the myriad ways in which love shapes our lives. WINNER OF THE FOOTBALL BOOK OF THE YEAR AT THE BRITISH SPORTS BOOK AWARDS SHORTLISTED FOR THE 2016 WILLIAM HILL SPORTS BOOK OF THE YEAR 'This football book is about something even more important than the "beautiful game"; it is a story of the human spirit.' - Mick Hume, The Times Adrian Doherty was not a typical footballer. For one thing, he was blessed with extraordinary talent. Those who played alongside and watched him in the Manchester United youth team in the early 1990s insist he was as good as Ryan Giggs - possibly even better. Giggs, who played on the opposite wing, says he is inclined to agree. Doherty was also an eccentric - by football standards, at least. When his colleagues went to Old Trafford to watch the first team on Saturday afternoons, he preferred to take the bus into Manchester to go busking. He wore second-hand clothes,

worshipped Bob Dylan, read about theology and French existentialism and wrote songs and poems. One team-mate says "it was like having Bob Dylan in a No 7 shirt". On his 17th birthday, Doherty was offered a five-year contract - unprecedented for a United youngster at that time - and told by Alex Ferguson that he was destined for stardom. But what followed over the next decade is a tale so mysterious, so shocking, so unusual, so amusing but ultimately so tragic, that you are left wondering how on earth it has been untold for so long. The stories of Doherty's contemporaries, that group of Manchester United youngsters who became known as the "Class of '92", are well known. Giggs ended up as the most decorated player in United's history; David Beckham became the most recognisable footballer on the planet; Gary Neville, Paul Scholes and others are household names. The story you don't know is about the player who, having had the world at his feet, died

the day before his 27th birthday following an accident in a canal in Holland.
