Demelza - Winston Graham 2010-06-01

"From the incomparable Winston Graham...who has everything that anyone else has, then a whole lot more." -The Guardian Demelza is a heartwarming, gripping, and utterly entertaining saga that brings to life an unforgettable cast of characters and one of the greatest love stories of

our age. An impoverished miner's daughter, Demelza Carne is now married to Ross Poldark, who once rescued her from a fairground brawl. Her efforts to adapt to the ways of the gentry--and her husband--place her in hilarious and embarrassing situations, through which she becomes self assured, mannered and lovely, and

the birth of her first child brings a joy she never experienced before. But tragedy strikes where least expected, and sows the seeds of an enduring rivalry for Ross Poldark and the powerful George Warleggan, and tests Ross and Demelza's marriage and their love... What Readers are Saying: "Even better than the first book in the series." "Wonderful characters, evocative sense of place and time." "If you haven't read the Poldark series, and care anything for Cornwall, the 18th century, historical romance in its truest form, historical fiction, or just a darn good story that will change you life, then you should read [these books]." "The Poldark series is the most powerful reading experience I have ever had." "These books have no equal in historical fiction. I have read them several times and am starting over again."

Win - Harlan Coben 2021-03-16

In this #1 New York Times bestselling thriller from Harlan Coben, a dead man's secrets fall into the hands of a vigilante antihero—drawing him down a dangerous road. Over twenty years ago, the heiress Patricia Lockwood was abducted during a robbery of her family's estate, then locked inside an isolated cabin for months. Patricia escaped, but so did her captors — and the items stolen from her family were never recovered. Until now. On the Upper West Side, a recluse is found murdered in his penthouse apartment, alongside two objects of note: a stolen Vermeer painting and a leather suitcase bearing the initials WHL3. For the first time in years, the authorities have a lead — not only on Patricia's kidnapping, but also on another FBI cold case — with the suitcase and painting both pointing them toward one man. Windsor Horne Lockwood III — or Win, as his few friends call him — doesn't know how his suitcase and his family's stolen painting ended up with a dead

man. But his interest is piqued, especially when the FBI tells him that the man who kidnapped his cousin was also behind an act of domestic terrorism — and that the conspirators may still be at large. The two cases have baffled the FBI for decades, but Win has three things the FBI doesn't: a personal connection to the case; an ungodly fortune; and his own unique brand of justice.

Emotional Wellness - Osho 2007-04-03

How do we reconcile our need to express our emotions with our desire to protect others? Far too often we find ourselves trapped in this dilemma of expression versus repression. We fear that by expressing our true feelings, we will hurt and alienate those close to us. But by repressing our emotions—even in the benevolent guise of “self-control”—we only risk hurting ourselves. Osho, one of the most provocative and inspiring spiritual teachers of our time, provides here a practical and comprehensive approach to dealing with this conflict effectively.

Incorporating new, never-before-published material, Emotional Wellness leads us to understand the roots of our emotions, to react to situations in a way that can teach us more about ourselves and others, and to respond to life’s inevitable ups and downs with far greater confidence and equilibrium. Discover: • The

impact that fear, anger, and jealousy have on our lives • How emotions like guilt, insecurity, and fear are used to manipulate us • How to break out of unhealthy responses to strong emotions • How to transform destructive emotions into creative energy • The role of society and culture on our individual emotional styles Osho’s unique insight into the human mind and heart goes far beyond conventional psychology. He teaches us to experience our emotions fully and to deal with them creatively in order to achieve a richer, fuller life.

The Four Swans - Winston Graham 2016-09-20

The striking sixth novel in Winston Graham's classic Poldark saga, the major TV series from Masterpiece on PBS. Just when Ross Poldark, now something of a war hero, seems secure in his hard-won prosperity, he must confront a new dilemma: the sudden infatuation of a young naval officer with his wife Demelza. And it soon becomes evident that Demelza is not the only woman close to him whose life is in turmoil.

Ross's old love Elizabeth, her cousin Morwenna, and his friend's new wife Caroline have also become embroiled in their own personal conflicts in life and in love. It's a time of dramatic change for Poldark and Cornwall, and those who cope best will come out ahead. Winston Graham's *The Four Swans* will sweep you into new territory, as the stakes for the Poldark and Warleggan clans intensify in shocking ways.

Body Mind Balancing - Osho 2014-04-01
Body Mind Balancing: Using Your Mind to Heal Your Body features meditation methods from one

of the twentieth century's greatest spiritual teachers. Many everyday discomforts and tensions arise from the fact that we are alienated from our bodies. With the help of Osho's Body Mind Balancing, readers will learn to talk to and reconnect with their bodies. After just a short time, readers will begin to appreciate how much the body has been working for them and supporting them, and from this new perspective one can find new ways to work with the body and create a more harmonious balance of body and mind. Accompanying the book is a CD featuring the meditative therapy "Reminding Yourself of the Forgotten Language of Talking to Your BodyMind," spoken by meditation teacher Anando Hefley. Developed by Osho, it guides the listener in reconnecting with his or her body and creating a new and greater sense of well-being. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been

described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Women Who Run with the Wolves - Clarissa Pinkola Estés Phd 1995-08-22

NEW YORK TIMES BESTSELLER • One million copies sold! "A deeply spiritual book [that] honors what is tough, smart and untamed in women."—The Washington Post Book World Book club pick for Emma Watson's Our Shared Shelf Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society's attempt to "civilize" us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich

intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.
