Is There a Santa Claus - Francis P. Church 1999-09-01
In 1897 an eight year old girl

named Virginia O'Hanlon wrote a letter to The New York Sun in which she asked, "some of my little friends say there is no Santa Claus...Please tell me the truth, is there a Santa Claus?" The editor's famous answer reads, in part, "Yes, Virginia, there is a Santa Claus. He exists as certainly as love and generosity exist". This booklet reprints an attractively designed and illustrated version made by Augustus Kaiser in the 1920's. It is 24 pages long, and is accompanied by an decorative envelope, as it is our intention that people will send it as an elaborate Christmas Card.

The Rough Guide to Britain
- 2012-06-07

The new full-colour Rough Guide to Britain is the definitive guide to Rough Guides' home patch. Discover the best of what Britain has to offer, with detailed accounts of the country's world-class attractions, from the British Museum to Edinburgh Castle, aided by crystal-clear maps and plans. Get insider tips on Britain's vital, restless cities,

from Bristol to Glasgow, and enjoy the bucolic attractions of its countryside, hiking along its walkers' trails or relaxing on its sometimes spectacular beaches. We also steer you towards all the best places to stay, from boutique hotels to cool campsites, and to eat and drink, from Michelin-starred restaurants and gourmet gastropubs to budget cafés and traditional pubs, giving you clear, balanced reviews for all budgets. You'll find lavish photography and colour maps throughout the guide, too, helping you to make the most of your trip with The Rough Guide to Britain.

Includes more than 10,000 holidays, holy days, national and ethnic celebrations, astronomical phenomena, festivals, fairs, anniversaries, and other events from around the world.

The Therapist's Notebook for Integrating Spirituality in Counseling II - Karen B.

Helmeke 2014-05-12

More activities to tap into the strength of your clients' spiritual beliefs to achieve therapeutic goals. The Therapist's Notebook for Integrating Spirituality in Counseling II is the second volume of a comprehensive two-volume resource that provides practical interventions from respected experts from a wide range of backgrounds and theoretical perspectives. This volume includes several practical strategies and techniques to easily incorporate spirituality into psychotherapy. You'll find in-session activities, homework assignments, and client and therapist handouts that utilize a variety of therapeutic models and techniques and address a broad range of topics and problems. The chapters of The Therapist's Notebook for Integrating Spirituality in Counseling II are grouped into four sections: Models of Therapy Used in Integrating Spirituality; Integrating Spirituality with Age-Specific Populations: Children,

Adolescents, and the Elderly; Integrating Spirituality with Specific Multicultural Populations; and Involving Spirituality when Dealing with Illness, Loss, and Trauma. As in Volume One, each clinician-friendly chapter also includes sections on resources where the counselor can learn more about the topic or technique used in the chapter—as well as suggested books, articles, chapters, videos, and Web sites to recommend to clients. Every chapter follows the same easy-to-follow format: objectives, rationale for use, instructions, brief vignette, suggestions for follow-up, contraindications, references, professional readings and resources, and bibliotherapy sources for the client. The Therapist's Notebook for Integrating Spirituality in Counseling II adds more useful activities and homework counselors can use in their practice, such as: using religion or spirituality in solution-oriented brief therapy “Cast of Character” counseling using early memories to explore adolescent and adult

spirituality cognitive behavioral treatment of obsessive-compulsive disorder age-specific clients such as children or the elderly multicultural populations and spirituality dealing with illness, loss, and trauma recovering from fetal loss creative art techniques with caregivers in group counseling and much more! The Therapist's Notebook for Integrating Spirituality in Counseling II provides even more creative and helpful homework and activities that are perfect for pastoral counselors, clergy, social workers, marriage and family therapists, counselors, psychologists, Christian counselors, educators who teach professional issues, ethics, counseling, and multicultural issues, and students.

The Yearbook of Muslims in Europe provides up-to-date factual information and statistics of the situation of Muslims in 46 European

countries.

Baby & Child Care - Benjamin Spock 1956

The Obstacle Is the Way - Ryan Holiday 2014-05-01

#1 Wall Street Journal

Bestseller *The Obstacle is the Way* has become a cult classic, beloved by men and women around the world who apply its wisdom to become more successful at whatever they do. Its many fans include a former governor and movie star (Arnold Schwarzenegger), a hip hop icon (LL Cool J), an Irish tennis pro (James McGee), an NBC sportscaster (Michele Tafoya), and the coaches and players of winning teams like the New England Patriots, Seattle Seahawks, Chicago Cubs, and University of Texas men's basketball team. The book draws its inspiration from stoicism, the ancient Greek philosophy of enduring pain or adversity with perseverance and resilience. Stoics focus on the things they can control, let go of everything else, and turn every new obstacle into an opportunity to get better,

stronger, tougher. As Marcus Aurelius put it nearly 2000 years ago: "The impediment to action advances action. What stands in the way becomes the way." Ryan Holiday shows us how some of the most successful people in history—from John D. Rockefeller to Amelia Earhart to Ulysses S. Grant to Steve Jobs—have applied stoicism to overcome difficult or even impossible situations. Their embrace of these principles ultimately mattered more than their natural intelligence, talents, or luck. If you're feeling frustrated, demoralized, or stuck in a rut, this book can help you turn your problems into your biggest advantages. And along the way it will inspire you with dozens of true stories of the greats from every age and era.

Shakespeare And Elizabethan Popular Culture - Neil Rhodes
2014-05-13

While much has been written on Shakespeare's debt to the classical tradition, less has been said about his roots in the popular culture of his own

time. This is the first book to explore the full range of his debts to Elizabethan popular culture. Topics covered include the mystery plays, festive custom, clowns, romance and popular fiction, folklore and superstition, everyday sayings, and popular songs. These essays show how Shakespeare, throughout his dramatic work, used popular culture. A final chapter, which considers ballads with Shakespearean connections in the seventeenth century, shows how popular culture immediately after his time used Shakespeare.

A First Course in Probability

- Sheldon M. Ross 2002

This market-leading introduction to probability features exceptionally clear explanations of the mathematics of probability theory and explores its many diverse applications through numerous interesting and motivational examples. The outstanding problem sets are a hallmark feature of this book. Provides clear, complete explanations to fully explain mathematical concepts.

Features subsections on the probabilistic method and the maximum-minimums identity. Includes many new examples relating to DNA matching, utility, finance, and applications of the probabilistic method. Features an intuitive treatment of probability—intuitive explanations follow many examples. The Probability Models Disk included with each copy of the book, contains six probability models that are referenced in the book and allow readers to quickly and easily perform calculations and simulations.

Preparing to Study Abroad - Steven T. Duke 2014-04-10
Study abroad is a potentially valuable experience in today's global economy. With proper preparation it can be transformational. It can open you to the appreciation of other cultures; develop the transferable intercultural skills for interacting with people from different backgrounds; and deepen your self-awareness about your values and expectations. It can build

confidence as you learn to navigate unfamiliar situations, and help you deal with the ambiguities of life. Study abroad also develops knowledge and insights about our interconnected world that will serve you well whether you choose a career in business, non-profits, education, or government. A recent study by IES Abroad found that many employers value the intercultural skills and personal development that students gain from their travel. Students who had studied abroad reported higher starting salaries and were more likely to have landed a job within six months of graduation than the national average. This book is written for you, as a student who is learning about the world first-hand, and probably traveling abroad for the first time. It addresses the challenges of adapting thinking and behavior as you travel in an unfamiliar environment, of making the most of the opportunities, and of meeting and interacting with the locals. This book is

designed to help you prepare for your study abroad experience so you can get the most from it, and gain critical intercultural skills while crossing cultures. It offers strategies for learning about and exploring cultural differences and similarities of the country you will visit; and advice about how to actively observe and participate in the life of the locality in which you will find yourself. Each chapter illustrates key concepts through the personal accounts of students who have "been there, done that." This book aims to help you with your own personal journey, and to make your study abroad experience as meaningful, rewarding, and insightful as possible.

[DIY Tel Aviv - The Alternative City Guide 2014](#) - Shimrit Elisar 2014-10-20

The ultimate alternative guide to Israel's coolest city, Diy Tel Aviv delves deep into the city's hidden corners to bring you word of everything from cheap local eats to pop up bars and secret venues. This on top of your more usual tourist info

"One of the most impressive reference volumes in the world." -- Publishers Weekly

Putin's Russia and the Falsification of History -

Anton Weiss-Wendt 2020-09-03

This book provides a bold examination of the political use of history in contemporary Russia. Anton Weiss-Wendt argues that history is yet another discipline misappropriated by the Kremlin for the purpose of rallying the population. He explains how, since the pro-democracy protests in 2011-12, the Russian government has hamstrung independent research and aligned state institutions in the promotion of militant patriotism. The entire state machinery has been mobilized to construe a single, glorious historical narrative with the focus on Soviet victory over Nazi Germany. Putin's Russia and the Falsification of History examines the intricate networks in Russia that engage in "historymaking." Whether it is the Holocaust or Soviet mass terror, Tsars or Stalin, the regime promotes a syncretic interpretation of Russian history that supports the notion of a strong state and authoritarian rule. That interpretation finds its way into

new monuments, exhibitions, and quasi-professional associations. In addition to administrative measures of control, the Russian state has been using the penal code to censor critical perspectives on history, typically advanced by individuals who also happen to call for a political change in Russia. This powerful book shows how history is increasingly becoming an element of political technology in Russia, with the systematic destruction of independent institutions setting the very future of History as an academic discipline in Russia in doubt.

Presidents' Day Puzzles and Activities (K□2) - Suzanne Barchers 2014-01-01

This activity makes learning about Presidents' Day fun and engaging. This lesson is filled with ready-to-use reproducibles, fun facts, puzzles, crafts, and more. Turn holidays and cultural celebrations into learning experiences for your students.

Consumer Rites - Leigh Eric Schmidt 1995

Slogans such as "Let's put Christ back into Christmas" or "Jesus is the Reason for the Season" hold an appeal to Christians who oppose the commercializing of events they hold sacred. However, through a close look at the rise of holidays in the United States, Leigh Schmidt show us that commercial appropriations of these occasions were as religious in form as they were secular. The rituals of America's holiday bazaar that emerged in the nineteenth century offered a luxuriant merger of the holy and the profane--a heady blend of fashion and faith, merchandising and gift-giving, profits and sentiments, all celebrations of a devout consumption. In this richly illustrated book, which captures both the blessings and ballyhoo of American holiday observances for the mid-eighteenth century through the twentieth, the author offers a reassessment of the "consumer rites" that various social critics have long decried for their spiritual

emptiness and banal sentimentality. Schmidt tells the story of how holiday celebrations were almost banished by Puritans and other religious reformers in the colonies but went on to be romanticized and reinvented in the nineteenth and twentieth centuries. Merchants and advertisers were crucial for the reimagining of the holidays, promoting them in a grand, carnivalesque manner, which could include gargantuan fruit cakes, masked Santa Clauses, and exploding valentines. Along the way Schmidt uses everything from diaries to manuals on church decoration and window display to show in bright detail the ways in which people have prepared for and celebrated specific holidays--such as going Christmas shopping, making love tokens, choosing Easter bonnets, sending flowers to Mom, buying ties for Dad. He demonstrates in particular how women took the lead as holiday consumers, shaping warm-hearted celebrations of home and family through their

intricate engagement with the marketplace. Bringing together the history of business, religion, and gender, this book offers a fascinating cultural history of an endlessly debated marvel--the commercialization of the American holidays.

Chase's Calendar of Events

2017 - Editors of Chase's
2016-09-23

Encyclopedia of New Year's Holidays Worldwide

- William D. Crump 2014-04-25

Among the world's myriad cultures and their associated

calendars, the idea of a "New Year" is relative and hardly specifies a universal celebration or even a universal point in time. Ways of celebrating the New Year range from the observances of religious rituals and superstitions to social gatherings featuring particular foods, music, dancing, noisemaking, fireworks and drinking. This first encyclopedia devoted exclusively to the New Year includes 320 entries that give a global perspective on the New Year, beyond its traditional Western associations with Christmas. National or regional entries detail the principal traditions and customs of 130 countries, while 27 entries discuss major calendar systems in current use or of significant historical interest. The remaining entries cover a wide variety of subjects including literary works, movies, and television specials; the customs of specific ethnic groups; universal customs such as toasting and drinking; football bowl games and parades; and

the New Year celebrations at the White House and the Vatican.

Model Rules of Professional Conduct - American Bar Association. House of Delegates 2007

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts. For Fear of an Elective King -

Kathleen Bartoloni-Tuazon
2014-09-08

In the spring of 1789, within weeks of the establishment of the new federal government based on the U.S. Constitution, the Senate and House of Representatives fell into dispute regarding how to address the president. Congress, the press, and individuals debated more than thirty titles, many of which had royal associations and some of which were clearly monarchical. For Fear of an Elective King is Kathleen Bartoloni-Tuazon's rich account of the title controversy and its meanings. The short, intense legislative phase and the prolonged, equally intense public phase animated and shaped the new nation's broadening political community. Rather than simply reflecting an obsession with etiquette, the question challenged Americans to find an acceptable balance between power and the people's sovereignty while assuring the country's place in the Atlantic world. Bartoloni-Tuazon argues

that the resolution of the controversy in favor of the modest title of "President" established the importance of recognition of the people's views by the president and evidence of modesty in the presidency, an approach to leadership that fledged the presidency's power by not flaunting it. How the country titled the president reflected the views of everyday people, as well as the recognition by social and political elites of the irony that authority rested with acquiescence to egalitarian principles. The controversy's outcome affirmed the republican character of the country's new president and government, even as the conflict was the opening volley in increasingly partisan struggles over executive power. As such, the dispute is as relevant today as in 1789. *Chase's Calendar of Events 2020* - Editors of Chase's 2019-09-24 Since 1957, Chase's Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500

holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "The Oxford English Dictionary of holidays." NPR's Planet Money.

Hummingbird Day -

Houghton Mifflin Company
1993

The Hummingbirds laugh and enjoy themselves as they work.

Army Food Program -

Department of the Army
2012-07-24

This regulation encompasses garrison, field, and subsistence supply operations. Specifically,

this regulation comprises Army Staff and major Army command responsibilities and includes responsibilities for the Installation Management Command and subordinate regions. It also establishes policy for the adoption of an à la carte dining facility and for watercraft to provide subsistence when underway or in dock. Additionally, the regulation identifies DOD 7000.14-R as the source of meal rates for reimbursement purposes; delegates the approval authority for catered meals and host nation meals from Headquarters, Department of the Army to the Army commands; and authorizes the use of the Government purchase card for subsistence purchases when in the best interest of the Government. This regulation allows prime vendors as the source of garrison supply and pricing and provides garrison menu standards in accordance with The Surgeon General's nutrition standards for feeding military personnel. Also, included is guidance for the

implementation of the U.S. Department of Agriculture Food Recovery Program.

Chase's Calendar of Events 2018 - Editors of Chase's 2017-09-26

Riker

The Tequila Worm - Viola Canales 2007-03-13

Sofia comes from a family of storytellers. Here are her tales of growing up in the barrio, full of the magic and mystery of family traditions: making Easter cascarones, celebrating el Dia de los Muertos, preparing for quincea-era, rejoicing in the Christmas nacimiento, and curing homesickness by eating the tequila worm. When Sofia is singled out to receive a scholarship to an elite boarding school, she longs to explore life beyond the barrio, even though it means leaving her family to navigate a strange world of rich, privileged kids. It's a different mundo, but one where Sofia's traditions take on new meaning and illuminate her path.

The Blue Book of Grammar and Punctuation - Lester Kaufman 2021-04-16

Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and

Punctuation offers comprehensive, straightforward instruction.

Chase's Calendar of Events 2019 - Editors of Chase's 2018-09-30

Since 1957, Chase's Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "The Oxford English Dictionary of holidays."--NPR's Planet Money.

[Stalin's Citizens](#) - Serhy Yekelchik 2014-08-04

Being a good citizen under Stalin meant taking an active part in political rituals, such as elections, parades, festive meetings, political information sessions, and subscriptions to state bonds. In *Stalin's Citizens*, Serhy Yekelchik examines how ordinary citizens came to embrace some parts of this everyday Stalinist politics and resist others. The first study of the everyday political life under Stalin, this book examines citizenship through common practices of

expressing Soviet identity in the public space. The Stalinist state understood citizenship as practice, with participation in a set of political rituals and public display of certain "civic emotions" serving as the marker of a person's inclusion in the political world. The state's relations with its citizens were structured by rituals of celebration, thanking, and hatred-rites that required both political awareness and a demonstrable emotional response. Soviet functionaries transmitted this obligation to ordinary citizens through the mechanisms of communal authority, including workplace committees, volunteer agitators, and other forms of peer pressure, as much as through brutal state coercion. Yet, the populace also often imbued these ceremonies with different meanings: as a popular fête, an occasion to get together after work, a chance to purchase goods not available on other days, and an opportunity to indulge in some drinking. The people also understood these political

rituals as moments of negotiation whereby they would fulfill their "patriotic duty" but expected the state to reciprocate by providing essential services and basic social welfare. Nearly-universal passive resistance to required attendance challenges theories about the mass internalization of communist ideology.

Focusing on the last years of World War II and immediate postwar years, Yekelchik shows how formulaic rituals under Stalin could create space for the people to express their concerns, fears, and prejudices, as well as their eagerness to be viewed as citizens in good standing.
