European Civil Service in (Times of) Crisis - Didier Georgakakis 2017-08-30

This book, part of the new wave of political sociology in EU studies,

examines the dialectics of construction/deconstruction of the European civil service through a succession of empirically grounded case studies. Breaking with the usual representations of 'Eurocrats', it sheds light on a hidden aspect of the current European crisis: a crisis of social reproduction which affects the European civil service in a heavy context of management reforms, enlargements, institutional changes and the euro crisis. This in turn has a number of consequences in terms of internal tensions, power, and more broadly, the capacity of EU institutions to create convergence between diverging national and economic interests, and to embody a European future. European Civil Service in (Times of) Crisis will be of interest to students and scholars across a wide range of disciplines, including politics, sociology and public administration, to practitioners working in and with the EU institutions, as well as those wishing to know more about the EU. *Mission IAS - Prelim & Main Exam, Trends, How to prepare, Toppers' Interviews, Strategies, Tips & Detailed Syllabus 3rd Edition* - Disha Experts 2020-02-04
