The Whisperer - Donato Carrisi 2012-01-05

A gripping literary thriller and smash bestseller that has taken Italy, France, Germany and the UK by storm. Six severed arms are discovered, arranged in a mysterious circle and buried in a clearing in the woods. Five of them appear to belong to missing girls between the ages of eight and eighteen. The sixth is yet to be identified. Worse still, the girls' bodies, alive or dead, are nowhere to be found. Lead investigators Mila

Vasquez, a celebrated profiler, and Goran Gavila, an eerily prescient criminologist, dive into the case. They're confident they've got the right suspect in their sights until they discover no link between him and any of the kidnappings except the first. The evidence in the case of the second missing child points in a vastly different direction, creating more questions than it answers. Vasquez and Gavila begin to wonder if they've been brought in to take the fall in a near-hopeless case. Is it all coincidence? Or is a copycat criminal at work? Obsessed with a case that becomes more tangled and intense as they unravel the layers of evil, Gavila and Vasquez find that their lives are increasingly in each other's hands. THE WHISPERER, as sensational a bestseller in Europe as the Stieg Larsson novels, is that rare creation: a thought-provoking, intelligent thriller that is also utterly unputdownable.

Martin's ongoing masterwork, A Song of Ice and Fire. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LOS ANGELES TIMES AND BUZZFEED
These never-before-collected adventures recount an age when the Targaryen line still holds the Iron Throne, and the memory of the last

dragon has not yet passed from living consciousness. Before Tyrion Lannister and Podrick Payne, there was Dunk and Egg. A young, naïve but ultimately courageous hedge knight, Ser Duncan the Tall towers above his rivals—in stature if not experience. Tagging along is his diminutive squire, a boy called Egg—whose true name is hidden from all he and Dunk encounter. Though more improbable heroes may not be found in all of Westeros, great destinies lay ahead for these two . . . as do powerful foes, royal intrigue, and outrageous exploits. Featuring more than 160 all-new illustrations by Gary Gianni, A Knight of the Seven Kingdoms is a must-have collection that proves chivalry isn't dead—yet. Praise for A Knight of the Seven Kingdoms “Readers who already love Martin and his ability to bring visceral human drama out of any story will be thrilled to find this trilogy brought together and injected with extra life.”—Booklist “The real reason to check out this collection is that it's simply great storytelling. As Tolkien has his Silmarillion, so [George R. R.] Martin has this trilogy of foundational tales. They succeed on their own, but in addition, they succeed in making fans want more.”—Kirkus Reviews (starred review) “Pure fantasy adventure, with two of the most likable protagonists George R. R. Martin has ever penned.”—Bustle “A must-read for Martin's legion of fans . . . a rousing prelude to [his] bestselling Song of Ice and Fire saga . . . rich in human drama and the colorful worldbuilding that distinguishes other books in the series.”—Publishers Weekly

Campus Player - Jennifer Sucevic 2021-01-05

From USA Today bestselling author Jennifer Sucevic comes a sexy, new standalone novel. Trust me when I say that Rowan Michaels fever is alive and well at Western University. His fanbase is legendary. The guy is a major player. Both on and off the field. Girls fall all over themselves to be with him. They fill the stands at football practice, show up at parties he's rumored to be at, and basically stalk him around campus. It's a little nauseating. Don't these girls have any self-respect when it comes to a hot guy? Fine...I'll admit it, he's good looking. If you're into that kind of thing.

Which I'm not. I've got school and soccer to keep me busy which is exactly why I avoid him like an unfortunate clap diagnosis. Too bad for me that Rowan is my father's star quarterback. He's practically part of the family, attending Wednesday night dinners with us. To make matters worse, we're in the same major and get stuck together in classes every semester. It's like the universe is trying to play a cosmic joke on me. The one guy I'd like to steer clear of is the very same one I can't seem to get away from. But what if Rowan isn't the manwhore I pegged him to be? What if one little secret has the capability to change everything between us?*

This is a mature New Adult novel with strong language and sexual situations intended for readers over the age of 18*

A Court of Silver Flames - Sarah J. Maas 2021-02-16

Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

The Illustrated Good Omens - Terry Pratchett 2019-04-04

There is a hint of Armageddon in the air. According to the Nice and Accurate Prophecies of Agnes Nutter, Witch (recorded, thankfully, in

1655, before she blew up her entire village and all its inhabitants, who had gathered to watch her burn), the world will end on a Saturday. Next Saturday, in fact. So the Armies of Good and Evil are massing, the four Bikers of the Apocalypse are revving up their mighty hogs and hitting the road, and the world's last two remaining witchfinders are getting ready to Fight the Good Fight. Atlantis is rising. Frogs are falling. Tempers are flaring, and everything appears to be going to Divine Plan. Except that a somewhat fussy angel and a fast-living demon are not particularly looking forward to the coming Rapture. They've lived amongst Humanity for millennia, and have grown rather fond of the lifestyle. So if Crowley and Aziraphale are going to stop it from happening, they've got to find and kill the AntiChrist (which is a shame, really, as he's a nice kid). There's just one glitch: someone seems to have misplaced him. This edition features a new revised text, approved by Neil Gaiman and the Pratchett Estate, which clears up many typos and errors from previous editions.
