Jammu Rāgamālā Paintings - Sukh Dev Singh Charak 1998

Ragamala Paintings Have A Special Significance In The World Of Art, Which Has Not So Far Been Fully Realised. They Not Only Display Their Own Technique And Art Of Colour And Line But Also Express, Interpret And Exhibit The Soul/Spirit And Beauty Of Another Art, The Art Of Music, The Art Of Svara-Laya And Cultivated/Cultured Voice. Music Was Considered To Be Of Divine Origin And Was Supposed To Possess The Property Of Evoking An Ecstatic State Of Mind Or Mood, Called Rasa-Anubhuti, In The Musician As Well As The Listener. This Conception Of Rasa Is The Basis Of All Art In India. The Sadhakas (Practitioners) Devised Some Formulas In Order To Capture And Comprehend The Divine Quality Of Music And To Evoke Rasa Or Brahmananda. These Were Formulated In The Form Of Prayers In Which The Conceptual Form, Dhyana-Murti, Of The Raga Was Described. Thus The Ragas Were Personified Or Deified. This Fact Provided A Rich And Expressive Theme To Indian Painters And It Has Considerably Enriched The Art Treasure Of India. Whether The Dhyana-Theory Of Ragas Is Scientific Or Otherwise It Certainly Furnished A Rich Source Of Theme For The Indian Artists Who Painted Some Of The Most Charming And Inspiring Pictures Representing The Ragas (Melodies). The Two Ragamala Mss Discovered In A Manuscripts Collection At Jammu Are A Part Of The Extensive Art Treasure Created All Over India During The Period From 16Th To 19Th Centuries. The Jammu Ragamala Paintings Were Done Expressly With The Usual Object Of Depicting Their Dhyana-Murtis Or Icons In Order To Create The Relevant Rasa Situation In Those Looking At Them.

Mumtaz of the Taj Mahal Paper Dolls - Tom Tierney 2002-01-04

Of Shah Jahan's many wives, the Mogul emperor's favorite was the beautiful Mumtaz Mahal; upon her death, the Shah ordered the construction of the Taj Mahal. The life of the woman who inspired one of the world's most famous structures is recalled by this paper doll collection. Two dolls, one of the emperor and the other of Mumtaz Mahal, are accompanied by 16 costumes, including anklets, bracelets, necklaces, and earrings.

Encyclopaedia Of Untouchables : Ancient Medieval And Modern - Raj Kumar 2008

The book entitled Encyclopaedia of Untouchables, Ancient, Medieval and Modern compiled in 2 volumes witnesses to the fact that how the Brahminical ideology used to behave with the poor people of the Father which is totally unbearable to a normal person, even though they used to clean the cities, latrines, skin of the dead animals which were owned by the Brahmans. Hence, the Dalit literature is not a simple literature, it is associated with a movement to bring about a change in the society by working personally to realize the basic facts of the life, but Brahmans are only the philosophers of their literature, working for their personal benefit not for others. It has established its own strong tradition with anti-caste or untouchables thinker like Buddha, Ved Vyash, Valmiki, Qutab-ud-Din Aebik, Balban, Balban, Firoz Shah Tuglaq, Barani the great writer, Amir Timur, Sultan Sikandar of Kashmir, Zain-ul- Abidin, Mirza Haidar Dughlat, Babar, Ravidas, Akbar, Guru Nanak, Kabir, Phule, Dr. B.R. Ambedkar, many more as its sign posts.

A Fine Balance - Rohinton Mistry 2010-10-29

A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-1970s India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal Emergency." Through days of bleakness and hope, their circumstances - and their fates - become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of unforgettable characters. Written with compassion, humour, and insight, A Fine Balance is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

Costumes and Textiles of Royal India - Ritu Kumar 2006

After years of searching through dusty museum collections and royal stores across India, acclaimed designer Ritu Kumar has uncovered many of the last surviving examples of traditional royal clothing. Her book is a celebration of this rich legacy of textiles and craftsmanship. This in-depth study of the evolution of Indian royal costume spans the centuries from the first representations of clothing in ancient India, through the reign of the Mughal emperors and the days of the British Raj, to Indian independence and royalty in the present day. The author covers both men's and women's garments, Hindu and Muslim styles, and documents the evolution of European-Indian fashions. This sumptuous volume is illustrated with a variety of material, much of which has never been published before ranging from archive photographs, miniatures, royal portraits and cinema stills, to detailed images of garments and textiles from as far back as the seventeenth century. A separate section explains in detail the techniques behind the traditional crafts of weaving, dyeing, printing and embroidery, with sketches and patterns illustrating a variety of garments. Specially commissioned photographs of members of royalty wearing their traditional clothes emphasise the colour, shape, ornament and texture of these stunning costumes. This royal family album is supplemented by stories of royal India told to the author by the last Rajmats who still remember the splendours of courtly life. AUTHOR: Ritu Kumar is one of India's foremost designers, who has developed a unique style combining the ancient traditions of Indian craftsmanship with contemporary innovations. She began her work many years ago in a small village near Calcutta with just four hand-block printers and a couple of tables. 360 colour & 100 b/w illustrations

World Clothing and Fashion - Mary Ellen Snodgrass 2015-03-17

Taking a global, multicultural, social, and economic perspective, this work explores the diverse and colourful history of human attire. From prehistoric times to the age of globalization, articles cover the evolution of clothing utility, style, production, and commerce, including accessories (shoes, hats, gloves, handbags, and jewellery) for men, women, and children. Dress for different climates, occupations,

recreational activities, religious observances, rites of passages, and other human needs and purposes - from hunting and warfare to sports and space exploration - are examined in depth and detail. Fashion and design trends in diverse historical periods, regions and countries, and social and ethnic groups constitute a major area of coverage, as does the evolution of materials (from animal fur to textiles to synthetic fabrics) and production methods (from sewing and weaving to industrial manufacturing and computer-aided design). Dress as a reflection of social status, intellectual and artistic trends, economic conditions, cultural exchange, and modern media marketing are recurring themes. Influential figures and institutions in fashion design, industry and manufacturing, retail sales, production technologies, and related fields are also covered.

Creativity in the Bronze Age - Lise Bender Jørgensen 2018-01-18

Creativity is an integral part of human history, yet most studies focus on the modern era, leaving unresolved questions about the formative role that creativity has played in the past. This book explores the fundamental nature of creativity in the European Bronze Age. Considering developments in crafts that we take for granted today, such as pottery, textiles, and metalwork, the volume compares and contrasts various aspects of their development, from the construction of the materials themselves, through the production processes, to the design and effects deployed in finished objects. It explores how creativity is closely related to changes in material culture, how it directs responses to the new and unfamiliar, and how it has resulted in changes to familiar things and practices. Written by an international team of scholars, the case studies in this volume consider wider issues and provide detailed insights into creative solutions found in specific objects.

United States Customs Service Commercial Directives Reference Manual - U.S. Customs Service 1991

Silk and empire - Brenda King 2017-03-01

In this book, Brenda M. King challenges the notion that Britain always exploited its empire. Creativity, innovation and entrepreneurship were all part of the Anglo-Indian silk trade and were nurtured in the era of empire through mutually beneficial collaboration. The trade operated within and without the empire, according to its own dictates and prospered in the face of increasing competition from China and Japan. King presents a new picture of the trade, where the strong links between Indian designs, the English silk industry and prominent members of the English the arts and crafts movement led to the production of beautiful and luxurious textiles. Lavishly illustrated, this book will be of interest to those interested in the relationship between the British Empire and the Indian subcontinent, as well as by historians of textiles and fashion.

Quick & Easy Sewing Projects - Cy DeCosse Incorporated 1993
