The Terezin Diary of Gonda Redlich - Saul S. Friedman 2014-07-11

In 1941, the fortress city of Terezin, outside Prague, was ostensibly converted into model ghetto, where Jews could temporarily reside before being sent to a more permanent settlement. In reality it was a way station to Auschwitz. When young Gonda Redlich was deported to Terezin in December of 1941, the elders selected him to be in charge of the youth welfare department. He kept a diary during his imprisonment, chronicling the fear and desperation of life in the ghetto, the attempts people made to create a cultural and social life, and the disease, death, rumors, and hopes that were part of daily existence. Before his own deportation to Auschwitz, with his wife and son, in 1944, he concealed his diary in an attic, where it remained until discovered by Czech workers in 1967.

I Am Terezin - Richard D Bank 2017-01-08

I Am Terezin is a memoir unlike any other, written as a gripping narrative in the voice of the concentration camp itself. Situated in Czechoslovakia, Theresienstadt, or Terezin, as the locals called it, was touted by the Germans as a model city where Jews could live their lives in tranquility. Despite the sheer audacity of the claim, the world chose to believe this and ignore the truth looming behind the granite walls encircling the fortress-town. In I Am Terezin, the collective voice of its 140,000 inmates reveals the true story of the camp, imploring that we must look past all deceptive facades shrouding human suffering.

Music in Terezín 1941-1945 - Joža Karas 1985

When Adolf Hitler created the model camp at Theresienstadt for the better-known of Europe's Jewish transportees, he gathered together many of the continent's finest musicians. This book examines the associations, compositions, performances (opera, orchestras, chamber music, recitals) and above all, the people in Terezín. The Protectorate or Terezin Ghetto was not as bad as the concentration camps and it held Czech Jews and the best musicians of the times. After 3 1/2 years, in the fall of 1944, 1,000 Jews were transported from Terezin to Auschwitz to the gas chamber.

Clara's War - Clara Kramer 2010-04-06

"You lose your loved ones, and still you want to live." On 21 July 1942, the Nazis reached the small Polish town of Zolkiew. Life for fifteen-year-old Clara Kramer would never be the same. While those around her were either slaughtered or transported, three families found perilous refuge in a hand-dug cellar. Hers was one of them. Living above and protecting them were the Becks. Mrs. Beck had been the families' maid. Mr. Beck was alcoholic and a self-professed anti-Semite, yet he risked his life to keep his charges safe. But survival under his protection proved to be anything but predictable. Whether it was his nightly drinking sessions with officers of the SS in the room just above or his torrid affair with one of the hiding women, it seemed that Clara and the others often had as much to fear from Beck as they did from the war. Clara's mother told her to keep a diary while they lived in the bunker in order to fill her time and "so the world would know what happened to us." Over sixty years later, Clara Kramer has finally turned those diaries into a compelling and heartbreaking memoir — a story of love and memory and survival.

Helga's Diary: A Young Girl's Account of Life in a Concentration Camp - Helga Weiss 2013-04-22

A New York Times Bestseller "A sacred reminder of what so many millions suffered, and only a few survived." —Adam Kirsch, New Republic In 1939, Helga Weiss was a young Jewish schoolgirl in Prague. As she endured the first waves of the Nazi invasion, she began to document her experiences in a diary. During her internment at the concentration camp of Terezín, Helga's uncle hid her diary in a brick wall. Of the 15,000 children brought to Terezín and deported to Auschwitz, there were only one hundred survivors. Helga was one of them. Miraculously, she was able to recover her diary from its hiding place after the war. These pages reveal Helga's powerful story through her own words and illustrations. Includes a special interview with Helga by translator Neil Bermel.

Forbidden Music - Michael Haas 2013-04-15

With National Socialism's arrival in Germany in 1933, Jews dominated music more than virtually any other sector, making it the most important cultural front in the Nazi fight for German identity. This groundbreaking book looks at the Jewish composers and musicians banned by the Third Reich and the consequences for music throughout the rest of the twentieth century. Because Jewish musicians and composers were, by 1933, the principal conveyors of Germany's historic traditions and the ideals of German culture, the isolation, exile and persecution of Jewish musicians by the Nazis became an act of musical self-mutilation. Michael Haas looks at the actual contribution of Jewish composers in Germany and Austria before 1933, at their increasingly precarious position in Nazi Europe, their forced emigration before and during the war, their ambivalent relationships with their countries of refuge, such as Britain and the United States and their contributions within the radically changed post-war music environment. /div

In Memory's Kitchen - Michael Berenbaum 2006-03-10

The sheets of paper are as brittle as fallen leaves; the faltering handwriting changes from page to page; the words, a faded brown, are almost indecipherable. The pages are filled with recipes. Each is a memory, a fantasy, a hope for the future. Written by undernourished and starving women in the Czechoslovakian ghetto/concentration camp of Terezín (also known as Theresienstadt), the recipes give instructions for making beloved dishes in the rich, robust Czech tradition. Sometimes steps or ingredients are missing, the gaps a painful illustration of the condition and situation in which the authors lived. Reprinting the contents of the original hand-sewn copybook, *In Memory's Kitchen: A Legacy from the Women of Terezín* is a beautiful memorial to the brave women who defied Hitler by preserving a part of their heritage and a part of themselves. Despite the harsh conditions in the Nazis' "model" ghetto - which in reality was a way station to Auschwitz and other death camps - cultural, intellectual, and artistic life did exist within the walls of the ghetto. Like the heart-breaking book *I Never Saw Another Butterfly*, which contains the poetry and drawings of the children of Terezín, the handwritten cookbook is proof that the Nazis could not break the spirit of the Jewish people.

The Girls of Room 28 - Hannelore Brenner 2009-09-01

From 1942 to 1944, twelve thousand children passed through the Theresienstadt internment camp, near Prague, on their way to Auschwitz. Only a few hundred of them survived the war. In *The Girls of Room 28*, ten of these children—mothers and grandmothers today in their seventies—tell us how they did it. The Jews deported to Theresienstadt from countries all over Europe were aware of the fate that awaited them, and they decided that it was the young people who had the best chance to survive. Keeping these adolescents alive, keeping them whole in body, mind, and spirit, became the priority. They were housed separately, in dormitory-like barracks, where they had a greater chance of staying healthy and better access to food, and where counselors (young men and women who had been teachers and youth workers) created a disciplined environment despite the surrounding horrors. The counselors also made available to the young people the talents of an amazing array of world-class artists, musicians, and playwrights—European Jews who were also on their way to Auschwitz. Under their instruction, the children produced art, poetry, and music, and they performed in theatrical productions, most notably *Brundibar*, the legendary “children’s opera” that celebrates the triumph of good over evil. In the mid-1990s, German journalist Hannelore Brenner met ten of these child survivors—women in their late-seventies today, who reunite every year at a resort in the Czech Republic. Weaving her interviews with the women together with excerpts from diaries that were kept secretly during the war and samples of the art, music, and poetry created at Theresienstadt, Brenner gives us an unprecedented picture of daily life there, and of the extraordinary strength, sacrifice, and indomitable will that combined—in the girls and in their caretakers—to make survival possible.

Prater Violet - Christopher Isherwood 2013-11-19

Prater Violet concerns the filming of an unashamedly romantic and commercial musical about old Vienna. It is a stinging satirical novel about the film industry, trifling studio feuds, and the fatuous movie *Prater Violet*, which, ironically, counterpoints the tragic events on the world stage as Hitler's lengthening shadow falls over the real Vienna of the thirties. At its center are vivid portraits of the mocking genius Friedrich Bergmann, the imperious, dazzlingly witty Austrian director, and his disciple, a genial young screenwriter—the fictionalized Christopher Isherwood. When it first appeared in 1945, *Prater Violet* caused a fury of

critical speculation and acclaim. Edmund Wilson called it "a deliberate historical parable," and Diana Trilling's Nation review said, "Prater Violet is the most charming novel I have read in a long time... It is a book written in the author's own person, yet utterly without ego; it is a novel about movie writers which is yet a novel about the life of every serious artist; it is a book without a political moral, but a profound moral-political statement; it is gay, witty, sophisticated, but wholly responsible.
