*Confessions of an Italian* -  
Ippolito Nievo 2014-05-29

An overlooked classic of Italian literature, this epic and unforgettable novel recounts one man's long and turbulent life in revolutionary Italy. At the age of eighty-three and nearing death, Carlo Altoviti has decided to write down the confessions of his long life. He remembers everything: his unhappy childhood in the kitchens of the Castle of Fratta; romantic entanglements during the siege of Genoa; revolutionary fighting in Naples; and so much more. Throughout, Carlo lives only for his twin passions in life: his dream of a unified, free Italy and his undying love for the magnificent but inconstant Pisana. Peopled by a host of unforgettable characters - including drunken smugglers, saintly nuns, scheming priests, Napoleon and Lord Byron - this is an epic historical novel that tells the remarkable and

inseparable stories of one man's life and the history of Italy's unification. Ippolito Nievo was born in 1831 in Padua. *Confessions of an Italian*, written in 1858 and published posthumously in 1867, is his best known work. A patriot and a republican, he took part with Garibaldi and his Thousand in the momentous 1860 landing in Sicily to free the south from Bourbon rule. Nievo died before he reached the age of thirty, when his ship, en route from Palermo to Naples, went down in the Tyrrhenian Sea in early 1861. He was, Italo Calvino once said, the sole Italian novelist of the nineteenth century in the 'daredevil, swashbuckler, rambler' mould so dear to other European literatures. Frederika Randall has worked as a cultural journalist for many years. Her previous translations include Luigi Meneghello's *Deliver Us* and Ottavio Cappellani's *Sicilian Tragedy* and Sergio Luzzatto's *Padre Pio: Miracles and Politics in a Secular Age*. Lucy Riall is

Professor of Comparative History at the European University Institute. Her many books include Garibaldi. Invention of a Hero. 'Of all the furore that came out of the Risorgimento, only Manzoni and Nievo really matter today' - Umberto Eco 'The one 19th century Italian novel which has [for an Italian reader] that charm and fascination so abundant in foreign literatures' - Italo Calvino 'Perhaps the greatest Italian novel of the nineteenth century' - Roberto Carnero 'A spirited appeal for liberté, égalité and fraternité, the novel is also an astute, scathing and amusing human comedy, a tale of love, sex and betrayal, of great wealth and grinding poverty, of absolute power and scheming submission, of idealism and cynicism, courage and villainy' - The Literary Encyclopedia *Christianity and Classical Culture* - Charles Norris Cochrane 2015-12-31  
The theme of this work is the revolution in thought and action which came about through the impact of

Roma Aeterna: The Apotheosis of Power IV. Regnum Caesaris Regnum Diaboli Part II. Renovation V. The New Republic: Constantine and the Triumph of the Cross VI. Quid Athenae Hierosolymis? The Impasse of Constantinianism VII. Apostasy and Reaction VIII. State and Church in the New Republic IX. Theodosius and the Religion of State Part III. Regeneration X. The Church and the Kingdom of God XI. Nostra Philosophia: The Discovery of Personality XII. Divine Necessity and Human History  
The Laying On Of Hands - Alan Bennett 2014-05-09  
Clive Dunlop was a masseur of exceptional talents. His 'services' were much in demand amongst the great and the good and after his untimely death at the age of 34 they -- the film stars and politicians,

the writers and publishers, the TV pundits and celebrity chefs - - are gathered for his memorial service. The conduct of the service is a great worry for the priest taking the service, but it proves to be a test for the congregation. This is Alan Bennett at his absolute best with an exceptional satire. It is a perfect work of fiction but it will give readers the extra frisson of pleasure of identifying many of the characters, including even the masseur. This is a small masterpiece.

Francesco Petrarca Rime Disperse - Joseph A. Barber  
2020-12-17

First published in 1991. It was the lyric poetry of Petrarch that popularized the sonnet in European literature, that set the standard for love poetry for centuries to follow. Compared to the large volume of prose, poetry and notes in Latin, the corpus of Petrarch's Italian writings is small: the 366 poems that make up the Canzoniere, the 2000 or so verses of the Trionfi, and an undetermined number of

poems, drafts and fragments that comprise what we call the Rime disperse. This collection includes indexes of first lines in both Italian and English.

**Black Souls** - Gioacchino Criaco 2020-02-04

The modern Italian classic about Calabrian organized crime—now an award-winning motion picture—makes its English-language debut. In the remote Aspromonte Mountains in southern Calabria, Italy, three best friends embark on a life of crime in order to raise themselves up out of the poverty of their childhoods. Brainy Luciano, the behind-the-scenes schemer, was orphaned as a little boy when the local mob boss had his postman father executed. Lazy, jovial Luigi has learned that there's no point in following the rules. And completing the triumvirate is the nameless narrator, from whose black soul comes the inspiration and energy for each new criminal project, from kidnapping to armed robbery to heroin dealing to contract killing. Set in the birthplace of the 'Ndrangheta, Calabria's

ruthless and ubiquitous mafia, Black Souls draws on centuries of brigand lore, peasant rebellion history, mountain mythology, and colonial suffering to offer a gripping morality tale about how violence begets violence.

*On the Happy Life* - Seneca  
2016-01-26

De Vita Beata or 'On the Happy Life' is a dialogue written by Seneca the Younger around the year 58 AD. It was intended for his older brother Gallio, to whom Seneca also dedicated his dialogue entitled De Ira ('On Anger'). It is divided into 28 chapters that present the moral thoughts of Seneca at their most mature. Seneca explains that the pursuit of happiness is the pursuit of reason - reason meant not only using logic, but also understanding the processes of nature. This new edition of De Vita Beata from Enhanced Media includes an introduction by William Smith.

**Philodemus in Italy** -

Marcello Gigante 2002

Philodemus (ca 110-35 BCE)

was an Epicurean poet and philosopher whose private library was buried in the remains of Herculaneum by the lava from Mt. Vesuvius. In 1752 around eight hundred fragmentary papyrus scrolls were uncovered, but only relatively recently have usable editions of these been made available. This discusses the contents of Philodemus' library, which contained Stoic texts as well as Epicurean, and then proceeds to a close textual analysis of some of his epigrams deciphered from the charred papyri, especially concerned with the light they shed on his life and his relationship with his patron Piso.

**De Rerum Natura III** - Titus  
Carus Lucretius 1997

Lucretius' poem, for which Epicurean philosophy provided the inspiration, attempts to explain the nature of the

universe and its processes with the object of freeing mankind from religious fears. The third book not only seeks to demonstrate that, since the soul is mortal, there can be no after-life, but also aims to reconcile the reader to the prospect of the end of his consciousness. This edition incorporates a new text and prose translation and is designed to set the book in the context of the whole poem and of the Epicurean philosophical system, to explain and elucidate its argument, and at the same time to analyse some of the literary and artistic features which contribute to Lucretius' poetic achievement and stature. Latin text with facing page translation.

*Shelter in Place* - David Leavitt 2020-10-13

"Very funny and unexpected, a material response to our times, plush as velvet." -Rachel Cusk  
"A wickedly funny and emotionally expansive novel about all the bewildering ways we seek solace from the people and things that surround us." - Jenny Offill  
David Leavitt returns with his signature "coolly elegant prose" (O, The Oprah Magazine) to deliver a comedy of manners for the Trump era. It is the Saturday after the 2016 presidential election, and in a plush weekend house in Connecticut, an intimate group of friends, New Yorkers all, has gathered to recover from what they consider the greatest political catastrophe of their lives. They have just sat down to tea when their hostess, Eva Lindquist, proposes a dare. Who among them would be willing to ask Siri how to assassinate Donald Trump? Liberal and like-minded-editors, writers, a decorator, a theater producer, and one financial guy, Eva's husband, Bruce-the friends

have come to the countryside in the hope of restoring the bubble in which they have grown used to living. Yet with the exception of one brash and obnoxious book editor, none is willing to accept Eva's challenge. Shelter in Place is a novel about house and home, furniture and rooms, safety and freedom and the invidious ways in which political upheaval can undermine even the most seemingly impregnable foundations. Eva is the novel's polestar, a woman who moves through her days accompanied by a roving, carefully curated salon. She's a generous hostess and more than a bit of a control freak, whose obsession with decorating allows Leavitt to treat us to a slyly comic look at the habitués and fetishes of the so-called shelter industry. Yet when, in her avidity to secure shelter for herself, she persuades Bruce to buy a grand if dilapidated apartment in Venice, she unwittingly sets off the chain of events that will propel him, for the first time, to venture outside the bubble and embark on a wholly unexpected

love affair. A comic portrait of the months immediately following the 2016 election, Shelter in Place is also a meditation on the unreliable appetites-for love, for power, for freedom-by which both our public and private lives are shaped.

*Women behind bars from Alfonsina to Sophia Loren* - Liliana De Cristoforo  
2020-10-06

Protagonists of the book are twelve women who tell their personal stories and their dramas from their jails. They were compelled to fight against me, who had betrayed or disappointed them, against social injustices or against hardship of life. From their words, their sad existential events come up, of which there had been protagonists. The resulting picture is a deep humanity. Some of these women had made serious crimes, while others had met the evil, but all of them can be considered victims of society, of prejudices, of misery. Their tragic stories touch the heart and come deep into the soul of the reader. A different chapter is the story of Sophia Loren's detention, who, in 1982, was prisoned in the jail of Caserta for seventeen days, because of tax evasion. The media hype, rose up by our special guest, brought a spot of colour inside the grey life of the jail.

Erunt qui voluptates laudent, erunt qui labores malint; erunt qui dolorem maximum malum dicant, erunt qui ne malum quidem appellent; divitias aliquis ad summum bonum admittet, alius illas dicet malo vitae humanae repertas, nihil esse eo locupletius, cui quod donet fortuna non invenit. In tanta iudiciorum diversitate

referendam bene merentibus gratiam omnes tibi uno, quod aiunt, ore adfirmabunt. In hoc tam discors turba consentiet; cum interim iniurias pro beneficiis reddimus, et prima causa est, cur quis ingratus sit, si satis 32 gratus esse non potuit. Eo perductus est furor, ut periculosissima res sit beneficia in aliquem magna conferre; nam quia putat turpe non reddere, non vult esse, cui reddat. Tibi habe, quod accepisti; we should take counsel regarding them, not with their reputation but with their nature; those things possess no grandeur wherewith to enthrall our minds, except the fact that we have become accustomed to marvel at them. For they are not praised because they ought to be desired, but they are desired because they have been praised; and when the error of individuals has once created error on the part of the public, then the public error goes on creating error on the part of individuals. But just as we take on faith such estimates of values, so let us take on the

faith of the people this truth, that nothing is more honourable than a grateful heart. This phrase will be echoed by all cities, and by all races, even those from savage countries. Upon this point good and bad will agree. Some praise pleasure, some prefer toil; some say that pain is the greatest of evils, some say it is no evil at all; some will include riches in the Supreme Good, others will say that their discovery meant harm to...

**Ion** - Plato 2021-01-01

The Ion is the shortest, or nearly the shortest, of all the writings which bear the name of Plato, and is not authenticated by any early external testimony. The grace and beauty of this little work supply the only, and perhaps a sufficient, proof of its genuineness. The plan is simple; the dramatic interest consists entirely in the contrast

between the irony of Socrates and the transparent vanity and childlike enthusiasm of the rhapsode Ion. The theme of the Dialogue may possibly have been suggested by the passage of Xenophon's Memorabilia in which the rhapsodists are described by Euthydemus as 'very precise about the exact words of Homer, but very idiotic themselves.' (Compare Aristotle, Met.)
