The Principles of

Uncertainty - Maira Kalman
2009-10-27

“Sublime . . . Kalman’s elegantly witty and at times melancholy narrative runs arm in arm with her unmistakable paintings on a serendipitous romp through the history of the world.” —Vanity Fair “Wildly original . . . there’s nothing else even remotely like it . . . This hilarious, wise, and deeply moving volume [is] the ultimate picture book for grown-ups.” —O Magazine Maira Kalman paints her highly personal worldview in this inimitable combination of image and text An irresistible invitation to experience life through a

beloved artist's psyche, The Principles of Uncertainty is a compilation of Maira Kalman's New York Times columns. Part personal narrative, part documentary, part travelogue, part chapbook, and all Kalman, these brilliant, whimsical paintings, ideas, and images - which initially appear random - ultimately form an intricately interconnected worldview, an idiosyncratic inner monologue.

My Lady Lipstick - Karin Kallmaker 2018-02-01 Anita Topaz, Queen of the Bodice Rippers, is deliberately a woman of mystery. But pressure is mounting for Anita to reveal herself to her clamoring public. It's scrutiny that writer Paris Ellison can't allow, especially since the glamorous "Anita" is a work of pure fiction. Lady Diana Beckinsale excels at disappearing into a good role. Especially if that role gets her close to certain objects she desires. When Diana proposes the perfect solution to Paris's predicament, Paris is less than enthusiastic. She can't let someone as unsettling and observant as Diana get too close. But Diana is persistent. After all, if she and the handsome, secretive Paris both

get what they want out of an unorthodox arrangement, then it's a win-win for them both. My Lady Lipstick is high stakes on a merry-go-round of lies—it's all fun and games until somebody loses her heart.

Keep Calm and Log On -

Gillian "Gus" Andrews

2020-03-11

How to survive the digital revolution without getting trampled: your guide to online mindfulness, digital self-empowerment, cybersecurity, creepy ads, trustworthy information, and more. Feeling overwhelmed by an avalanche of online content? Anxious about identity theft? Unsettled by the proliferation of fake news? Welcome to the digital revolution. Wait—wasn't the digital revolution supposed to make our lives better? It was going to be fun and put the world at our fingertips. What happened? *Keep Calm and Log On* is a survival handbook that will help you achieve online mindfulness and overcome online helplessness—the feeling that tech is out of your control—with tips for handling

cybersecurity, creepy ads, untrustworthy information, and much more. Taking a cue from the famous World War II morale-boosting slogan (“Keep Calm and Carry On”), Gus Andrews shows us how to adapt the techniques our ancestors used to survive hard times, so we can live our best lives online. She explains why media and technology stress us out, and offers empowering tools for coping. Mindfulness practices can help us stay calm and conserve our attention purposefully. Andrews shares the secret of understanding our own opinions” “family trees” in order to identify misleading “fake news.” She provides tools for unplugging occasionally, overcoming feelings that we are “bad at technology,” and taking charge of our security and privacy. Andrews explains how social media algorithms keep us from information we need and why “creepy ads” seem to follow us online. Most importantly, she urges us to work to rebuild the trust in our communities that the internet has broken.

Drink - Kim Gruenenfelder
2013-12-24

In Keep Calm and Carry a Big Drink, Kim Gruenenfelder's delicious follow-up to There's Cake in My Future, Seema, Nic and Mel are back, adjusting to their new lives as a bride-to-be, a mother-to-be, and a recently single girl looking for love It's been almost a year since Mel, Nic and Seema pulled their magical charms out of the cake at Nic's bridal shower and most of their happily-ever-afters seemingly came true. Seema is about to marry Scott in an elaborate three-day affair. Nic is glowingly pregnant. And Mel... well, Mel feels as if she accidentally veered off the rails of her life at some point and isn't sure how to get back on. She recently became single again, she's been threatened with a layoff from her teaching job, and she has to find her own place now that Scott is moving in with her roommate, Seema. Nic thinks Mel just needs a new cake charm to bring her good luck. . . and decides to rig the cake pull at Seema's bridal shower.

Desperate for travel, Mel asks for the passport charm. But, once again, the cake proves to have a mind of its own, and she pulls a charm she doesn't want, and can not use. Rather than be bound by the charm's prophecy, Mel realizes she, and she alone, is responsible for her destiny. A spur of the moment decision takes her to Paris and then Maui, where she finds herself on an adventure that she never could have imagined, experiencing the trials and tribulations of a life suddenly and perfectly unplanned. And, along the way, she begins to learn that, however nonsensical it may seem, the cake is never wrong...

[Keep Calm And Carry On Journal](#) - Speedy Publishing LLC 2015-02-22

Sometimes a person needs a reminder to keep calm. One of the easiest ways to do that is by owning, writing in, and carrying a Keep Calm and Carry On journal. Designed with ample space to record thoughts, ideas, and events, diaries with motivational quotes and phrases serve as inspiration for the people using them.

Keep Calm and Carry On - 2009-07-15

Keep Calm and Carry On was a World War 2 government poster discovered in a dusty box nine years ago. Though it never saw the light of day in 1939 (it was only supposed to go up if Britain was invaded), it has suddenly struck a chord in our current difficult times, now we are in need of a stiff upper lip and optimistic energy once again. Gordon Brown had one up in 10 Downing Street and

James May wears a Keep Calm T-shirt on the telly - it is suddenly everywhere. The book is packed full of similarly motivational and inspirational quotes, proverbs, mantras and wry truths to help us through the recession, from such wits as Churchill, Disraeli and George Bernard Shaw. Funny, wise and stirring - it is a perfect source of strength to get us all through the coming months. 'A banker is a fellow who lends you his umbrella when the sun is shining and wants it back the minute it begins to rain' Mark Twain 'It's a recession when your neighbor loses his job; it's a depression when you lose your own' Harry S. Truman 'An economist is an expert who will know tomorrow why the things he predicted yesterday didn't happen today' Laurence J. Peter 'Always laugh when you can. It is cheap medicine' Lord Byron 'Better bread with water than cake with trouble' Russian Proverb

The Couple and Family Therapist's Notebook -

Katherine M. Hertlein
2014-01-02

Get a "sneak peek" at clinical vignettes that demonstrate the power of creative interventions! Couples and families present unique challenges in therapy, and other books rarely illustrate the effectiveness of particular types of interventions on actual cases. The Couple and Family Therapist's Notebook provides clinicians with a wide range of practical field-tested therapy activities and homework that are solidly grounded to each intervention's theoretical underpinning, then explores their effectiveness by briefly

relating real-life cases. Continuing The Haworth Press Therapist's Notebook series, respected experts detail how to perform several creative interventions and then follow with insightful clinical vignettes to illustrate under what specific circumstances each particular approach is effective. Each chapter of The Couple and Family Therapist's Notebook: Homework, Handouts, and Activities for Use in Marital and Family Therapy has an objective statement to orient the reader to the homework, handout, or activity, followed by a rationale. Instructions explain how to perform the activity, followed by clinical case vignette, a section of contraindications, and a list of useful resources for both the practitioner and the client. Illustrations and appendixes also provide helpful guides for the therapist. The Couple and Family Therapist's Notebook: Homework, Handouts, and Activities for Use in Marital and Family Therapy gives you the tools for approaches such

as: emotionally focused therapy
symbolic-experiential therapy
transgenerational theory
solution-focused therapy
experiential therapy and many others
And some of the intervention techniques that are illustrated: the Metaphor of Gardens

Atomic Habits - James Clear
2018-10-16

The #1 New York Times bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work.

Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit

smoking, lose weight, reduce

stress, or achieve any other goal.
