**The Three Day Spanking Party: 18 Girls and 270 Spankings - Special Edition - 5 Books in One** - Wendy K. 2013-06-30

My husband got me involved in the life of slavery and we were happy until my submissive needs got to be too much for him. I started seeing other people but he couldn't handle it and divorced me. I need someone who doesn't worry about my happiness or comfort and knows how to use and punish a slave. I need someone who will turn me into his property and take me at will. I am a sweet slave that craves service. I love the look on my Dom's face when he is happy. I like being called a good girl and know he means it. I love sitting at his feet with my head in his lap and knowing there is no other place I would rather be. But now let's talk about my first major spanking party. This very memorable and extreme spanking party occurred in 2006. For three days and nights, the sound of pretty ladies getting spanked OTK and strapped to spanking apparatuses, was the norm. Informal reports put the number of substantial spankings at the three day event to be around 300. Us girls left with very raw butts, a great memory and many thousands of dollars for our trouble. These exclusive spanking and sex parties occur several times a year in many countries. I go to as many as I can. Read in detail all about the spankings and sex at this exclusive multiple day spanking party. Also included are an additional four free high quality books (making this book a \$34.75 value!) Your books are presented in this order: 1) Spanking Dictionary (Adult Erotica) 2) 14 Male-Female Anal Sex Stories 3) Bare Bottom Spanking: The Las Vegas Spanking Adventure 4) The Absolutely Essential Guide to Erotic Breast Massage 5) The Three Day Spanking Party: 18 Girls & 270 Spankings Publisher's Note: This book contains explicit sexual content and BDSM. ### **The Prisoner** - Eli Harder 2017-06-26

Newly sentenced felon Neal Landon reads the gut-wrenching punishment manual for the Life Sentence Diversion and Rehabilitation Program. If he chooses to enter the program, he'll be given to a handler whose sole duty is to punish him.... and train him. Can he endure the harsh punishments outlined in the manual in exchange for his eventual freedom? Read the rules for prisoners and the punishment manual for handlers along with him. Among other things, the manual includes a 6-part guide to beatings: restraint on the rack, implements, intervals, the standard 10-point beating, intensifying a beating, and severity. It also details the cramped cell with its heavy shackle, the specially designed chamber for stress positions, and tiny concrete tomb that the prisoner will be housed in. Imagine his horror as he reads about the electric shock collar he will wear at all times, pronged shackles, stress positions, and how his body's most basic functions and desires will be used to torment him. He'll learn that he may be forced to wear a bit and pull a cart until he's exhausted, and that his handler might follow it up with placing clamps on the sensitive tissue of his weary body and stretching exquisitely tender muscles with plugs for several hours. He will discover he is required to observe strict chastity for the duration of the program, with no relief of one of his deepest needs and temptations. The punishment manual is cruelly detailed in its description of things like application of capsicum cream to welts, forcing the prisoner to sit motionless on rocks after a severe beating, and leaving him spread-eagled in solitary confinement with constant pressure on tender wrists and ankles. Reading the list, he can only imagine how the punishments within could be cruelly combined in infinite ways until he was rendered completely submissive and obedient to his handler - and even then, he would have to endure at least 8 hours a day of routine punishment. He learns that he'll spend so much time handcuffed that his wrists will become welted and abraded with shackle sores. Will Neal choose to enter the Life Sentence Diversion and Rehabilitation Program, or simply spend the rest of his life in prison? What would you choose in his place?

### **Dom's Guide To BDSM Vol. 1** - Matthew Larocco 2015-08-19

Much of what we've "heard" about BDSM and the lifestyle is wrong. Our opinions on this lifestyle and art form are oftentimes shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, and it's also a concept that you will find is not "scary." And even the "pain" that is spoken of is not the type of pain people think it is. This book is written for Doms/Masters in training. It is written for you, the average guy or gal, who doesn't already have a closet full of leather and whips, and who really has little idea about what BDSM is besides what they've heard about it. What you are going to find out, is that the Dom/Master actually has the more complicated role. The master has the task of giving pleasure and discipline to the slave or sub. A great deal of what you do as a Dom will be for the benefit of a sub. You must derive pleasure from giving, have a great desire to please a partner, and not simply take what you want. Still interested? Good. Now that we know you're a REAL master in training, one that will respect the rules, respect the slave you have power over, and follow protocol, you can begin your Dom training. Only then can you truly earn the utmost respect and admiration from your sub. In Volume 1 of this series we are going to discuss: - How to think and act like a Dom - What the slave expects from you - What not to do and what instincts you do NOT want to follow - Your motivation and your goals - How to find out a sub's taboo - How to negotiate, find agreement and ensure that game play is always safe - How to make a slave yearn for you and desire to be controlled by you - And much more...

### **Slave Sarah Is Getting 10 Hard Spankings Today: Volume 2** - J R 2015-05-06

Hello I'm slave sarah. I am a very well trained BDSM female sex slave. My mistress is very demanding and strict. Mistress spansks me on average about twice a day. It's something she genuinely loves to do. Usually mistress gives me a spanking before bedtime. That spanking is among my favorites as it helps make me sleepy. If a friend comes over that's also into BDSM she'll let him or her spank me if they want. I don't think she thinks I can be spanked enough. I have to admit that today was different as Mistress started the day very angry with me. I was suppose to get more of her shampoo and lip stick when I went shopping yesterday but forgot. She hates it when I'm forgetful, frankly it's something I have a problem with. I knew I was in a lot of trouble. As punishment, Mistress told me that I was going to get 10 hard spankings that day. She also invited her friends over to punish me. Later Mistress would come back home to eat lunch and give me another spanking. Later still, after she came back from work, the rest of the day and night was all about punishing me. I had a very long day and night and now I would like to tell you all the sexy, bun burning details about it. This publication contains 3 ebooks which are normally sold separately. Your three ebooks are presented in this order: 1) Slave Sarah Is Getting 10 Hard Spankings Today: Volume 2 2) Mistress/slave BDSM Contract 3) The Absolutely Essential Guide to Erotic Breast Massage Publisher's Note: This ebook contains explicit sexual content and BDSM. All characters are at least 18 years of age.

### **Bow Down** - Lindsay Goldwert 2021-01-19

\*One of Glamour's Best Books of 2020\* Popular podcast host and personal finance expert Lindsay Goldwert explores what professional dominatrixes can teach us about confidence, power, and happiness. Imagine, for a moment, a world where the usual power dynamic is turned on its head. Where women not only stop apologizing, but seize—and enjoy—control. This is the quickly mainstreaming world of BDSM (bondage, discipline, sadism, masochism)—and it has a lot to teach women about empowerment, negotiation, open-

mindedness, and more. Journalist Lindsay Goldwert, intrigued by this seismic cultural shift, traveled across the United States to meet the stars of the subculture, who spoke frankly with her about their lives and work. In this "lively, funny, thoughtful channeling of wisdom" (Sara Benincasa, author of Real Artists Have Day Jobs), these Alpha women show you how you can reset the power dynamic in any situation to get what you want—whether it's from a husband, a boss, or partner. They share strategies for revolutionizing not only your sex life, but your career, your relationships, and most importantly, your inner foundations. With bondage gear popping up on the big screen, the runway, the red carpet, and in celebrity lingerie lines, BDSM is officially moving out of the dungeon and into the sun. Let Bow Down help you learn how to use it. "Whether your fantasies lie in the bedroom or the boardroom, Lindsay will give you the courage to go forth and dominate." (Sarah Cooper, author of How to Be Successful without Hurting Men's Feelings).

"The Language of Sadomasochism" contains vocabulary and defines activities that many will find offensive. It has been published to aid linguists, folklorists, sociologists, psychologists, and other adult researchers develop a better understanding of this subculture. "The Language of Sadomasochism" represents the first systematic, comprehensive account ever attempted of the specialized terminology used by sadomasochists. The work is divided into three distinct sections. Part one provides a thorough introduction to the subculture of sadomasochism, its history in the Western world, and its place in American culture, in literature, and in the work of non-linguist social scientists. Part two is a comprehensive glossary of more than 800 terms currently in use among sadomasochists. For each term the authors provide part-of-speech labels, etymologies, definitions, citations illustrating actual usage, related forms of the word, cross references to semantically and conceptually related terms, and special notes on usage. Part three contains a linguistic analysis of the terminology and illustrates how the language of sadomasochism is related both to the English language as a whole and to the sadomasochists who use the specialized language. The book concludes with a complete bibliography of all references cited, a list of difficult-to-find sadomasochism-related periodicals, and an index providing easy access to groups of semantically and conceptually related terms.

Humiliation, Degradation, Dehumanization - Paulus Kaufmann 2010-10-07

Degradation, dehumanization, instrumentalization, humiliation, and nonrecognition – these concepts point to ways in which we understand human beings to be violated in their dignity. Violations of human dignity are brought about by concrete practices and conditions; some commonly acknowledged, such as torture and rape, and others more contested, such as poverty and exclusion. This volume collates reflections on such concepts and a range of practices, deepening our understanding of human dignity and its violation, bringing to the surface interrelationships and commonalities, and pointing to the values that are thereby shown to be in danger. In presenting a streamlined discussion from a negative perspective, complemented by conclusions for a positive account of human dignity, the book is at once a contribution to the body of literature on what dignity is and how it should be protected as well as constituting an alternative, fresh and focused perspective relevant to this significant recurring debate. As the concept of human dignity itself crosses disciplinary boundaries, this is mirrored in the unique range of perspectives brought by the book's European and American contributors – in philosophy and ethics, law, human rights, literature, cultural studies and interdisciplinary research. This volume will be of interest to social and moral philosophers, legal and human rights theorists, practitioners and students.

**I Was a Bad Girl - Please Punish Me!** - Jurgen Prommersberger 2016-01-06

BDSM and punishment as an erotic game is not a recent invention. It existed since quite a long time. The play between dominant men and women and their submissive counterparts. In a time when it was already considered extremely bold to capture naked or semi-naked women on an image, the tolerance limit for Fetish and BDSM - pictures was placed much, much higher. These pictures were taken secretly and then distributed in backrooms only. This photo collection shows submissive women as they play their roles and expect their punishments for their deeds. The main focus is laid upon spanking images of all kind. Even some out-door shootings are not missing. Not to forget a handful of classroom pictures of naughty schoolgirls, which need to receive some punishment as well by the school mistress. I would like to add another important notice to this picture book regarding the quality of images. To avoid disappointment, I would like to mention, that many of the photos do not meet the modern requirements for depth and contrast. The oldest image dates back to the year 1870 and many of the others were published in the year until World War I.
