*Redeemed from Poverty, Sickness, and Spiritual Death* - Kenneth E. Hagin 1983  
Rev. Hagin explains in great detail how Jesus Christ redeemed us from the curse of the Old Testament Law and opened the way for us to enjoy instead the blessings of Abraham: prosperity, health,

and spiritual Territorial Dominion - Apostle Joshua Selman 2021-03-09  
It is important for us as believers to understand that there is a territorial dimension to kingdom advance. Kingdom advance generally speaks of extending the influence and the reign of the Christ. When

Prophet Isaiah received the Messianic prophecy that talked about Christ, it was said in that prophecy that of the increase of his government and his peace, there will be no end. This means that of the increase of the continual advancement and expansion of Christ, His purposes and the peace that comes in that kingdom, there shall be no end. So this is a kingdom that grows. He says, "I will build my church and the gate of hell will not prevail over it". I know that looking at the society right now, it looks like the church is not growing and that the purpose of Christ is not advancing. I want you to know that the church is growing and the purposes of Christ is advancing. The Bible declares that it is God's desire that the Lordship of Christ be established, first of all in the heart of men and then across territories. So kingdom advancement is in two folds- the establishment of the purposes of Christ first of all in the hearts of men and then across territories. This means that it is not enough that

individuals be saved/come under the governing influence of Christ. It is time to start taking cities. The Bible says, in the book of Acts, that these are they that have turned the world upside down. The story of revival as we read from the scripture and then in modern history talks about men and women who (according to Hebrews 11) subdued kingdoms. He said ask of me for the earthen, I will give them to you for your inheritance. It is time for us take systems, structures, nations and bring them under the Lordship of Christ. This is one of the ways the kingdom will advance.

*The Mystery Of The Blood* -  
Apostle Joshua Selman  
2020-08-09

The Significance of Blood This is the common ground for every religion I know including the occultic. They respect blood and they have something to do with blood. Right from the garden of Eden, we begin to see how that when man fell, God Himself stripped a bloody lamb and used it to cover Adam and Eve. Right from the garden of Eden, there was the shedding of blood. Then all through the old covenant, we

see the shedding of the blood of bulls. But the question I have is that what is it about blood that makes it effective? Why not the flesh? Why not water? Is it the colour of the blood? Is it anything that is just red in the human body? Many people know that the blood saves, but we do not know what is it in the blood that is so powerful that even Satan and death- the last enemy to be destroyed, can respect it. Read This Book and Understand the great mystery of the blood **Pray Your Way into Marital Breakthrough-Stepping High 2019** - Dr. D. *If Ye Shall Ask...[First Edition] -*

Oswald Chambers 2018-09-03

Originally published as *If Ye Shall Ask*, this small book on prayer comprises lectures Chambers gave at the Bible Training College in London where he focused on all aspects of prayer, from prayer's simplicity to intercessory prayer for others. He believed that prayer changes the one praying as much as prayer moves the hand of God. The foreword introduces readers to a simple man of keen insight who, regardless of who he was with or what they were doing, without warning would say, Off with your hats, it is good to pray everywhere, followed by a brief prayer. Chambers was a spiritual realist who believed prayer enabled God to perform His order through those who

pray, even though he didn't consider prayer a natural function of the worldly minded. However, he knew prayer was a way of getting to know God that would develop the life of God in those who prayed. This powerful book on prayer, filled with wisdom and keen perception, is one to savor slowly and return to time and time again. Written by a devout man of God who shows us what we are missing when we don't have the life of God in us.

There aren't enough stars to value its worth, whether five, ten, fifty or a hundred. Cited from review by Gail Welborn, Seattle Christian Book Review Examiner.
